

Empower Your Health Rewards Program

Your health and well-being are vital to us. To help you stay healthy, we'll reward you for checkups and screenings. You must be a HAP Empowered MI Health Link member on the date of service to earn gift cards. To get **Women's health screenings and diabetes rewards**, services must be:

- Recommended by your doctor
- Supported by medical guidelines
- Documented in your medical record
- Done between Jan. 1 and Dec. 31, 2021

Medical services:

Service	Requirements for reward	Gift card amount
Women's health screenings		
Breast cancer screening (mammogram screening)	Women ages 50-74 have a mammogram at least once every 2 years	\$15
Diabetes		
A1c test	Members ages 18-75 with diabetes get their A1c checked each year	\$15

To learn more, call **(888) 654-0706 (TTY: 711)**, 8 a.m. to 8 p.m., seven days a week.

Pharmacy services: Another important service is a Medication Review. HAP clinical pharmacists are on hand to review your medications with you. It's a free service that makes sure you're using needed medications to manage your health conditions in a safe way.

Service	Requirements for reward	Gift card amount
Pharmacy		
Medication Review	Members 21 years and older review all medications with their HAP clinical pharmacist each year	\$15

How to get your **FREE** Medication Review:

- During your Annual Health Risk Assessment, your HAP case manager will offer you the chance for a Medication Review.
- When you agree, a pharmacy team member will reach out to schedule a call at a time best for you.
- After you complete your Medication Review with a HAP clinical pharmacist, you'll be eligible for a \$15 gift card. If you meet the requirements list in the chart above, HAP will process your reward.

To learn more about a Medication Review or need to schedule your annual review, call our Pharmacy team at **(313) 664-8615 (TTY: 711)**, 8 a.m. to 5 p.m., Monday through Friday.

To learn more about the incentive and its status, call Customer Service at **(888) 654-0706 (TTY: 711)**, 8 a.m. to 8 p.m., seven days a week.

Gift card rewards form

To get your reward, have your doctor fill out this form. You or your doctor can mail or fax it to:
