

Sign Up for the \$5 Access Pass

MoGo is a nonprofit, public bike sharing service that currently features a network of more than 650 bicycles at stations in 6 Metro Detroit cities. MoGo offers a variety of pass options, including the Access Pass, a \$5 Annual Pass for anyone who receives state benefits. Follow the steps below to sign up for your Access Pass today!

Step 1: Go to www.mogodetroit.org and click Sign Up in the top right corner.

Step 2: In the “Select a Pass” section, enter your 9-digit state-issued benefits case number, then select the button “Click here to validate.” If you don’t know your case number, it can be found on paperwork send by MDHHS, your case worker, or the MIBridges portal through your MDHHS case worker or the MI Bridges portal. The number on a bridge card or health card *will not* work.

- MoGo Card (wallet/purse)
- MoGo Fob (keychain)
- Neither, prefer to use the Transit App

Step 5: In the Payment Information section, choose “Pay with Cash” or “Pay with debit/credit card.” MoGo currently accepts cash payments via CashApp. Since HAP is providing the pass to you for free, you will not be charged \$5 for the pass. However, this pass provides an unlimited number of trips up to 60 minutes in duration for one year. To end a trip, it must be returned to a station and properly locked. Any trip that lasts longer than 60 minutes, will incur a charge of \$0.25 per minute until the bike is

returned. The payment method you enter here is what will be used to pay for those charges, if they ever occur.
