

INTRODUCING EYEMED® FOR 2022

Vision benefits never looked so good

WITH A NEW PARTNERSHIP STARTING 1/1/22, YOU...

- Have access to the right mix of independent and retail providers — including popular national chains and regional favorites for your routine vision needs
- Receive care when it's convenient for you — with extended weeknight and weekend hours and online appointment scheduling*
- Have tools and resources that make using your benefit an experience you'll appreciate:
 - Enhanced eye doctor search tool to find the right eye doctor
 - Optimized web and mobile resources
 - Award-winning customer care available day and night¹

If your coverage includes vision hardware benefits...

- Get to choose frames from popular designer brands, so your eyewear meets your needs and suits your style
- Can shop and buy glasses, contacts and prescription sunglasses just like you would in the store — but from your computer, smartphone or tablet
- 40% off additional complete pairs of prescription eyeglasses²
- 20% off any remaining frame balance over the allowance²
- 20% off non-prescription sunglasses³

More details coming soon.

Call or email your HAP Sales Representative.

* at select locations

¹ Purdue University Benchmark Portal independent assessment of call centers nationwide, 2019

² Not insured benefits. Discounts on non-covered services may not be available through all providers or in all stores

³ Available at in-network provider locations
