

## Medicaid PCMH Incentive Program

HAP Empowered recognizes the hard work needed to become a Patient Centered Medical Home (PCMH), and the positive outcomes associated with PCMH certification. In recognition of this achievement, we are rewarding PCMH primary care practices participating with HAP Empowered Medicaid with \$1.10 per member per month for the 2020 calendar year, paid out in one lump sum.

Below is an outline of the program.

### Reward

Provider practices can receive \$1.10 PMPM based on HAP Empowered Medicaid membership associated with the provider NPI list provided in the application.

### Eligibility requirements

Provider practices must have all of the following:

- A minimum of 50 HAP Empowered Medicaid members (25 for Federally Qualified Health Centers)
- A current PCMH certification through Blue Cross Blue Shield of Michigan, the National Committee for Quality Assurance (NCQA), Accreditation Association for Ambulatory Health Care (AAAHC), The Joint Commission (TJC) or URAC

### Federally Qualified Health Centers (FQHCs)

FQHCs with a minimum of 25 HAP Empowered Medicaid patients are eligible to apply and will receive a minimum payment of \$500.

### Next steps

To receive this incentive, provider practices or a representative provider organization must:

- Attest to PCMH certification
- Complete the 2020 HAP PCMH Incentive Provider List [template](#) based on their provider roster
- Complete the survey on their PCMH and telehealth capabilities
- Provide a brief description of how their PCMH incentive will be used to promote PCMH capabilities

The application is due December 7, 2020. To complete it, click [here](#).
