

## **Submitting HCPCS Codes with an NDC on HAP Empowered Claims**

Professional and outpatient institutional claims submitted with a HCPCS code that is on our NDC Crosswalk must be submitted with an NDC or the whole claim will reject for missing NDC.

You can find our NDC Crosswalk and a list of HCPCS codes that require an NDC by:

- Logging in at **hap.org**
- Selecting *Procedure Reference Lists* under *Quick links*
- Selecting *Codes that require an NDC- HAP Empowered – Excel*

The line item will be rejected for invalid NDC for any NDC codes submitted that are not on our NDC Crosswalk.
