

## **Ensure Your Claims Get Paid - CHAMPS Enrollment Reminder**

Since January 2019, the Michigan Department of Health and Human Services has required all providers who serve Michigan Medicaid beneficiaries be screened and enrolled in the Community Health Automated Processing System. CHAMPS is the State of Michigan's Medicaid claims payment system.

You can easily confirm if you're enrolled in CHAMPS by checking the Provider Verification Tool [here](#). Providers without an active NPI enrolled in CHAMPS can expect the following:

- Claims payment issues
- Removal from our provider directory
- Contract status changes

To avoid delays in claims payment and your ability to see Medicaid members in Michigan, enroll in CHAMPS today. You can find registration information and other helpful resources on the MDHHS website [here](#).

Please allow 30 days after you enroll to resubmit denied claims.
