Mail Service Pharmacy Tips

MAIL REGISTRATION & PRESCRIPTION ORDER FORM

- New prescriptions must be mailed to Walgreens Mail Service pharmacy.
- For long-term medications you need right away: ask your doctor for two prescriptions–one for a small supply to fill at a participating retail pharmacy and one for a long-term supply to fill through the mail.
- Most orders are shipped by U.S. Postal Service. Controlled substances may require an adult signature upon receipt. Packaging does not show any indication that medications are enclosed.
- Allow 2 weeks for delivery.
- Emergency prescriptions can be shipped overnight. Please call our Customer Care Center.
- Include payment, if applicable to avoid any delays. Please do not send cash.
- Make checks payable to Walgreens Mail Service. Credit cards accepted.
- Refills cannot be transferred from other pharmacies. Request a new prescription from your doctor.
- Use black ink only. Enclose form with prescription(s) and payment.

It is standard pharmacy practice to substitute generic equivalents for brand-name drugs whenever possible. Walgreens Mail Service will dispense an FDA-approved generic equivalent whenever available, permitted by your prescriber, and allowable by law. If you do not want a generic equivalent, please call our Customer Care Center to advise.
