

This directory was created based on the following information

Product: CuraNet/Community Health Alliance Network - All participating providers in the CuraNet Network Affiliate - Community Health Alliance

ProviderType: ANCILLARY

Thank you for visiting the CuraNet Online Provider Directory. Providers are listed alphabetically by city, then by last name. This provider information is updated regularly; however, we suggest that you always confirm with any provider listed in this directory that they still participate with the Community Health Alliance network prior to scheduling an appointment. The Community Health Alliance network logo is listed below. The Community Health Alliance logo will be displayed on the upper right hand corner of your ID Card.

The plan offered to you may not provide coverage for all of the health care services or providers listed in this directory. Please carefully review your schedule of benefits or Summary Plan Description for all details specific to your plan. If you have any questions regarding the providers listed in this directory, please contact CuraNet at (888) 354-5470.
