

See a doctor sooner with HAP Telehealth

Getting health care online has never been easier.

HAP Telehealth, powered by Amwell®, provides round-the-clock telehealth services. Doctors are now available 24/7 for live, online visits. Therapists are available evenings, weekends and holidays.

Doctors are always available

Not feeling well? Is your doctor's office closed? Too sick to leave home?

Use telehealth to see a doctor with your mobile phone, tablet or computer. Here are the benefits of using virtual services:

- Affordable, easy and convenient
- Doctors are licensed and board certified
- No appointment, short wait
- 24/7 access to medical care
- Online visits are secure

Can I use telehealth for behavioral health services?

The HAP Telehealth app, powered by Amwell®, enables you to schedule visits with a vast network of licensed behavioral health providers across all 50 states.

Frequently asked questions

What can doctors/therapists treat?

You can get treatment for nonemergency illnesses.

See doctors for conditions such as:

- Colds
- Rashes and sinus infections
- Flu
- Pink eye
- Headache
- Sprains and strains
- Behavioral health
- Other minor conditions

Using telehealth services for treatment of nonemergency illnesses can save you money compared to visiting the emergency room or urgent care.

Can medicines be prescribed?

If it's medically necessary, doctors can even prescribe certain medications.¹

What will I pay?

See your benefit summary for cost-share information for HAP Telehealth services. You are responsible for paying any copays. You can use a credit card, flexible spending account (FSA) card or a health savings account (HSA) card.

¹Based on current regulations.

HAP and its subsidiaries do not discriminate on the basis of race, color, national origin, disability, age, sex, gender identity, sexual orientation or health status in the administration of the plan, including enrollment and benefit determinations.

Health Alliance Plan (HAP) has partnered with Amwell to offer benefits to qualifying members.

PRO TIP:

Your FSA or HSA card can be utilized to pay for telehealth costs. Credit cards are also an acceptable form of payment.

Can I use telehealth services when I'm traveling?

Telehealth services are great when you're on the road for vacation or work. Telehealth services are available in all 50 states. Exclusions include U.S. territories like Puerto Rico and international locations. For a full list of where you can reach a doctor online, log in at haptelehealth.org.

Will information from my telehealth visit be shared with my primary care physician (PCP)?

HAP Telehealth won't send anything to your PCP. However, you'll receive a summary of your visit for your personal records, which can be shared with your PCP.

How do I give my spouse access to telehealth?

Your spouse should create a separate account to enroll.

How do I add a dependent to my account?

Parents and guardians can add children who are under age 18 to their account and have doctor visits on their behalf. Enroll yourself first and then add your child or dependent to your account.

What should I do if I have a child over 18 who is still on my health insurance?

They should enroll as an adult and create their own separate account.

Who should I contact if I need help setting up my account or have any questions?

If you have any other questions, please contact the Amwell support team at **(866) 884-0528** or HAPTelehealth@amwell.com.
