

This directory was created based on the following information

Product: CuraNet - All participating providers, Michigan, Ohio and Indiana

ProviderType: HOSPITALS

Thank you for visiting CuraNet's Online Provider Directory. Providers are listed alphabetically by city, then by last name. This provider information is updated regularly; however, we suggest that you always confirm with any provider listed in this directory that they still participate with the local CuraNet PPO Affiliate. The CuraNet network affiliate logos are listed below. Your local network logo will be displayed on the upper right hand corner of your ID Card.

The plan offered to you may not provide coverage for all of the health care services or providers listed in this directory. Please carefully review your schedule of benefits or Summary Plan Description for all details specific to your plan. If you have any questions regarding the providers listed in this directory, please contact CuraNet at (888) 354-5470.
