Pre-Enrollment Checklist HMO-POS

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at:

(800) 801-1770 for HAP Senior Plus HMO-POS plans  
8 a.m. to 8 p.m., seven days a week (Oct. 1 - March 31)  
8 a.m. to 8 p.m., Monday through Friday (April 1 - Sept. 30)

Understanding the Benefits

☐ Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services that you routinely see a doctor. Visit hap.org/resources or call (800) 801-1770 (TTY: 711) for HAP Senior Plus HMO-POS.

☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.

☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.

☐ Benefits, premiums and/or copayments/coinsurance may change on January 1, 2020.

☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).

□ Automatic deduction from your monthly Social Security or Railroad Retirement Board (RRB) benefit check.

I get monthly benefits from:

□ Social Security
□ Railroad Retirement Board (RRB)

(The Social Security/RRB deduction may take two or more months to begin after Social Security or RRB approves the deduction. In most cases, if Social Security or RRB accepts your request for automatic deduction, the first deduction from your Social Security or RRB benefit check will include all premiums due from your enrollment effective date up to the point withholding begins. If Social Security or RRB does not approve your request for automatic deduction, we will send you a paper bill for your monthly premiums.)

For plans with prescription drugs:
If we determine that you owe a late enrollment penalty (or if you currently have a late enrollment penalty), we need to know how you would prefer to pay it from the above options.

If you are assessed a Part D Income Related Monthly Adjustment Amount, you will be notified by the Social Security Administration. You will be responsible for paying this extra amount in addition to your plan premium. You will either have the amount withheld from your Social Security benefit check or be billed directly by Medicare or RRB. DO NOT pay HAP Medicare Advantage the Part D IRMAA.

People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If eligible, Medicare could pay for 75% or more of your drug costs, including monthly prescription drug premiums, annual deductibles and coinsurance. Additionally, those who qualify will not be subject to the coverage gap or a late enrollment penalty. Many people are eligible for these savings and don't even know it.

For more information about this Extra Help, contact your local Social Security office, or call Social Security at 1-800-772-1213. TTY users should call 1-800-325-0778. You can also apply for Extra Help online at www.socialsecurity.gov/prescriptionhelp.

If you qualify for Extra Help with your Medicare prescription drug coverage costs, Medicare will pay all or part of your plan premium. If Medicare pays only a portion of this premium, we will bill you for the amount that Medicare doesn’t cover.

STOP

If you currently have health coverage from an employer or union, joining a HAP Medicare Advantage plan could affect your employer or union health benefits. You could lose your employer or union health coverage if you join a HAP Medicare Advantage plan. Read the communications your employer or union sends you. If you have questions, visit their website or contact the office listed in their communications. If there isn’t any information on whom to contact, your benefits administrator or the office that answers questions about your coverage can help.

Please read and sign next page

By completing this enrollment application, I agree to the following:

HAP Senior Plus and HAP Primary Choice plans are Medicare Advantage plans that have a contract with the Federal government. I will need to keep my Medicare Parts A and B. I can be in only one Medicare Advantage plan at a time, and I understand that my enrollment in this plan will automatically end my enrollment in another Medicare health plan or prescription drug plan. It is my responsibility to inform you of any prescription drug coverage that I have or may get in the future.

Please read and check mark the section that corresponds to the plan in which you are enrolling.

☐ HAP Senior Plus (HMO), Medical Only plan: I understand that if I don’t have Medicare prescription drug coverage, or creditable prescription drug coverage (as good as Medicare’s), I may have to pay a late enrollment penalty if I enroll in Medicare prescription drug coverage in the future. I must get all of my healthcare from HAP Senior Plus, except for emergency or urgently needed services or out-of-area dialysis services.

☐ HAP Senior Plus, except for emergency or urgently needed services or out-of-area dialysis services. HAP Senior Plus (HMO); HAP Senior Plus Henry Ford Tiered Access; HAP Primary Choice (HMO) plans; and HAP Senior Plus (HMO-POS) plans: I understand that beginning on the date my HAP Medicare Advantage plan’s coverage begins, I must get all of my healthcare from HAP Medicare Advantage, except for emergency or urgently needed services or out-of-area dialysis services.

☐ HAP Senior Plus (PPO) plans: I understand that beginning on the date HAP Senior Plus coverage begins, using services in-network can cost less than using services out-of-network, except for emergency or urgently needed services or out-of-area dialysis services. If medically necessary, HAP Senior Plus provides refunds for all covered benefits, even if I get services out-of-network.

Enrollment in a HAP Medicare Advantage plan is generally for the entire year. Once I enroll, I may leave this plan or make changes only at certain times of the year when an enrollment period is available (example: October 15 – December 7 of every year) or under certain special circumstances.

A HAP Medicare Advantage plan serves a specific service area. If I move out of the area that HAP Medicare Advantage serves, I need to notify the plan so I can disenroll and find a new plan in my new area. Once I am a member of a HAP Medicare Advantage plan, I have the right to appeal plan decisions about payment or services if I disagree. I will read the Evidence of Coverage document from HAP Medicare Advantage when I get it to know which rules I must follow to get coverage with this Medicare Advantage plan. I understand that people with Medicare aren’t usually covered under Medicare while out of the country except for limited coverage near the U.S. border.

Services authorized by a HAP Medicare Advantage plan and other services contained in my HAP Medicare Advantage plan’s Evidence of Coverage document (also known as a member contract or subscriber agreement) will be covered. Without authorization, NEITHER MEDICARE NOR HAP MEDICARE ADVANTAGE WILL PAY FOR THE SERVICES.
I understand that if I am getting assistance from a sales agent, broker or other individual employed by or contracted with HAP Medicare Advantage, he/she may be paid based on my enrollment in a HAP Medicare Advantage plan.

**Release of Information:** By joining this Medicare health plan, I acknowledge that HAP Medicare Advantage will release my information to Medicare and other plans as is necessary for treatment, payment and healthcare operations. I also acknowledge that HAP Medicare Advantage will release my information, including my prescription drug event data (except for HAP Senior Plus (HMO), Medical Only), to Medicare, who may release it for research and other purposes which follow all applicable Federal statutes and regulations. The information on this enrollment form is correct to the best of my knowledge. I understand that if I intentionally provide false information on this form, I will be disenrolled from the plan.

I understand that my signature (or the signature of the person authorized to act on my behalf under the laws of the state where I live) on this application means that I have read and understand the contents of this application. If signed by an authorized individual (as described above), this signature certifies that 1) this person is authorized under state law to complete this enrollment and 2) documentation of this authority is available upon request from Medicare.

**Signature:** ___________________________ **Today’s Date:** ___________________________

If you are the authorized representative, you must sign above and provide the following information:

**Name:** ___________________________

**Address:** ___________________________

**Phone Number:** ___________________________ **Relationship to Enrollee:** ___________________________

Please read this important information if you are enrolling in any plan with prescription drugs

If you currently have health coverage from an employer or union, joining a HAP Medicare Advantage plan could affect your employer or union health benefits. You could lose your employer or union health coverage if you join a HAP Medicare Advantage plan. Read the communications your employer or union sends you. If you have questions, visit their website or contact the office listed in their communications. If there isn't any information on whom to contact, your benefits administrator or the office that answers questions about your coverage can help.

Please read and sign next page

By completing this enrollment application, I agree to the following:

HAP Senior Plus and HAP Primary Choice plans are Medicare Advantage plans that have a contract with the Federal government. I will keep my Medicare Parts A and B. I can be in only one Medicare Advantage plan at a time, and I understand that my enrollment in this plan will automatically end my enrollment in another Medicare health plan or prescription drug plan. It is my responsibility to inform you of any prescription drug coverage that I have or may get in the future.

Please read and check mark the section that corresponds to the plan in which you are enrolling.

☐ HAP Senior Plus (HMO), Medical Only plan: I understand that if I don't have Medicare prescription drug coverage, or creditable prescription drug coverage (as good as Medicare's), I may have to pay a late enrollment penalty if I enroll in Medicare prescription drug coverage in the future. I must get all of my healthcare from HAP Senior Plus, except for emergency or urgently needed services or out-of-area dialysis services.

☐ HAP Senior Plus, except for emergency or urgently needed services or out-of-area dialysis services. HAP Senior Plus (HMO); HAP Senior Plus Henry Ford Tiered Access; HAP Primary Choice (HMO) plans; and HAP Senior Plus (HMO-POS) plans: I understand that beginning on the date my HAP Medicare Advantage plan's coverage begins, I must get all of my healthcare from HAP Medicare Advantage, except for emergency or urgently needed services or out-of-area dialysis services.

☐ HAP Senior Plus (PPO) plans: I understand that beginning on the date HAP Senior Plus coverage begins, using services in-network can cost less than using services out-of-network, except for emergency or urgently needed services or out-of-area dialysis services. If medically necessary, HAP Senior Plus provides refunds for all covered benefits, even if I get services out-of-network.

Enrollment in a HAP Medicare Advantage plan is generally for the entire year. Once I enroll, I may leave this plan or make changes only at certain times of the year when an enrollment period is available (example: October 15 – December 7 of every year) or under certain special circumstances.

A HAP Medicare Advantage plan serves a specific service area. If I move out of the area that HAP Medicare Advantage serves, I need to notify the plan so I can disenroll and find a new plan in my new area. Once I am a member of a HAP Medicare Advantage plan, I have the right to appeal plan decisions about payment or services if I disagree. I will read the Evidence of Coverage document from HAP Medicare Advantage when I get it to know which rules I must follow to get coverage with this Medicare Advantage plan. I understand that people with Medicare aren't usually covered under Medicare while out of the country except for limited coverage near the U.S. border.

Services authorized by a HAP Medicare Advantage plan and other services contained in my HAP Medicare Advantage plan's Evidence of Coverage document (also known as a member contract or subscriber agreement) will be covered. Without authorization, NEITHER MEDICARE NOR HAP MEDICARE ADVANTAGE WILL PAY FOR THE SERVICES.
I understand that if I am getting assistance from a sales agent, broker or other individual employed by or
contracted with HAP Medicare Advantage, he/she may be paid based on my enrollment in a HAP Medicare
Advantage plan.

Release of Information: By joining this Medicare health plan, I acknowledge that HAP Medicare Advantage will
release my information to Medicare and other plans as is necessary for treatment, payment and healthcare
operations. I also acknowledge that HAP Medicare Advantage will release my information, including my
prescription drug event data (except for HAP Senior Plus (HMO), Medical Only), to Medicare, who may release it
for research and other purposes which follow all applicable Federal statutes and regulations. The information
on this enrollment form is correct to the best of my knowledge. I understand that if I intentionally provide false
information on this form, I will be disenrolled from the plan.

I understand that my signature (or the signature of the person authorized to act on my behalf under the laws of
the state where I live) on this application means that I have read and understand the contents of this application.
If signed by an authorized individual (as described above), this signature certifies that 1) this person is authorized
under state law to complete this enrollment and 2) documentation of this authority is available upon request from
Medicare.

Here, simplifying Medicare

We make Medicare easy to understand, so you can make the most of it.
Parts A and B, or "Original Medicare," are offered by the government.

**PART A HELPS COVER:**
- Hospital stays
- Nursing facilities
- Hospice
- Some home health care

**PART B HELPS COVER:**
- Doctor visits
- Preventive care
- Other medical services

Part C, or "Medicare Advantage," is provided by health insurance companies (like HAP).

For your convenience, we offer all the coverage you can expect from Part A and Part B, plus additional benefits.

Part D provides coverage for prescription drugs. It's offered by health insurance companies.

Many Medicare Advantage plans combine Parts A, B and D into one plan.

With Original Medicare, you'll pay 20% of all covered costs with no out-of-pocket maximum.

With Medicare Advantage, you'll have fixed cost copays with an out-of-pocket maximum. That means once you spend a certain amount of money, your plan will pay 100% of the cost of services it covers... so you could have significant savings.
Here, with HMO-POS plans

At HAP, HMO-POS plan coverage comes with affordable premiums and copays, so you can easily manage your healthcare costs. HAP Senior Plus (HMO-POS) offers the option to seek care outside of the plan’s wide network. However, you’ll save money by staying in the network and using any of the doctors, specialists and contracted hospitals within the 30-county Michigan area.

- Low copays for primary care visits with select plans
- $0 deductibles for all covered prescription drugs
- $0 copays for Tier 1 preferred generic prescription drugs*

After enrolling in an HMO-POS plan, you’ll select a primary care physician from our established network of providers. (Chances are, your current doctor and hospital are already part of it.) They’ll partner with you to manage your health and wellness, coordinating all the in-network primary and specialty care you need. Our HAP Senior Plus Provider Directory has more details about which doctors are included in our networks and participate in each plan.**

If you’re interested in a HMO or PPO plan, please contact us at (800) 888-3153 (TTY: 711).

You may be eligible to enroll if you are entitled to Medicare benefits under Part A, enrolled in Part B and reside in the HAP service area.

* $0 copay applies for Tier 1 preferred generic prescriptions from preferred pharmacies only. A $6 copay will apply if a non-preferred pharmacy is used. Visit hap.org/Medicare for a list of our preferred pharmacies.

** The pharmacy network and/or provider networks may change at any time. You will receive notice when necessary.

Save on Your Prescriptions

Medicare Advantage Part D prescription drug coverage
With HAP prescription drug coverage, our goal is to make sure you get the highest quality medications at the lowest possible cost. We help make it easy with services like home delivery, medication management and easy online access to prescription information.

Savings at preferred pharmacies
During the initial coverage phase of your Part D benefit, HAP’s preferred pharmacies offer lower copays. Prescriptions must be filled at HAP-contracted pharmacies. We have many preferred pharmacies in our network, including large national chains. Pharmacies will be listed as either “preferred” or “standard” in HAP’s pharmacy directory. To find a pharmacy, go to hap.org/pharmacy. Or call the Customer Service number on your member ID card.

Part D coverage stages
Each year, you have four stages of coverage under Medicare Part D. These stages are set by Medicare. Which stage you are in depends on how much you have paid for your prescriptions.

<table>
<thead>
<tr>
<th>Stage</th>

</tr>
<tr>

</table>
Coverage in the "donut hole"

HAP Medicare Advantage offers plans with a range of choices to help you through the stage 3 coverage gap, also known as the "donut hole."

</table>

Coverage requirements and limits

HAP has a list of covered drugs, also known as a formulary. You can find the Medicare formulary at [hap.org/prescriptions](http://hap.org/prescriptions).

Some covered drugs have requirements or limits. These requirements are listed on the formulary and may include:

- **Prior authorization:** For some drugs, you'll need to get approval from HAP before your prescription is filled.
- **Step therapy:** In some cases, HAP may require you to first try a certain drug to treat your condition before another drug is covered.
- **Quantity limits:** Certain drugs have quantity limits.

Notice of Privacy Practices

This notice describes how protected health information that is about you may be used and disclosed and how you gain access to this information.

HAP

Alliance Health and Life Insurance Company®

HAP Midwest Health Plan, Inc.

Effective Oct. 1, 2018

Your protected health information

PHI stands for protected health information. PHI is information that can be used to identify you—such as your name, demographic data and member ID number. This information can relate to your past, present or future:

- Physical or mental health
- Health care services you receive
- Payment for care

Our privacy policies cover protection of your PHI whether it’s oral, written or electronic. To give HAP permission to release personal health information those you approve, complete our authorization form. The form is available online at hap.org/privacy.

Important information about privacy

Safeguarding the privacy of your protected health information is important to HAP. We’re required by law to protect the privacy of your PHI and to provide you with notice of our legal duties and privacy practices. This notice does that. It explains how we use information about you and when we can share that information with others. It also tells you about your rights related to your PHI and how you can use your rights.

When we use the term “HAP,” “we” or “us” in this notice, we’re referring to HAP and its subsidiaries, including Alliance Health and Life Insurance Company and HAP Midwest Health Plan, Inc.

How we protect your PHI

We protect your PHI — whether it’s written, spoken or in electronic form. We require employees and others who handle your information to follow specific confidentiality and technology usage policies. When they begin working for HAP, all employees and contractors must acknowledge that they have reviewed HAP’s policies and that they will protect your PHI even after they leave HAP. An employee or contractor’s use of protected health information is limited to the minimum amount of information necessary to perform a legitimate job function. Employees and contractors are also required to comply with this privacy notice and may not use or disclose your information except as described in this notice.
Using and disclosing PHI

These next sections describe how HAP uses and shares your health information. Keep in mind that we share your information only with those who have a “need to know” in order to perform these tasks.

Treatment
We may share your PHI with your doctors, hospitals or other providers to help them provide medical care to you. For example, if you’re in the hospital, we may give them access to any medical records sent to us by your doctor.

We may use or share your PHI with others to help manage your health care. For example, we might talk to your doctor to suggest a disease management or wellness program that could help improve your health.

Payment
We may use or share your PHI to help us determine who is financially responsible for your medical bills. We may also use or share your PHI to conduct other payment activities, such as:

- Obtaining premium payments
- Determining eligibility for benefits
- Coordinating benefits with other insurance you may have Operations

Operations
As permitted by law, we share your PHI with:

- Affiliated companies as permitted by law
- Nonaffiliated third parties with whom we contract to help us operate HAP
- Others who are involved in providing or paying for your health care services

We may also share your information with others who help us conduct our business operations. If we do, we will require these individuals or entities to protect the privacy and security of your information and to return or destroy the information when it's no longer needed for our business operations.

Related HAP business activities include:

- Conducting quality assessment and improvement activities, including peer review, credentialing of providers and accreditation.
- Performing outcome assessments and analysis of health claims.
- Preventing, detecting and investigating fraud and abuse.
- Underwriting, rating and reinsurance activities. But, we are prohibited from using or disclosing any genetic information for underwriting purposes.
- Coordinating case and disease management activities.
- Communicating with you about treatment alternatives or other health-related benefits and services.
- Performing business management and other general administrative activities, including systems management and customer service.
We may also disclose your PHI to other providers and health plans that have a relationship with you for certain health care operations. For example, we may disclose your PHI for their quality assessment and improvement activities or for health care fraud and abuse detection.

Other operational uses and disclosures that are permitted or required:

- For certain types of public health or disaster relief efforts.
- To give you information about alternative medical treatments and programs or about health-related products and services that you may be interested in. For example, we might send you information about smoking cessation or weight-loss programs.
- To give you reminders relating to your health, such as a reminder to refill a prescription or to schedule recommended health screenings.
- For research purposes. For example, a research organization that wishes to compare outcomes of all patients who receive a particular drug and must review a series of medical records. In all cases in which your specific authorization hasn’t been obtained, your privacy will be protected by strict confidentiality requirements applied by an institutional review board or a privacy board that oversees the research or by representatives of the researchers that limit their use and disclosure.
- To report information to state and federal agencies that regulate HAP and its subsidiaries, such as the U.S. Department of Health and Human Services, the Michigan Department of Insurance and Financial Services, the Michigan Department of Health and Human Services and the federal Centers for Medicare and Medicaid Services.
- When needed by the employer or plan sponsor to administer your health benefit plan.
- For certain Food and Drug Administration investigations, such as investigations of harmful events, product defects or for product recalls.

- For health oversight activities authorized by law.

- For procurement, banking or transplantation of organs, eyes or tissue.
- When permitted, to be released to government agencies for protection of the U.S. president.

We must obtain your written permission to use or disclose your PHI if one of these reasons doesn’t apply. If you give us written permission, then change your mind, you may cancel your written permission anytime. Cancellation of your permission will not apply to any information we’ve already disclosed.

We may ask you to complete a form when you make a request.
Other uses and disclosures of PHI

- We may release your PHI to a friend, family member or other individual who is authorized by law to act on your behalf. For example, parents may obtain information about their children covered by HAP, even if the parent isn’t covered by HAP.

- We may use or share your PHI with an employee benefit plan through which you receive health benefits. Generally, information will only be shared when it’s needed by the employer or plan sponsor to administer your health benefit plan. Except for enrollment information or summary health information and as otherwise required by law, we will not share your PHI with an employer or plan sponsor unless the employer or plan sponsor has provided us with written assurances that the information will be kept confidential and won’t be used for an improper purpose.

- We may give a limited amount of PHI to someone who helps pay for your care. For example, if your spouse contacts us about a claim, we may tell him or her whether the claim has been paid.

- We may use your PHI so that we can contact you, either by phone or by U.S. mail, to conduct surveys, such as our annual member satisfaction survey.

- In certain extraordinary circumstances, such as a medical emergency, we may release your PHI as necessary to a friend or family member who is involved in your care if we determine that the release of information is in your best interest. For example, if you have a medical emergency in a foreign country and are unable to contact us directly, we may speak with a friend or family member who is acting on your behalf.

Organized health care arrangement

HAP and its affiliates covered by this Notice of Privacy Practices participate together with Henry Ford Health System and its listed affiliates in an organized health care arrangement. The goal is to improve the quality and efficient delivery of your health care and to participate in applicable quality measure programs, such as HEDIS.

The entities that comprise the HFHS organized health arrangement are:

- HAP
- Alliance Health and Life Insurance Company
- HAP Midwest Health Plan, Inc.
- HAP Preferred, Inc.
- Henry Ford Health System

The Henry Ford organized health care arrangement permits these separate legal entities, including HAP and its affiliates, to share PHI with each other as necessary to carry out permissible treatment, payment or health care operations relating to the organized health care arrangement – unless otherwise limited by law, rule or regulation.

This list of entities may be updated to apply to new entities. You can access the most current list at hap.org/privacy or call us at (800) 422-4641. When required, we will provide you with appropriate notice of purchase or affiliation in a revised Notice of Privacy Practices.
Your rights
These are your rights with respect to your member information. If you would like to exercise any of these rights, contact us as described in the “Who to Contact” section at the end of this document.

- You have the right to ask us to restrict how we use or disclose your PHI for treatment, payment or health care operations. You also have the right to ask us to restrict PHI that we’ve been asked to give to family members or to others who are involved in your health care or payment for your health care. We are not required to agree to these additional restrictions. But if we do, we’ll abide by them – except as needed for emergency treatment or as required by law – unless we notify you that we are terminating our agreement.

- You have the right to ask that we send communications with PHI confidentially. If you believe that you would be harmed if we send your PHI to your current mailing address (for example, in situations involving domestic disputes or violence), you can ask us to send the information by alternate means. We can send it by fax or to an alternate address. We will try to accommodate reasonable requests.

- You have the right to inspect and obtain a copy of PHI that we maintain about you. With certain exceptions, you have the right to look at or receive a copy of your PHI contained in the group of records used by or for us to make decisions about you. This includes our enrollment, payment, claims adjudication and case or medical management notes. If we deny your request for access, we’ll tell you the basis for our decision and whether you have a right to further review. We may require you to complete a form to obtain this information and may charge you a fee for copies. We’ll inform you in advance of any fee and provide you with an opportunity to withdraw or modify your request.

- If you request and are given access to a set of records with PHI, you have the right to ask us to amend the PHI. If we deny your request to amend them, we’ll provide you with a written explanation. If you disagree, you may have a statement of your disagreement placed in our records. If we accept your request to amend the information, we’ll make reasonable efforts to inform others of the amendment, including individuals you name. We require that the information you provide is accurate. We are unable to delete any part of a legal record, such as a claim submitted by your doctor.

- You have the right to receive an accounting of certain disclosures of your PHI made by us during the six years prior to your request. HAP is not required to provide you with an accounting of all disclosures we make. For example, we are not required to provide you with an accounting of PHI disclosed or used for treatment, payment and health care operations purposes – or information disclosed to you or pursuant to your authorization.

- Your first accounting in any 12-month period is free. However, if you request an additional accounting within 12 months of receiving your free accounting, we may charge you a fee. We’ll inform you in advance of the fee and provide you with an opportunity to withdraw or modify your request.

- You have the right to be informed of any data breaches that compromise your PHI. In the event of a breach of your unsecured PHI, we’ll provide you with notification of such a breach as required by law or in cases in which we deem it appropriate.

- You have a right to receive a paper copy of this notice upon request at any time.
Your request to exercise these member rights may require a written request.

Changes to the privacy statement
We reserve the right to make periodic changes to the contents of this notice. If we do make changes, the new notice will be effective for all PHI maintained by us. Once we make our revisions, we’ll provide the new notice to you by U.S. mail and post it on our website.
