Pre-Enrollment Checklist

HAP Medicare Complete Duals (HMO D-SNP)

HAP Medicare Complete Assist (PPO D-SNP)

Before making an enrollment decision, it is important that you fully understand our benefits and rules.

If you have any questions, you can call and speak to a customer service representative at:
(800) 848-4844 (TTY: 711)

April 1 through Sept. 30: Monday - Friday, 8 a.m. to 8 p.m.

Oct. 1 through March 31: seven days a week, 8 a.m. to 8 p.m.

Understanding the Benefits

- Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services that you routinely see a doctor. Visit hap.org/medicare or call **(800) 848-4844 (TTY: 711)** to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the List of Covered Drugs (Formulary). It tells you which Part D prescription drugs are covered under the Part D benefit. The formulary also tells you if there are any rules that restrict coverage for your drugs. To get the most complete and current information about which drugs are covered, visit hap.org/medicare or call Customer Service at the phone number above.

Understanding Important Rules

- Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/coinsurance may change on January 1, 2025.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- These plans are dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.

HAP Medicare Complete Duals (HMO D-SNP) is a Medicare health plan with a Medicare contract and a contract with the Michigan Medicaid Program. Enrollment depends on contract renewal.

Which doctors, hospitals, and pharmacies can I use?

HAP Medicare Complete Assist (PPO D-SNP) and **HAP Medicare Complete Duals (HMO D-SNP)** have a network of doctors, hospitals, pharmacies, and other providers. If you use the providers that are not in our network, the plan may not pay for these services.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

You can see our plan's provider and pharmacy directory at our website hap.providerlookuponlinesearch.com/search.

Or, call us and we will send you a copy of the provider and pharmacy directories.

What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers – and *more*.

- Our plan members get all of the benefits covered by Original Medicare. For Medicare covered benefits, you will pay less in our plan than you would in Original Medicare.

- Our plan members also get more than what is covered by Original Medicare. Some of the extra benefits are outlined in the booklet.
- HAP Medicare Complete Assist (PPO D-SNP) and HAP Medicare Complete Duals (HMO D-SNP) are Medicare health plans with Medicare contracts with the Michigan Medicaid Program. Enrollment depends on contract renewal.

We cover Part D drugs. In addition, we cover Part B drugs including chemotherapy and some drugs administered by your provider.

- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, <https://www.hap.org/medicare/member-resources/prescription-coverage/formulary-drug-list>.
- Or, call us and we will send you a copy of the formulary.

How will I determine my drug costs?

Our plan groups each medication into one of 5 "tiers." You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document we discuss the benefit stages that occur: Initial Coverage and Catastrophic Coverage.

If you have any questions about these plan's benefits or costs, please contact
