

Healthy Michigan Plan – Health Risk Assessment Assistance

Within 60 days of enrollment, Healthy Michigan Plan (HMP) members are encouraged to schedule an appointment with their primary care provider and complete an annual health risk assessment (HRA).

We offer a \$25 incentive for primary care physicians who complete and return the HMP HRA. This incentive payment is part of the Pay for Performance bonus program. To be eligible, PCPs must:

- Complete and sign the HRA
- Give the member a copy
- Fax the completed HRA to **(844) 225-4602**
- Bill with CPT code 96160

The Michigan Department of Health and Human Services has developed three short training videos:
