# HENRY FORD HEALTH®

## Pharmacy Services

A trusted  
partner for  
over 37  
years

## Expert care you can trust.

Services that you can rely on.

## Looking for prescription pick up? We have over 30 convenient Outpatient Community Pharmacy locations!

Henry Ford Health Outpatient Community Pharmacies support both your prescription and over-the-counter medication needs. Our experienced pharmacists collaborate with your health care providers to ensure the best path for you towards better health. Make us, your trusted health care partner.

### How it works

1. Ask your doctor during your visit to send your prescriptions to the Henry Ford on-site pharmacy

2. We process your prescriptions looking for the lowest costs

3. Your prescription is ready for pick up. A pharmacist is available for one-on-one counseling

4. Start your prescriptions after your appointment with **NO DELAY**

## Our services & resources are always available along your care journey.

- Most insurance plans accepted
- Research lowest out-of-pocket costs
- Up to a 90-day supply for many medications
- FREE medication flavoring at select locations
- Fabulous prices on many over-the-counter medications
- One-on-one pharmacist consultations
- Curbside pick-up at many locations
- Auto refills for many medications through our mobile app
- Assist in prescription renewals
- Services for patients with visual and reading impairments (ScripTalk & ScriptView)
- Easy-to-use mobile app and website
- Bilingual interpreters and RELAY/TTY

### Easy Prescription Transfers!

Do you have additional prescriptions filled at a non-Henry Ford Pharmacy? Simply inform us, and our expert team will take care of the entire process, ensuring a smooth transition for you!

Looking for convenient **FREE** home delivery? We have the solution for you!

## Experience the **advantage** of Pharmacy Advantage - Your Henry Ford specialty pharmacy

Pharmacy Advantage is a specialty and free home delivery pharmacy serving patients across the country with experience in managing complex medication therapies for acute and chronic conditions.

### How it works

1. We receive your prescription

2. Our team works with your insurance & doctor for medication approval

3. We research sources to lower your costs

4. Our team introduces you to our ongoing services & resources

5. You receive **FREE** delivery for **ALL** medications

Providing exceptional care to meet your treatment goals.

- Most insurance plans accepted
- Work with insurance for medication approvals
- Research lowest out-of-pocket costs
- Up to a 90-day supply for many medications
- **FREE** home delivery across the US
- Counseling & side effect management
- Assist in prescription renewals
- Refill reminders and auto refills available for select medications
- 24/7 urgent access to a pharmacist
- Easy-to-use mobile app and website

Do you have trouble reading prescription medication labels? **ScriptTalk & ScriptView** are available at our Outpatient Community Pharmacies!

**ScriptTalk** allows prescription information to be read out loud through a FREE, hand-held device or FREE mobile app on your smartphone.

**ScriptView** dual-language and large print prescription labels make your prescription information easier to read.

Both ScriptTalk and ScriptView labels are available in **many languages**.

**ScriptTalk**

**ScriptView**

Ask your Henry Ford pharmacist how to get talking and/or large print prescription labels or call 877.575.6337 for more information.
