Our service area includes these counties in Michigan: Allegan, Arenac, Barry, Bay, Berrien, Branch, Calhoun, Cass, Clare, Clinton, Eaton, Genesee, Gladwin, Gratiot, Hillsdale, Huron, Ingham, Ionia, Iosco, Isabella, Jackson, Kalamazoo, Kent, Lake, Lapeer, Lenawee, Livingston, Macomb, Mason, Mecosta, Midland, Monroe, Montcalm, Muskegon, Newaygo, Oakland, Oceana, Ogemaw, Osceola, Ottawa, Saginaw, Sanilac, Shiawassee, St. Clair, Tuscola, Van Buren, Washtenaw and Wayne.

Which doctors, hospitals, and pharmacies can I use?

HAP MSUHC Medicare (HMO) has a network of doctors, hospitals, pharmacies, and other providers. If you use the providers that are not in our network, the plan may not pay for these services.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

You can see our plan's provider and pharmacy directory at our website (<u>www.hap.providerlookuponlinesearch.com/search</u>).

Or call us and we will send you a copy of the provider and pharmacy directories.

What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers – and more.

- Our plan members get *all* of the benefits covered by Original Medicare. For Medicare covered benefits, you will pay less in our plan than you would in Original Medicare.
- Our plan members also get *more than what* is covered by Original Medicare. Some of the extra benefits are outlined in this booklet.
- HAP MSUHC Medicare (HMO) is a Medicare health plan with a Medicare contract and a contract with the Michigan Medicaid Program.

We cover Part D drugs. In addition, we cover Part B drugs including chemotherapy and some drugs administered by your provider.

- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, <u>www.hap.org/medicare/member-resources/prescriptions/formulary-drug-list</u>.
- Or call us and we will send you a copy of the formulary.

How will I determine my drug costs?

Our plan groups each medication into one of Tier 6 "tiers." You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier, what stage of the benefit you have reached and any "Extra Help" you may receive. Later in this document we discuss the benefit stages that occur: Initial Coverage, Coverage Gap and Catastrophic Coverage.

If you have any questions about this plan's benefits or costs, please contact HAP MSUHC Medicare (HMO) (800) 801-1770 (TTY: 711) Plan for details.
