

Instructions for Medicare Part D Drug and Vaccine Reimbursement

Purpose

This form is a tool to assist in getting you a response as soon as possible. Please print clearly. Use of the form is not required. You may submit equivalent written documentation, but it must provide all the requested information on this form. Please note that missing, incomplete or hard-to-read documentation can delay the successful processing of your request.

When to Use This Form

This form can be used to request reimbursement for any of the following Medicare Part D prescription drug benefits:

- Routine Prescriptions – You purchased a prescription without using your member ID card.
- Hospital Observation– You were admitted to the hospital for up to three days for an observation and you were not allowed to bring your daily drugs from home. During the observation, the only drugs covered by Medicare Part D are those that are administered because you take them on a regular basis (ex. daily) at home.
- Medicare Part D Vaccines – You purchased or had administered a Part D approved vaccine. Such as shingles.
 - If the vaccine was supplied and administered by your doctor or clinic, include the physician invoice.
 - If the vaccine was purchased from and administered by a pharmacy, include the prescription receipt.
 - If the vaccine was purchased from a pharmacy but administered by your doctor, include the prescription receipt from the pharmacy and the physician invoice from the doctor.
- Compound Prescriptions – You purchased a compound prescription without using your member ID card.
 - The easiest way to submit a request for a compound prescription is to request a receipt from the pharmacy that lists all the ingredients. The list should include the National Drug Code (NDC), metric quantity and cost for each ingredient. The pharmacy receipt should be submitted with your request.

Pharmacy Reimbursement Form

If you paid out of pocket for your drug or vaccine and didn't use your insurance, you may be able to get a refund. Use this form to submit your request for a refund.
