

Primary Care Physician Offices - We Need Your Help!

In the next few weeks, we will email our annual Provider Satisfaction Survey to randomly selected primary care physician offices. The purpose of this study is to get feedback on:

- HAP Empowered and its services
- Improving HAP Empowered services

Your time is valuable and so is your feedback! If you receive a survey, we encourage you to complete it. It takes about 15 minutes to complete online. Offices will also receive a paper copy of the survey that can be returned via mail or fax.
