- In cases of conflict between this summary and your Self-Funded Benefit Guide and Riders, the terms and conditions of the Self-Funded Benefit Guide and Riders will govern. This plan includes a network of health care providers through which services are covered at the In-Network level of benefits. If you receive covered services from a provider that is not part of the plan's network, they will be processed at the lower Out-of-Network benefit level.
- Elective hospital admissions require that AHLIC be notified prior to the admission. AHLIC must be notified within 48 hours of any emergency hospital admission. Failure to notify AHLIC could result in a reduction of benefits, or nonpayment.
- Some services require prior authorization. Failure to obtain prior authorization before services are received could result in a reduction or denial of benefits.
