If you selected a plan with a health savings account, or HSA, please fill out the authorization form on the following page. Otherwise, do not fill out this form.

Request for a health savings account

(For HAP Personal Alliance HMO 3000 HSA, PPO 3000 HSA, HMO 6900 HSA and PPO 6900 HSA)

Authorization form

HAP recommends that you consider establishing a health savings account, or HSA, to maximize the benefits of your HAP high deductible health plan. While you may open an HSA with any institution of your choice, we have arranged for you to be able to establish your high deductible health plan and initiate the process of opening an HSA with BenefitWallet™* – all in one easy step.

Please complete this form to let us know if you intend to open an HSA with BenefitWallet by providing the authorization as noted below. HAP will notify BenefitWallet once your high deductible health plan is activated to let them know to initiate the process of opening an HSA for you.

BenefitWallet will then send you a welcome kit which includes: information about the HSA, account terms and conditions and a signature card that you will need to sign and return to BenefitWallet.

Eligibility for an HSA is determined by federal law. It is your responsibility to ensure that you are eligible.

To be eligible for an HSA account, you must meet the following criteria:

- You must not be covered by any other health insurance (other than another qualified high deductible health plan), including coverage through the Canada Health Act
- You must not be eligible or claimed on another person's tax return
- You must not be enrolled in Medicare

Note: Other health insurance generally disqualifies you from HSA eligibility but special rules apply if you've received health care from Veteran's Affairs or Indian Health Services.

This form is not required as part of your application for a high deductible health plan.

☐ Yes, I am interested in setting up a health savings account (HSA). Please have BenefitWallet send me an HSA welcome kit and initiate the process of opening an HSA for me.**

I authorize HAP to provide BenefitWallet with information required to establish my HSA, including my name, address and Social Security number once my high deductible health plan is activated.

I understand that:

- The information described above is required by BenefitWallet to establish an HSA and is considered protected health information, or PHI, pursuant to the Health Insurance Portability and Accountability Act of 1996 (known as HIPAA).
- In the event that a high deductible health plan is not activated in my name, HAP will not provide BenefitWallet with this information and this authorization will expire.
- This authorization is voluntary.
- Payment, enrollment or eligibility for my health care coverage will not be affected if I do not sign this form or open an HSA.
- I may revoke this authorization at any time before a BenefitWallet HSA is established for me by notifying HAP by email at **yourhap@hap.org**. If I do revoke this authorization, it will not have any effect on any information received or actions HAP or BenefitWallet took before they received the revocation.
- Information disclosed as a result of this authorization may no longer be protected by federal privacy laws and may be disclosed by the company or individual receiving the information.
- I should retain a copy of this authorization.

☐ I do not plan on establishing an HSA at this time.

*The choice of an institution that offers HSAs is solely your choice and HAP will honor your relationship with the institution you choose. HAP does not provide financial services, but solely to arrange for the provision of offering health care services and to make payments to providers for covered services received by you under your health plan. HAP is not in any event liable for any act or omission of the institution providing your HSA or the agent or employee of such institution, including, but not limited to, the failure or refusal to render services to you.

HAP is not affiliated with or related to BenefitWallet. The relationship between HAP and BenefitWallet is that of independent contractors and BenefitWallet has no responsibility for the high deductible health plan or other insurance benefits provided by HAP.

**A BenefitWallet welcome kit will be sent once your high deductible health plan is activated. If this health plan is not approved and activated by HAP, you will not receive an HSA welcome kit.

Agreement and signature

By executing this application, all applicants understand, agree and represent all of the following without limitation:

1. We have read this application or it has been read to us and we understand its terms and conditions.
2. The answers are, to the best of our knowledge, true and complete.
3. In some instances, a follow-up telephone call or email may be required to verify information provided in this application.
4. We may be required to provide proof of eligibility (marriage, divorce, birth, adoption, loss or addition of other coverage, residency) satisfactory to HAP as a condition of acceptance of this application and the issuance of coverage. HAP must be notified of any of these events that might change an applicant's eligibility for coverage. Notice must be received within 30 days of the event in order to provide coverage, terminate coverage and/or adjust premiums. HAP must be notified within 30 days of any change in residency, name, address, email address or telephone number, eligibility or entitlement to Medicare or Medicaid, or the addition or change in any source of coverage or reimbursement for services related to an accident or injury to which we may be entitled. Failure to provide timely and complete notice of changes as noted above may result in a lapse in coverage and nonpayment of services. HAP is not responsible for a lapse in coverage when notice is not provided.
5. We have received and reviewed any state or federal required disclosures.
6. We do not have the authority to waive a complete answer to any question, determine coverage or insurability, alter any contract or waive any HAP requirement.
7. The coverage applied for is not an employer-sponsored group health plan and it does not comply with state and federal small employer or other contract laws.
8. We represent that no one applying for coverage is receiving any form of reimbursement or compensation for this coverage from any employer, other than a small employer, as allowed under federal law.
9. We are personally responsible for the premium payment associated with this coverage. We understand and agree that HAP does not accept premium payment from third parties, except from a spouse, or when appropriate, from a parent, legal guardian, agent or other person or entity that is specifically allowed by law to pay premium on our behalf.
10. If we currently have medical coverage through another company, we understand the benefits provided under this coverage may be reduced in accordance with the coordination of benefits provision in the coverage documents.
11. If this application for coverage is accepted, coverage will be effective on the date specified by HAP. We understand that acceptance of premium and fees do not ensure coverage.
12. If selected, we have provided authorization for automatic withdrawal from a specified bank account or credit card for premium payment and administrative fees.
13. Premiums already paid will be refunded if coverage is not issued.
14. Our answers to questions posed by this application are intentional representations of material facts and we understand that should those answers contain fraudulent or false information, coverage may be denied or subject to rescission if initially issued.
15. If coverage is rescinded, we understand and agree that we will be financially responsible for any medical claims expense incurred on our behalf and that HAP may offset any premiums to be returned to us by an amount not to exceed incurred claims expense.
16. Each applicant waives his or her right to receive a hard copy of their coverage documents and this application, but understand that he or she will be given a right to specifically request a hard copy of such documents if accepted for coverage. The applicants further waive any right they may have to claim that HAP may not raise issues concerning the accuracy of the statement contained in this application if he or she is not given a hard copy of this application.
17. We understand and agree that required legal notices and communication (including coverage documents, renewal notifications and other documents concerning coverage or rights under the contract or policy) may be delivered electronically to the email address designated and not through U.S. mail. We understand that we have the right to paper copies of any and all documents concerning this coverage at no cost and that this consent to electronic communication may be canceled at any time without charge. Cancellation of this consent

can be exercised and requests for paper copies can be sent to: Customer Service at 2850 W. Grand Blvd., Detroit, MI 48202. Updates to the email address can be sent to Customer Service. In order to obtain electronic documents from HAP's website, we recommend the use of commercially available web browsers. HAP's website contains documents in PDF format that may require Adobe Reader or other commercially available software to access.

18. Any applicants that do not meet the definition of spouse will be split into two contracts or policies. Dependents will remain with the primary applicant unless otherwise directed.
19. We attest that if not purchasing pediatric dental benefits from Delta Dental (through HAP), we will purchase (or have purchased) benefits from a certified, stand-alone dental carrier. HAP will rely upon my attestation in order to be reasonably assured that pediatric dental coverage will be purchased. Without this assurance, medical coverage will not be provided.
20. We can confirm that no one applying for medical coverage on this application is incarcerated, detained or jailed.
21. We understand that any person currently eligible for or enrolled in Medicare or any person currently incarcerated will not be covered under this contract/policy.
22. We understand that if accepted, the primary applicant will be set up as the subscriber. In the future, should the subscriber request to terminate their coverage, the spouse and/or dependent(s) can request to retain coverage under the existing contract or policy. HAP must be notified of this request at the time the subscriber's coverage is cancelled. We also understand that all agreements, signatures, and obligations agreed to in this application are binding and transfer to the subscriber listed on the adjusted contract or policy.
23. If coverage is issued, we understand and agree that the subscriber has the authority to cancel coverage and make coverage changes under the contract/policy with regards to adult dependents. HAP will notify adult dependents of any changes made.
24. If coverage is issued, we understand and agree that any adult dependent covered under the contract/policy has the authority to cancel their own coverage. HAP will notify the subscriber of any changes made by an adult dependent.

I understand that if the primary applicant or his or her spouse-dependent covered under a policy issued pursuant to this application moves out of a HAP service area, HAP will terminate coverage.

This document, together with any supplements or amendments, will form part of and be the basis for any coverage issued.

In order for your paper application to be processed, the HAP Sales team will enter the fully completed and signed paper application into our system. We will electronically sign the application and if applicable process payment on your behalf, but the paper application containing your signature will be the controlling legal document.
