Paying your premium

For HAP Medicare Complete Duals (HMO D-SNP) and HAP Medicare Complete Assist (PPO D-SNP) members, Medicaid pays for your Part A premium (if you don't qualify for it automatically) and for your Part B premium. If Medicaid is not paying your Medicare premiums for you, you must continue to pay your Medicare premiums to remain a member of the plan. If you receive "Extra Help" from Medicare to pay for your prescription drugs, you will not pay a late enrollment penalty. If you ever lose your low income subsidy ("Extra Help"), you would be subject to the monthly Part D late enrollment penalty if you have ever gone without creditable prescription drug coverage for 63 days or more. If you are required to pay the Part D late enrollment penalty, the cost of the late enrollment penalty depends on how long you went without Part D or creditable prescription drug coverage.

People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If eligible, Medicare could pay for 75% or more of your drug costs, including monthly prescription drug premiums, annual deductibles and coinsurance. Additionally, those who qualify will not be subject to the coverage gap or a late enrollment penalty. Many people are eligible for these savings and don't even know it.

For more information about this Extra Help, contact your local Social Security office, or call Social Security at 1-800-772-1213. TTY users should call 1-800-325-0778. You can also apply for Extra Help online at www.socialsecurity.gov/prescriptionhelp.

If you qualify for Extra Help with your Medicare prescription drug coverage costs, Medicare will pay all or part of your plan premium. If Medicare pays only a portion of this premium, we will bill you for the amount that Medicare doesn't cover.
