Your Health and Drug Coverage under HAP Empowered MI Health Link Medicare-Medicaid Plan

***Member Handbook* Introduction**

This handbook tells you about your coverage under HAP Empowered MI Health Link through December 31, 2022. It explains health care services, behavioral health coverage, prescription drug coverage, and long term supports and services. Long term supports and services help you stay at home instead of going to a nursing home or hospital. Key terms and their definitions appear in alphabetical order in the last chapter of the *Member Handbook*.

This is an important legal document. Please keep it in a safe place.

This plan is offered by HAP Empowered Health Plan, Inc. When this *Member Handbook* says “we,” “us,” or “our,” it means HAP Empowered Health Plan, Inc. When it says “the plan” or “our plan,” it means HAP Empowered MI Health Link.

You can get this document for free in other formats, such as large print or audio. Call 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free.

You may also make a standing request to get this document and other communications now and in the future, in a language other than English or in an alternate format. To make a standing request, please call 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. Your request will be kept on file, and you may always call the number above if you ever change your mind.

A. Welcome to HAP Empowered MI Health Link

HAP Empowered MI Health Link is a Medicare-Medicaid Plan. A Medicare-Medicaid Plan is an organization made up of doctors, hospitals, pharmacies, providers of long term supports and services, and other providers. It also has Care Coordinators and Care Teams to help you manage all your providers and services. They all work together to provide the care you need.

HAP Empowered MI Health Link was approved by the State of Michigan and the Centers for Medicare & Medicaid Services (CMS) to provide you services as part of the MI Health Link program.

MI Health Link is a program jointly run by Michigan and the federal government to provide better health care for people who have both Medicare and Michigan Medicaid. Under this program, the state and federal government want to test new ways to improve how you get your Medicare and Michigan Medicaid health care services.

B. Information about Medicare and Michigan Medicaid

B1. Medicare

Medicare is the federal health insurance program for the following people:

- people 65 years of age or older,
- some people under age 65 with certain disabilities, **and**
- people with end-stage renal disease (kidney failure).

B2. Michigan Medicaid

Michigan Medicaid is a program run by the federal government and the State of Michigan that helps people with limited incomes and resources pay for long term supports and services and medical costs. It also covers extra services and drugs not covered by Medicare. Each state has its own Medicaid program.

This means that each state decides:

- what counts as income and resources,
- who qualifies,
- what services are covered, **and**
- the cost for services.

States can decide how to run their own Medicaid programs, as long as they follow the federal rules.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

Medicare and the State of Michigan must approve HAP Empowered MI Health Link each year. You can get Medicare and Michigan Medicaid services through our plan as long as:

- you are eligible to participate,
- we choose to offer the plan, **and**
- Medicare and the State of Michigan approve the plan.

Even if our plan stops operating in the future, your eligibility for Medicare and Michigan Medicaid services will not be affected.

C. Advantages of this plan

You will now get all your covered Medicare and Michigan Medicaid services from HAP Empowered MI Health Link, including prescription drugs. **You do not pay extra to join this health plan.**

HAP Empowered MI Health Link will help make your Medicare and Michigan Medicaid benefits work better together and work better for you. Some of the advantages include:

- You will be able to work with **one** health plan for **all** of your health insurance needs.
- You will not pay a deductible or copay when you get services from a provider or pharmacy in our health plan's provider network. (You will be required to keep paying any monthly Freedom to Work program premium you have. If you have questions about the Freedom to Work program, contact your local Michigan Department of Health & Human Services (MDHHS) office. You can find contact information for your local MDHHS office by visiting www.michigan.gov/mdhhs/0,5885,7-339-73970_5461---,00)
- You will have your own Care Coordinator who will ask you about your health care needs and choices and work with you to create a personal care plan based on your goals. We call this person-centered planning.
- Your Care Coordinator will help you get what you need, when you need it. This person will answer your questions and make sure that your health care issues get the attention they deserve.
- If you qualify, you will have access to home and community-based supports and services to help you live independently.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

D. HAP Empowered MI Health Link's service area

Our service area includes these counties in Michigan:

- Wayne
- Macomb

Only people who live in our service area can get HAP Empowered MI Health Link.

If you move outside of our service area, you cannot stay in this plan. Refer to Chapter 8, for more information about the effects of moving out of our service area.

E. What makes you eligible to be a plan member

You are eligible for our plan as long as the following are true:

- you live in our service area, **and**
- you have Medicare Part A, Part B, and Part D, **and**
- you are eligible for full Michigan Medicaid benefits, **and**
- you are a United States citizen or are lawfully present in the United States, **and**
- you are not already enrolled in hospice, **and**
 - to learn more about the hospice benefit please look at Chapter 4 of the *Member Handbook*
- you are not enrolled in the MI Choice waiver program or the Program of All-inclusive Care for the Elderly (PACE). If you are enrolled in either of these programs, you need to disenroll before enrolling in the MI Health Link program through HAP Empowered MI Health Link.

F. What to expect when you first join a health plan

You will get a Level I Assessment within the first 60 days of joining our plan.

The Level I assessment is a broad assessment tool that is used to help HAP Empowered MI Health Link understand your current medical, behavioral health, and functional needs. It also helps us identify any risks or concerns you have and would like addressed. This assessment will help us decide if we need to assess you for other needs such as Long Term Supports and Services, Behavioral Health, Intellectual or Developmental Disability, and Substance Use Disorder.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

You will be contacted by a nurse or social worker who will be responsible for establishing an agreed upon appointment time and location for your Level 1 Assessment.

If HAP Empowered MI Health Link is new for you, you can keep getting services and using the doctors and other providers you use now for at least 90 days from your enrollment start date.

If you get services through the Habilitation Supports Waiver or the Specialty Services and Supports Program through the Prepaid Inpatient Health Plan (PIHP), you will be able to get services and use the doctors and providers you use now for up to 180 days from your enrollment start date. Your Care Coordinator will work with you to choose new providers and arrange services within this time period if your current provider is not part of HAP Empowered MI Health Link's provider network. Call HAP Empowered MI Health Link for information about nursing home services.

After 90 days, you will need to use doctors and other providers in the HAP Empowered MI Health Link network. A network provider is a provider who works with the health plan. Refer to Chapter 3 for more information on getting care.

G. Your care plan

Your care plan is the plan for what supports and services you will get and how you will get them.

After your Level I Assessment, your care team will meet with you to talk about what health services you need and want. Together, you and your care team will make a care plan.

Every year, your care team will work with you to update your care plan if the health services you need and want change.

H. HAP Empowered MI Health Link monthly plan premium

HAP Empowered MI Health Link does not have a monthly plan premium.

I. The *Member Handbook*

This *Member Handbook* is part of our contract with you. This means that we must follow all of the rules in this document. If you think we have done something that goes against these rules, you may be able to appeal, or challenge, our action. For information about how to appeal, refer to Chapter 9, or call 1-800-MEDICARE (1-800-633-4227).

You can ask for a *Member Handbook* by calling Customer Service at 1-888-654-0706 (TTY: 711). You can also refer to the *Member Handbook* at www.hap.org/mihealthlink or download it from this website.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

The contract is in effect for the months you are enrolled in HAP Empowered MI Health Link between January 1, 2022 and December 31, 2022.

J. Other information you will get from us

You should have already gotten a HAP Empowered MI Health Link Member ID Card, information about how to access a *Provider and Pharmacy Directory*, and information about how to access a *List of Covered Drugs*.

J1. Your HAP Empowered MI Health Link Member ID Card

Under our plan, you will have one card for your Medicare and Michigan Medicaid services, including long term supports and services and prescriptions. You must show this card when you get any services or prescriptions. Here's a sample card to show you what yours will look like:

If your card is damaged, lost, or stolen, call Customer Service right away and we will send you a new card.

As long as you are a member of our plan, you do not need to use your red, white, and blue Medicare card or your Michigan Medicaid card to get services. Keep those cards in a safe place in case you need them later. If you show your Medicare card instead of your HAP Empowered MI Health Link Member ID Card, the provider may bill Medicare instead of our plan, and you may get a bill. Refer to Chapter 7 to find out what to do if you get a bill from a provider.

J2. Provider and Pharmacy Directory

The *Provider and Pharmacy Directory* lists the providers and pharmacies in the HAP Empowered MI Health Link network. While you are a member of our plan, you must use network providers to get covered services. There are some exceptions when you first join our plan (refer to page 36).

You can ask for a *Provider and Pharmacy Directory* by calling Customer Service at 1-888-654-0706 (TTY: 711), seven days a week, 8 a.m. to 8 p.m. You can also refer to the *Provider and*

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

Pharmacy Directory at www.hap.org/mihealthlink. Our provider and pharmacy networks have changed for 2022. We strongly encourage you to **review our current Provider and Pharmacy Directory** to find out if your providers or pharmacy are still in our network. Both Customer Service and the website can give you the most up-to-date information about changes in our network providers and pharmacies including, but not limited to:

- Provider Specialty
- Hours of Operations
- Board Certification
- Accepting or not accepting new patients
- Age restrictions
- Languages spoken
- Hospital affiliations
- Pharmacy Location

Definition of network providers

- HAP Empowered MI Health Link’s network providers include:
 - Doctors, nurse practitioners, psychologists, hearing, dental, or vision specialists, nurses, pharmacists, therapists, and other health care professionals that you can use as a member of our plan;
 - Clinics, hospitals, nursing facilities, and other places that provide health services in our plan; **and**
 - Home health agencies, durable medical equipment suppliers, and others who provide goods and services that you get through Medicare or Michigan Medicaid.

Network providers have agreed to accept payment from our plan for covered services as payment in full.

Definition of network pharmacies

- Network pharmacies are pharmacies (drug stores) that have agreed to fill prescriptions for our plan members. Use the *Provider and Pharmacy Directory* to find the network pharmacy you want to use.
- Except during an emergency, you must fill your prescriptions at one of our network pharmacies if you want our plan to pay for them.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

Call Customer Service at 1-888-654-0706 (TTY: 711), seven days a week, 8 a.m. to 8 p.m. for more information. Both Customer Service and HAP Empowered MI Health Link's website can give you the most up-to-date information about changes in our network pharmacies and providers.

J3. List of Covered Drugs

The plan has a *List of Covered Drugs*. We call it the “Drug List” for short. It tells which prescription drugs and over-the-counter drugs are covered by HAP Empowered MI Health Link.

The Drug List also tells you if there are any rules or restrictions on any drugs, such as a limit on the amount you can get. Refer to Chapter 5 for more information on these rules and restrictions.

Each year, we will send you information about how to access the Drug List, but some changes may occur during the year. To get the most up-to-date information about which drugs are covered, visit www.hap.org/mihealthlink or call 1-888-654-0706 (TTY: 711), seven days a week, 8 a.m. to 8 p.m.

J4. The Explanation of Benefits

When you use your Part D prescription drug benefits, we will send you a summary to help you understand and keep track of payments for your Part D prescription drugs. This summary is called the *Explanation of Benefits* (or EOB).

The EOB tells you the total amount you or others on your behalf have spent on your Part D prescription drugs and the total amount we have paid for each of your Part D prescription drugs during the month. The EOB has more information about the drugs you take. Chapter 6 gives more information about the EOB and how it can help you keep track of your drug coverage.

An EOB is also available when you ask for one. To get a copy, contact Customer Service.

K. How to keep your membership record up to date

You can keep your membership record up to date by letting us know when your information changes.

The plan's network providers and pharmacies need to have the right information about you. **They use your membership record to know what services and drugs you get and how much it will cost you.** Because of this, it is very important that you help us keep your information up-to-date.

Let us know the following:

- Changes to your name, your address, or your phone number

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

- Changes in any other health insurance coverage, such as from your employer, your spouse's employer or your domestic partner's employer, or workers' compensation
- Any liability claims, such as claims from an automobile accident
- Admission to a nursing home or hospital
- Care in an out-of-area or out-of-network hospital or emergency room
- Changes in who your caregiver (or anyone responsible for you) is
- You are part of or become part of a clinical research study

If any information changes, please let us know by calling Customer Service at 1-888-654-0706 (TTY: 711), seven days a week, 8 a.m. to 8 p.m.

K1. Privacy of personal health information (PHI)

The information in your membership record may include personal health information (PHI). Laws require that we keep your PHI private. We make sure that your PHI is protected. For more information about how we protect your PHI, refer to Chapter 8.

Chapter 2: Important phone numbers and resources

Introduction

This chapter gives you contact information for important resources that can help you answer your questions about HAP Empowered MI Health Link and your health care benefits. You can also use this chapter to get information about how to contact your Care Coordinator and others that can advocate on your behalf. Key terms and their definitions appear in alphabetical order in the last chapter of the *Member Handbook*.

A. How to contact your Care Coordinator

A Care Coordinator is a health professional who will help you get care and services that affect your health and wellbeing. You are assigned a Care Coordinator when you enroll with HAP Empowered MI Health Link. Your Care Coordinator will get to know you and will work with you, your doctors, and other care givers to make sure everything is working together for you. You can share your health history with your Care Coordinator and set goals for healthy living. Whenever you have a question or a problem about your health or services or care you are getting from us, you can call your Care Coordinator. **Your Care Coordinator is your “go-to” person** for HAP Empowered MI Health Link.

Our goal in HAP Empowered MI Health Link is to meet your needs in a way that works for you. This is why we call our program “person-centered.” The person-centered planning process is when you work with your Care Coordinator to create a care plan that is about **your** goals, choices, and abilities. When you create your care plan, you are welcome to involve people you feel are key to your success, such as family members, friends, or legal representatives.

A. Information about “services,” “covered services,” “providers,” and “network providers”

Services are health care, long term supports and services, supplies, behavioral health, prescription and over-the-counter drugs, equipment and other services. Covered services are any of these services that our plan pays for. Covered health care and long term supports and services are listed in the Benefits Chart in Chapter 4.

Providers are doctors, nurses, dentists, eye doctors, hearing specialists, and other people who give you services and care. The term providers also includes hospitals, home health agencies, clinics, and other places that give you health care services, medical equipment, and long term supports and services.

Network providers are providers who work with the health plan. These providers have agreed to accept our payment as full payment. Network providers bill us directly for care they give you. When you use a network provider, you will pay nothing for covered services. Network providers may be found at www.hap.org/medicare. Here you will find additional information about the providers such as:

- Name
- Address
- Telephone number(s)
- Professional qualifications
- Specialty
- Medical school attended
- Residency completion
- Board certification status

B. Rules for getting your health care, behavioral health, and long term supports and services (LTSS) covered by the plan

HAP Empowered MI Health Link covers all services covered by Medicare and Michigan Medicaid. This includes behavioral health services, long term support and services, and prescription drugs.

HAP Empowered MI Health Link will generally pay for the health care and other supports and services you get if you follow the plan rules. The only exceptions are that you pay any Patient Pay Amount (PPA) you have for nursing facility services as determined by the local Department

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

of Health and Human Services or any Freedom to Work program premium you have. If you have questions about the Freedom to Work program, contact your local Michigan Department of Health & Human Services (MDHHS) office. You can find contact information for your local MDHHS office by visiting www.michigan.gov/mdhhs/0,5885,7-339-73970_5461---,00.

To be covered by our plan:

- The care you get must be a **plan benefit**. This means that it must be included in the plan's Benefits Chart. (The chart is in Chapter 4 of this handbook).
- The care must be **medically necessary**. Medically necessary means you need services to prevent, diagnose, or treat your medical condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing home. It also means the services, supplies, or drugs meet accepted standards of medical practice.
- You must have a network **primary care provider (PCP)** who has ordered the care or has told you to use another doctor. As a plan member, you must choose a network provider to be your PCP.
 - In most cases, your network PCP must give you approval before you can use someone that is not your PCP or use other providers in the plan's network. This is called a **referral**. If you don't get approval, HAP Empowered MI Health Link may not cover the services. You don't need a referral for certain specialists, such as women's health specialists. To learn more about referrals, refer to page 36.
 - You do not need a referral from your PCP for emergency care or urgently needed care or for a woman's health provider. You can get other kinds of care without having a referral from your PCP. To learn more about this, refer to page 33.
 - To learn more about choosing a PCP, see page 32.
- **You must get your care from network providers**. Usually, the plan will not cover care from a provider who does not work with the health plan. Here are some cases when this rule does not apply:
 - The plan covers emergency or urgently needed care from an out-of-network provider. To learn more and find out what emergency or urgently needed care means, refer to Section I, page 38.
 - If you need care that our plan covers and our network providers cannot give it to you, you can get the care from an out-of-network provider. Authorization should be obtained from the plan prior to seeking this type of care. In this

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

situation, we will cover the care as if you got it from a network provider. To learn about getting approval for an out-of-network provider, refer to Section D, page 32.

- The plan covers kidney dialysis services when you are outside the plan's service area for a short time. You can get these services at a Medicare-certified dialysis facility.
- When you first join the plan, you can keep getting services and using the doctors and other providers you use now for at least 90 days from your enrollment start date. If you get services through the Habilitation Supports Waiver or the Specialty Services and Supports Program through the Prepaid Inpatient Health Plan (PIHP), you will be able to get services and use the doctors and providers you use now for up to 180 days from your enrollment start date. Your Care Coordinator will work with you to choose new providers and arrange services within this time period. Call HAP Empowered MI Health Link for information about nursing home services.

C. Information about your Care Coordinator

C1. What a Care Coordinator is

A Care Coordinator is a person who will work with you to help you get the Medicare and Michigan Medicaid covered supports and services you need and want.

Care Coordination is a process used to assist you in accessing Medicare and Medicaid services, as well as social, educational, and other support services, regardless of the funding source for the services. Upon enrolling, you are assigned a Care Coordinator to assist with your care needs.

We use a person-centered approach to coordinate care for our members. The person-centered approach is a process for planning and supporting a member receiving services that builds on your desire to engage in activities that promote community life and that honor your preferences, choices, and abilities. The Person-Centered Planning Process is led by you and involves people you feel are important to your success such as family members, friends, or legal representatives.

C2. How you can contact your Care Coordinator

You can reach your Care Coordinator at 1-888-654-0706 (TTY: 711), seven days a week, 8 a.m. to 8 p.m.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

C3. How you can change your Care Coordinator

If you decide at any time that you'd like to change your Care Coordinator, you can do so by simply requesting this through the manager of our Case Management Department. You can call Customer Service at 1-888-654-0706 (TTY: 711), seven days a week, 8 a.m. to 8 p.m. to start the process.

D. Care from primary care providers, specialists, other network providers, and out-of-network providers

D1. Care from a primary care provider

You must choose a primary care provider (PCP) to provide and manage your care.

Definition of "PCP," and what does the PCP do for you

What a PCP is

Generally, a PCP is defined as a member's main health care provider in a non-emergency situation. PCPs are primarily family practitioners or internal medicine practitioners.

The role of a PCP is:

- Coordinating covered services
- Making decisions about or obtaining prior authorization, if applicable

Your choice of PCP

You can get services from any provider who is in our network and accepting new members.

First, you should choose a Primary Care Provider.

If you want help in choosing a PCP, please call Customer Service at 1-888-654-0706 (TTY: 711), seven days a week, 8 a.m. to 8 p.m. The call is free. Or, visit www.hap.org/mihealthlink.

Option to change your PCP

You may change your PCP for any reason, at any time. Also, it's possible that your PCP might leave our plan's network. We can help you find a new PCP if the one that you have now leaves our network.

To change your PCP, contact our Customer Service at 1-888-654-0706 (TTY: 711), seven days a week, 8 a.m. to 8 p.m. The representative you speak to can assist you in

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

choosing a new provider or you can choose your own by accessing the member portal at www.hap.org/emp/hap-empowered/mi-health-link.

When you change your PCP, it will take effect immediately.

Services you can get without first getting approval from your PCP

In most cases, you will need approval from your PCP before using other providers. This approval is called a referral. You can get services like the ones listed below without first getting approval from your PCP:

- Emergency services from network providers or out-of-network providers.
- Urgently needed care from network providers.
- Urgently needed care from out-of-network providers when you can't get to network providers (for example, when you are outside the plan's service area).
- Kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area. Please call Customer Service before you leave the service area. We can help you get dialysis while you are away.
- Flu shots and COVID-19 vaccinations as well as hepatitis B vaccinations, and pneumonia vaccinations as long as you get them from a network provider.
- Routine women's health care and family planning services. This includes breast exams, screening mammograms (x-rays of the breast), Pap tests, and pelvic exams as long as you get them from a network provider.
- Additionally, if you are eligible to get services from Indian health providers, you may use these providers without a referral.

D2. Care from specialists and other network providers

A specialist is a doctor who provides health care for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:

- Oncologists care for patients with cancer.
- Cardiologists care for patients with heart problems.
- Orthopedists care for patients with bone, joint, or muscle problems.

Your PCP can refer you to any in-network physician to receive services. Out-of-network referrals are approved on a limited, case-by-case basis.

Prior Authorization means that you must get approval from the plan before getting a specific service or drug or seeing an out-of-network provider.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

If you are new to the plan, we honor all services that were authorized prior to the enrollment date for 90 calendar days after enrollment and will not terminate services at the end of the 90 days without advanced notice. We will help transition to other services as needed.

We use medical necessity criteria in making decisions on procedures requiring prior authorization. The review criteria are applied consistently when making prior authorization decisions, and the reviewer consults with your provider to obtain additional information or clarification, if needed. Prior authorization reviews are made by professionals with appropriate expertise regarding the services under review. Specific timelines are followed when considering prior authorizations.

Members and providers can access our website at www.hap.org/mihealthlink to view services that require prior authorization.

Prior authorizations for current members are requested by your PCP. All services requiring a prior authorization can be found using the Benefits Chart in Chapter 4 of this handbook.

D3. What to do when a provider leaves our plan

A network provider you are using might leave our plan. If one of your providers does leave our plan, you have certain rights and protections that are summarized below:

- Even though our network of providers may change during the year, we must give you uninterrupted access to qualified providers.
- We will make a good faith effort to give you at least 30 days' notice so that you have time to select a new provider.
- We will help you select a new qualified provider to continue managing your health care needs.
- If you are undergoing medical treatment, you have the right to ask, and we will work with you to ensure, that the medically necessary treatment you are getting is not interrupted.
- If you believe we have not replaced your previous provider with a qualified provider or that your care is not being appropriately managed, you have the right to file an appeal of our decision.

If you find out one of your providers is leaving our plan, please contact us so we can assist you in finding a new provider and managing your care. Contact Customer Service at 1-888-654-0706 (TTY: 711), seven days a week, 8 a.m. to 8 p.m. The call is free. For more information, visit www.hap.org/mihealthlink.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

Assessing new medical developments

Health care is a constantly evolving field. We review new treatments, tests, drugs, and technology so you get the best medical care possible. We make changes to our benefits and coverage when new developments will benefit our members.

Evaluation process

The medical policy team reviews all available information and seeks opinions from experts in the field. We then determine if the new medical development could be beneficial to our members. Our Benefit Advisory Committee reviews the medical policy team's recommendations to decide if it will become a new medical benefit. All medical benefit policy rulings are reviewed and finalized by medical professionals.

Our pledge to members

We continually strive to ensure that you get the right care at the right time and in the appropriate setting. All decisions are based on whether care and service are appropriate and covered. We don't reward practitioners or review team members for issuing denials of coverage or service. And we don't offer financial incentives to encourage underuse of covered services.

Utilization questions

If you have any questions about these review processes, please call the appropriate number below. If you are deaf, hard of hearing, or unable to speak, dial 711 for TTY service. If needed, we can call on your behalf or connect you with other departments to get your questions answered. After business hours, please leave a message. We will return your call the next business day unless it's a medically urgent matter.

Admissions Team

For admissions, transfers, inpatient review, skilled nursing facilities and rehabilitation services, call 1-313-664-8833, Monday through Friday, 8 a.m. to 5 p.m. All other calls will be addressed the next business day.

Referral Team

For outpatient referrals and services such as durable medical equipment, home care, home infusion, and end-of-life care, call 1-313-664-8950, Monday through Friday, 8 a.m. to 4:30 p.m.

Transition from pediatric care to adult care

When your child reaches age 18, it's time to start thinking about transitioning from a pediatrician to an adult provider for medical care. If you would like help selecting a doctor for your young adult, contact Customer Service.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

D4. How to get care from out-of-network providers

HAP Empowered MI Health Link has formed a robust and comprehensive network of doctors, specialists, and hospitals. In most situations, you can only use doctors who are part of our network. The health providers in our network can change at any time. You can call Customer Service at 1-888-654-0706 (TTY: 711), seven days a week, 8 a.m. to 8 p.m. Or you may refer to the provider directory found on our website at www.hap.org/mihealthlink for the most up-to-date list of network providers.

If your PCP refers you to a type of specialist that is not in our network, the PCP must contact HAP Empowered MI Health Link to obtain prior authorization. The PCP will then give you a referral to see that specialist. If you see a specialist that is not in our network, and you do so without a referral and prior authorization from the plan, you will be responsible for paying the costs for those visits and services. If you have any questions about seeing out-of-network providers, contact Customer Service at 1-888-654-0706 (TTY: 711), seven days a week, 8 a.m. to 8 p.m.

- If you use an out-of-network provider, the provider must be eligible to participate in Medicare and/or Michigan Medicaid.
- We cannot pay a provider who is not eligible to participate in Medicare and/or Michigan Medicaid.
- If you use a provider who is not eligible to participate in Medicare, you must pay the full cost of the services you get.
- Providers must tell you if they are not eligible to participate in Medicare.

E. How to get long term supports and services (LTSS)

Long Term Supports and Services (LTSS) are available for elderly individuals and/or individuals with disabilities who meet specific conditions. To determine eligibility for LTSS, you must participate in the completion of a Level 1 Assessment of your medical, behavioral health, psychosocial, and LTSS needs. The Level 1 Assessment is completed by a Care Coordinator and can be done in person or by telephone. How the assessment is completed is usually determined by the plan. Your HAP Empowered MI Health Link Care Coordinator will refer you for an in-home Level 2 Assessment if the Level 1 Assessment identifies needs that may qualify for LTSS. You must complete the Level 2 Assessment, so that we can identify your needs and determine possible services that you may qualify to receive. The Level 1 and Level 2 Assessments are required for you to receive LTSS.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

F. How to get behavioral health services

PIHP stands for Prepaid Inpatient Health Plan. The PIHP is an organization that the Michigan Department of Community Health contracts with to administer the community mental health services in our state. MI Health Link behavioral health and substance use services are coordinated with HAP Empowered MI Health Link and Wayne or Macomb Community Mental Health. This benefit is for any HAP Empowered MI Health Link enrollee with a need to access behavioral health, intellectual/developmental disabilities services and supports, or substance use service. The PIHP Access Center provides telephone screening and helps you with scheduling an appointment at a clinic near you. You will still have your HAP Empowered MI Health Link Care Coordinator, but you will have the added benefit of working directly with a specialist from the PIHP.

You can call HAP Empowered MI Health Link Customer Service at 1-888-654-0706 (TTY: 711), seven days a week, 8 a.m. to 8 p.m. The representative you speak to can assist you in contacting the PIHP to begin accessing this benefit.

G. How to participate in self-determination arrangements

G1. What arrangements that support self-determination are

Self-determination is an option available to enrollees getting services through the MI Health Link HCBS home and community-based waiver program. It is a process that allows you to design and exercise control over your own life.

- This includes managing a fixed amount of dollars to cover your authorized supports and services. Often, this is referred to as an “individual budget.”
- If you choose to do so, you would also have control over the hiring and management of providers.

G2. Who can get arrangements that support self-determination

Arrangements that support self-determination are available for enrollees who get services through the home and community-based services waiver program called MI Health Link HCBS.

G3. How to get help in employing providers

You may work with your Care Coordinator to get help employing providers.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

H. How to get transportation services

Prearranged, non-urgent transportation will be provided on an as-needed basis to accommodate the needs of our members. Contact Customer Service two (2) business days prior to the requested date of transportation to make arrangements. Our number is 1-888-654-0706 (TTY:711), seven days a week, 8 a.m. to 8 p.m. We ask that you have as much information as possible on hand including, but not limited to, the name and address of the location you need transportation to, time of arrival, and time of departure requested.

Members who call our Customer Service area for transportation can be assisted in a variety of ways:

- Bus, taxi, van, or medical transport arrangements
- Mileage reimbursement
- Car or wheelchair lift transportation

No referral or preauthorization is required for this service, but the service must be arranged through Customer Service.

I. How to get covered services when you have a medical emergency or urgent need for care, or during a disaster

I1. Care when you have a medical emergency

Definition of a medical emergency

A medical emergency is a medical condition with symptoms such as severe pain or serious injury. The condition is so serious that, if it doesn't get immediate medical attention, you or anyone with an average knowledge of health and medicine could expect it to result in:

- serious risk to your health or to that of your unborn child; **or**
- serious harm to bodily functions; **or**
- serious dysfunction of any bodily organ or part; **or**
- in the case of a pregnant woman in active labor, when:
 - there is not enough time to safely transfer you to another hospital before delivery.
 - a transfer to another hospital may pose a threat to your health or safety or to that of your unborn child.

What to do if you have a medical emergency

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

If you have a medical emergency:

- **Get help as fast as possible.** Call 911 or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You do not need to get approval or a referral first from your PCP.
- **As soon as possible, make sure that you tell our plan about your emergency.** We need to follow-up on your emergency care. You or someone else, such as your Care Coordinator, should call to tell us about your emergency care, usually within 48 hours. However, you will not have to pay for emergency services because of a delay in telling us. Check the back of your Member ID card for the appropriate contact number.

Covered services in a medical emergency

You may get covered emergency care whenever you need it, anywhere in the United States or its territories. If you need an ambulance to get to the emergency room, our plan covers that. To learn more, refer to the Benefits Chart in Chapter 4.

If you have an emergency, we will talk with the doctors who give you emergency care. Those doctors will tell us when your medical emergency is over.

After the emergency is over, you may need follow-up care to be sure you get better. Your follow-up care will be covered by our plan. If you get your emergency care from out-of-network providers, we will try to get network providers to take over your care as soon as possible.

What to do if you have a behavioral health emergency

If you have a behavioral health emergency, dial 911 or go to your nearest emergency room. The hospital will contact the PIHP for additional assistance.

Getting emergency care if it wasn't an emergency

Sometimes it can be hard to know if you have a medical or behavioral health emergency. You might go in for emergency care and have the doctor say it wasn't really an emergency. As long as you reasonably thought your health was in serious danger, we will cover your care.

However, after the doctor says it was not an emergency, we will cover your additional care only if:

- you use a network provider, **or**
- the additional care you get is considered “urgently needed care” and you follow the rules for getting this care. (Refer to the next section.)

12. Urgently needed care

Definition of urgently needed care

Urgently needed care is care you get for a sudden illness, injury, or condition that isn't an emergency but needs care right away. For example, you might have a flare-up of an existing condition and need to have it treated.

Urgently needed care when you are in the plan's service area

In most situations, we will cover urgently needed care only if:

- you get this care from a network provider, **and**
- you follow the other rules described in this chapter.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

However, if you can't get to a network provider, we will cover urgently needed care you get from an out-of-network provider.

Network urgent care centers are found in the Ancillary Provider section of your provider directory. The most up-to-date list can be found on our website, www.hap.org/mihealthlink. You may also call Customer Service at 1-888-654-0706 for information regarding urgent care centers in your area.

Urgently needed care when you are outside the plan's service area

When you are outside the plan's service area, you might not be able to get care from a network provider. In that case, our plan will cover urgently needed care you get from any provider.

Our plan does not cover urgently needed care or any other care that you get outside the United States.

I3. Care during a disaster

If the Governor of your state, the U.S. Secretary of Health and Human Services, or the President of the United States declares a state of disaster or emergency in your geographic area, you are still entitled to care from HAP Empowered MI Health Link.

Please visit our website for information on how to obtain needed care during a declared disaster: www.hap.org/mihealthlink.

During a declared disaster, if you cannot use a network provider, we will allow you to get care from out-of-network providers at no cost to you. If you cannot use a network pharmacy during a declared disaster, you will be able to fill your prescription drugs at an out-of-network pharmacy. Please refer to Chapter 5 for more information.

J. What to do if you are billed directly for services covered by our plan

If a provider sends you a bill instead of sending it to the plan, you can ask us to pay the bill.

You should not pay the bill yourself. If you do, the plan may not be able to pay you back.

If you have paid for your covered services or if you have gotten a bill for covered medical services, refer to Chapter 7 to learn what to do.

J1. What to do if services are not covered by our plan

HAP Empowered MI Health Link covers all services:

- that are medically necessary, **and**
- that are listed in the plan's Benefits Chart (refer to Chapter 4), **and**

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

- that you get by following plan rules.

If you get services that aren't covered by our plan, **you must pay the full cost yourself.**

If you want to know if we will pay for any medical service or care, you have the right to ask us. You also have the right to ask for this in writing. If we say we will not pay for your services, you have the right to appeal our decision.

Chapter 9, Section E explains what to do if you want the plan to cover a medical item or service. It also tells you how to appeal the plan's coverage decision. You may also call Customer Service to learn more about your appeal rights.

We will pay for some services up to a certain limit. If you go over the limit, you will have to pay the full cost to get more of that type of service. Call Customer Service to find out what the limits are and how close you are to reaching them.

K. Coverage of health care services when you are in a clinical research study

K1. Definition of a clinical research study

A clinical research study (also called a clinical trial) is a way doctors test new types of health care or drugs. They ask for volunteers to help with the study. This kind of study helps doctors decide whether a new kind of health care or drug works and whether it is safe.

Once Medicare approves a study you want to be in, someone who works on the study will contact you. That person will tell you about the study and find out if you qualify to be in it. You can be in the study as long as you meet the required conditions. You must also understand and accept what you must do for the study.

While you are in the study, you may stay enrolled in our plan. That way you continue to get care from our plan not related to the study.

If you want to participate in a Medicare-approved clinical research study, you do *not* need to get approval from us or your primary care provider. The providers that give you care as part of the study do *not* need to be network providers.

You do need to tell us before you start participating in a clinical research study. If you plan to be in a clinical research study, you or your Care Coordinator should contact Customer Service to let us know you will be in a clinical trial.

K2. Payment for services when you are in a clinical research study

If you volunteer for a clinical research study that Medicare approves, you will pay nothing for the services covered under the study and Medicare will pay for services covered under the study as

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

well as routine costs associated with your care. Once you join a Medicare-approved clinical research study, you are covered for most items and services you get as part of the study. This includes:

- Room and board for a hospital stay that Medicare would pay for even if you weren't in a study.
- An operation or other medical procedure that is part of the research study.
- Treatment of any side effects and complications of the new care.

If you are part of a study that Medicare has **not approved**, you will have to pay any costs for being in the study.

K3. Learning more about clinical research studies

You can learn more about joining a clinical research study by reading “Medicare & Clinical Research Studies” on the Medicare website (www.medicare.gov/Pubs/pdf/02226-Medicare-and-Clinical-Research-Studies.pdf). You can also call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

L. How your health care services are covered when you get care in a religious, non-medical health care institution

L1. Definition of a religious, non-medical health care institution

A religious non-medical health care institution is a place that provides care you would normally get in a hospital or skilled nursing facility. If getting care in a hospital or a skilled nursing facility is against your religious beliefs, we will cover care in a religious non-medical health care institution.

You may choose to get health care at any time for any reason. This benefit is only for Medicare Part A inpatient services (non-medical health care services). Medicare will only pay for non-medical health care services provided by religious, non-medical health care institutions.

L2. Getting care from a religious, non-medical health care institution

To get care from a religious non-medical health care institution, you must sign a legal document that says you are against getting medical treatment that is “non-expected.”

- “Non-expected” medical treatment is any care that is voluntary and not required by any federal, state, or local law.
- “Excepted” medical treatment is any care that is not voluntary and is required under federal, state, or local law.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

To be covered by our plan, the care you get from a religious non-medical health care institution must meet the following conditions:

- The facility providing the care must be certified by Medicare.
- Our plan's coverage of services is limited to non-religious aspects of care.
- If you get services from this institution that are provided to you in a facility, the following applies:
 - You must have a medical condition that would allow you to get covered services for inpatient hospital care or skilled nursing facility care.
 - You must get approval from our plan before you are admitted to the facility or your stay will not be covered.

Medicare Inpatient Hospital coverage limits apply. Please refer to the Benefits Chart in Chapter 4 for details.

M. Durable Medical Equipment (DME)

M1. DME as a member of our plan

DME means certain items ordered by a provider for use in your own home. Examples of these items are wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, intravenous (IV) infusion pumps, speech generating devices, oxygen equipment and supplies, nebulizers, and walkers.

You will always own certain items, such as prosthetics.

In this section, we discuss DME you must rent. As a member of HAP Empowered MI Health Link, you will not own DME, no matter how long you rent it.

In certain situations, we will transfer ownership of the DME item to you. Call Customer Service to find out about the requirements you must meet and the papers you need to provide.

M2. DME ownership when you switch to Original Medicare or Medicare

Advantage

In the Original Medicare program, people who rent certain types of DME own it after 13 months. In a Medicare Advantage plan, the plan can set the number of months people must rent certain types of DME before they own it.

Note: You can find definitions of Original Medicare and Medicare Advantage Plans in Chapter 12. You can also find more information about them in the *Medicare & You 2022* handbook. If

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

you don't have a copy of this booklet, you can get it at the Medicare website (www.medicare.gov) or by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

You will have to make 13 payments in a row under Original Medicare, or you will have to make the number of payments in a row set by the Medicare Advantage plan, to own the DME item if:

- you did not become the owner of the DME item while you were in our plan, **and**
- you leave our plan and get your Medicare benefits outside of any health plan in the Original Medicare program.

If you made payments for the DME item under Original Medicare or a Medicare Advantage plan before you joined our plan, **those Original Medicare or Medicare Advantage plan payments do not count toward the payments you need to make after leaving our plan.**

- You will have to make 13 new payments in a row under Original Medicare or a number of new payments in a row set by the Medicare Advantage plan to own the DME item.
- There are no exceptions to this when you return to Original Medicare or a Medicare Advantage plan.

M3. Oxygen equipment benefits as a member of our plan

If you qualify for oxygen equipment covered by Medicare and you are a member of our plan, we will cover the following:

- Rental of oxygen equipment
- Delivery of oxygen and oxygen contents
- Tubing and related accessories for the delivery of oxygen and oxygen contents
- Maintenance and repairs of oxygen equipment

Oxygen equipment must be returned to the owner when it's no longer medically necessary for you or if you leave our plan.

M4. Oxygen equipment when you switch to Original Medicare or Medicare Advantage

When oxygen equipment is medically necessary and **you leave our plan and switch to Original Medicare**, you will rent it from a supplier for 36 months. Your monthly rental payments cover the oxygen equipment and the supplies and services listed above.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

If oxygen equipment is medically necessary **after you rent it for 36 months**:

- your supplier must provide the oxygen equipment, supplies, and services for another 24 months.
- your supplier must provide oxygen equipment and supplies for up to 5 years if medically necessary.

If oxygen equipment is still medically necessary **at the end of the 5-year period**:

- your supplier no longer has to provide it, and you may choose to get replacement equipment from any supplier.
- a new 5-year period begins.
- you will rent from a supplier for 36 months.
- your supplier must then provide the oxygen equipment, supplies, and services for another 24 months.
- a new cycle begins every 5 years as long as oxygen equipment is medically necessary.

When oxygen equipment is medically necessary and you leave our plan and switch to a Medicare Advantage plan, the plan will cover at least what Original Medicare covers. You can ask your Medicare Advantage plan what oxygen equipment and supplies it covers and what your costs will be.

Chapter 4: Benefits Chart

Introduction

This chapter tells you about the services HAP Empowered MI Health Link covers and any restrictions or limits on those services. It also tells you about benefits not covered under our plan. Key terms and their definitions appear in alphabetical order in the last chapter of the *Member Handbook*.

A. Your covered services

This chapter tells you what services HAP Empowered MI Health Link pays for. You can also learn about services that are not covered. Information about drug benefits is in Chapter 5.

You pay nothing for your covered services as long as you follow the plan's rules. Refer to Chapter 3 for details about the plan's rules. The only exceptions are that you pay any:

- Patient Pay Amount (PPA) you have for nursing facility services as determined by the local Department of Health and Human Services.
- Freedom to Work program premium you have. If you have questions about the Freedom to Work program, contact your local Michigan Department of Health & Human Services (MDHHS) office. You can find contact information for your local MDHHS office by visiting www.michigan.gov/mdhhs/0,5885,7-339-73970_5461---.00.

If you need supports and services related to a behavioral health condition, intellectual or developmental disability, or a substance use disorder, please work with your Care Coordinator to get services provided through the Prepaid Inpatient Health Plan (PIHP). You will also get a PIHP Member Handbook which will further explain the PIHP eligibility and covered specialty services.

Depending on eligibility criteria, some items, supplies, supports and services may be offered through our plan or the PIHP. To ensure our plan and the PIHP are not paying for the same items, supplies, supports or services, your Care Coordinator can help you get what you need from either our plan or the PIHP. Services from the PIHP have different eligibility or medical necessity criteria. Refer to Section F in this chapter and the PIHP handbook for more information.

If you need help understanding what services are covered, call your Care Coordinator and/or Customer Service at 1-888-654-0706 (TTY: 711), seven days a week, 8 a.m. to 8 p.m.

A1. During public health emergencies

During Public Health Emergencies (for example, the Covid-19 pandemic) that are declared by the State of Michigan, HAP Empowered MI Health Link will continue to follow the guidance that is provided by CMS and MDHHS to ensure our members' safety and health care needs are covered. HAP Empowered MI Health Link is committed to our members and will work diligently to keep you informed as guidance is received. Should you have any questions, please call Customer Service at 1-888-654-0706 (TTY: 711) or view our website at www.hap.org/mihealthlink.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

B. Rules against providers charging you for services

We do not allow HAP Empowered MI Health Link providers to bill you for covered services. We pay our providers directly, and we protect you from any charges. This is true even if we pay the provider less than the provider charges for a service.

You should never get a bill from a provider for covered services. If you do, refer to Chapter 7 or call Customer Service.

C. Our plan's Benefits Chart

The Benefits Chart in Section D tells you which services the plan pays for. It lists categories of services in alphabetical order and explains the covered services. It is broken into two sections:

- General Services
 - Offered to all enrollees
- Home and Community-Based Services (HCBS) Waiver
 - Offered only to enrollees who:
 - require nursing facility level of care but are not residing in a nursing facility, **and**
 - have a need for covered waiver services

We will pay for the services listed in the Benefits Chart only when the following rules are met. You do not pay anything for the service listed in the Benefits Chart, as long as you meet the coverage requirements described below. The only exceptions are that you pay any Patient Pay Amount (PPA) you have for nursing facility services as determined by the local Department of Health and Human Services or any Freedom to Work program premium you have. If you have questions about the Freedom to Work program, contact your local Michigan Department of Health & Human Services (MDHHS) office. You can find contact information for your local MDHHS office by visiting www.michigan.gov/mdhhs/0,5885,7-339-73970_5461---,00.

- Your Medicare and Michigan Medicaid covered services must be provided according to the rules set by Medicare and Michigan Medicaid.
- The services (including medical care, services, supplies, equipment, and drugs) must be medically necessary. Medically necessary means you need the services to prevent, diagnose, or treat a medical condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing home. It also means the services, supplies, or drugs meet accepted standards of medical practice.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

- You get your care from a network provider. A network provider is a provider who works with the health plan. In most cases, the plan will not pay for care you get from an out-of-network provider. Chapter 3 has more information about using network and out-of-network providers.
- You have a primary care provider (PCP) that is providing your care. In most cases, your PCP must give you approval before you can use someone that is not your PCP or use other providers in the plan's network. This is called a referral. Chapter 3 has more information about getting a referral and explains when you do not need a referral.
- Some of the services listed in the Benefits Chart are covered only if your doctor or other network provider gets approval from us first. This is called prior authorization. Covered services that need prior authorization are marked in the Benefits Chart by an asterisk (*).
- All preventive services are free. You will find this apple 🍏 next to preventive services in the Benefits Chart.

E. Benefits covered outside of HAP Empowered MI Health Link

The following services are not covered by HAP Empowered MI Health Link but are available through Medicare or Michigan Medicaid.

E1. Hospice care

You can get care from any hospice program certified by Medicare. You have the right to elect hospice if your provider and hospice medical director determine you have a terminal prognosis. This means you have a terminal illness and are expected to have six months or less to live. Your hospice doctor can be a network provider or an out-of-network provider.

Refer to the Benefits Chart in Section D of this chapter for more information about what HAP Empowered MI Health Link pays for while you are getting hospice care services.

For hospice services and services covered by Medicare Part A or B that relate to your terminal prognosis:

- The hospice provider will bill Medicare for your services. Medicare will pay for hospice services related to your terminal prognosis. You pay nothing for these services.

For services covered by Medicare Part A or B that are not related to your terminal prognosis (except for emergency care or urgently needed care):

- The provider will bill Medicare for your services. Medicare will pay for the services covered by Medicare Part A or B. You pay nothing for these services.

For drugs that may be covered by HAP Empowered MI Health Link's Medicare Part D benefit:

- Drugs are never covered by both hospice and our plan at the same time. For more information, please refer to Chapter 5. You pay nothing for these drugs.

For services covered by Michigan Medicaid:

- The provider will bill HAP Empowered MI Health Link for your services. HAP Empowered MI Health Link will pay for the services covered by Michigan Medicaid. You pay nothing for these services.

Note: If you need non-hospice care, you should call your Care Coordinator to arrange the services. Non-hospice care is care that is not related to your terminal prognosis. For more information and assistance, call Customer Service at 1-888-654-0706 (TTY: 711), seven days a week, 8 a.m. to 8 p.m. This call is free.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

E2. Services covered by the Prepaid Inpatient Health Plan (PIHP)

The following services are covered by HAP Empowered MI Health Link but are available through the Prepaid Inpatient Health Plan (PIHP) and its provider network.

Inpatient behavioral health care

- The plan will pay for behavioral health care services that require a hospital stay.

Outpatient substance use disorder services

- We will pay for treatment services that are provided in the outpatient department of a hospital if you, for example, have been discharged from an inpatient stay for the treatment of drug substance abuse or if you require treatment but do not require the level of services provided in the inpatient hospital setting. Refer to coverage for Opioid treatment program (OTP) services in The Benefits Chart in Section D.

Partial hospitalization services

- Partial hospitalization is a structured program of active psychiatric treatment. It is offered as hospital outpatient service or by a community mental health center. It is more intense than the care you get in your doctor's or therapist's office. It can help keep you from having to stay in the hospital.

Please refer to the separate PIHP Member Handbook for more information and work with your Care Coordinator to get services provided through the PIHP.

F. Benefits not covered by HAP Empowered MI Health Link, Medicare, or Michigan Medicaid

This section tells you what kinds of benefits are excluded by the plan. Excluded means that the plan does not pay for these benefits. Medicare and Michigan Medicaid will not pay for them either.

The list below describes some services and items that are not covered by the plan under any conditions and some that are excluded by the plan only in some cases.

The plan will not pay for the excluded medical benefits listed in this section (or anywhere else in this *Member Handbook*) except under the specific conditions listed. If you think that we should pay for a service that is not covered, you can file an appeal. For information about filing an appeal, refer to Chapter 9.

In addition to any exclusions or limitations described in the Benefits Chart, **the following items and services are not covered by our plan, Medicare, or Michigan Medicaid:**

- Services considered not “reasonable and necessary,” according to the standards of Medicare and Michigan Medicaid, unless these services are listed by our plan as covered services.
- Experimental medical and surgical treatments, items, and drugs, unless covered by Medicare or under a Medicare-approved clinical research study or by our plan. Refer to Chapter 3, page 42 for more information on clinical research studies. Experimental treatment and items are those that are not generally accepted by the medical community.
- Surgical treatment for morbid obesity, except when it is medically necessary and Medicare pays for it.
- A private room in a hospital or nursing facility, except when it is medically necessary.
- Private duty nurses except for those that qualify for this waiver service.
- Personal items in your room at a hospital or a nursing facility, such as a telephone or a television.
- Full-time nursing care in your home.
- Elective or voluntary enhancement procedures or services (including weight loss, hair growth, sexual performance, athletic performance, cosmetic purposes, anti-aging, and mental performance), except when medically necessary.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

- Cosmetic surgery or other cosmetic work, unless it is needed because of an accidental injury or to improve a part of the body that is not shaped right. However, the plan will pay for reconstruction of a breast after a mastectomy and for treating the other breast to match it.
- Chiropractic care, other than manual manipulation of the spine consistent with Medicare coverage guidelines.
- Routine foot care, except for the limited coverage provided according to Medicare guidelines.
- Orthopedic shoes, unless the shoes are part of a leg brace and are included in the cost of the brace, or the shoes are for a person with diabetic foot disease.
- Supportive devices for the feet, except for orthopedic or therapeutic shoes for people with diabetic foot disease.
- Radial keratotomy and LASIK surgery. However, the plan will pay for glasses after cataract surgery.
- Reversal of sterilization procedures and non-prescription contraceptive supplies.
- Naturopath services (the use of natural or alternative treatments).
- Non-emergency services provided to veterans in Veterans Affairs (VA) facilities.

Chapter 5: Getting your outpatient prescription drugs through the plan

Introduction

This chapter explains rules for getting your outpatient prescription drugs. These are drugs that your provider orders for you that you get from a pharmacy or by mail-order. They include drugs covered under Medicare Part D and Michigan Medicaid. Key terms and their definitions appear in alphabetical order in the last chapter of the *Member Handbook*.

HAP Empowered MI Health Link also covers the following drugs, although they will not be discussed in this chapter:

- Drugs covered by Medicare Part A. These include some drugs given to you while you are in a hospital or nursing facility.
- Drugs covered by Medicare Part B. These include some chemotherapy drugs, some drug injections given to you during an office visit with a doctor or other provider, and drugs you are given at a dialysis clinic. To learn more about what Medicare Part B drugs are covered, refer to the Benefits Chart in Chapter 4.

Rules for the plan's outpatient drug coverage

The plan will usually cover your drugs as long as you follow the rules in this section.

1. You must have a doctor or other provider write your prescription. This person often is your primary care provider (PCP). It could also be another provider if your primary care provider has referred you for care.
2. You generally must use a network pharmacy to fill your prescription.
3. Your prescribed drug must be on the plan's *List of Covered Drugs*. We call it the "Drug List" for short.
 - If it is not on the Drug List, we may be able to cover it by giving you an exception.
 - Refer to Chapter 9, Section F2, page 173 to learn about asking for an exception.
4. Your drug must be used for a medically accepted indication. This means that the use of the drug is either approved by the Food and Drug Administration or supported by certain medical references. Michigan Medicaid requires that treatment be necessary to meet needs consistent with your diagnosis and symptoms. It must be consistent with clinical standards of care.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

A. Getting your prescriptions filled

A1. Filling your prescription at a network pharmacy

In most cases, the plan will pay for prescriptions **only** if they are filled at the plan's network pharmacies. A network pharmacy is a drug store that has agreed to fill prescriptions for our plan members. You may use any of our network pharmacies.

To find a network pharmacy, you can look in the *Provider and Pharmacy Directory*, visit our website, or contact your Care Coordinator or Customer Service.

A2. Using your Member ID Card when you fill a prescription

To fill your prescription, **show your Member ID Card** at your network pharmacy. The network pharmacy will bill the plan for your covered prescription drug. You may not be required to pay a copay.

If you do not have your Member ID Card with you when you fill your prescription, ask the pharmacy to call the plan to get the necessary information.

If the pharmacy is not able to get the necessary information, you may have to pay the full cost of the prescription when you pick it up. You can then ask us to pay you back. If you cannot pay for the drug, contact Customer Service right away. We will do what we can to help.

- To learn how to ask us to pay you back, refer to Chapter 7, Section B.
- If you need help getting a prescription filled, you can contact your Care Coordinator or Customer Service.

A3. What to do if you change to a different network pharmacy

If you change pharmacies and need a refill of a prescription, you can either ask to have a new prescription written by a provider or ask your pharmacy to transfer the prescription to the new pharmacy if there are any refills left.

If you need help changing your network pharmacy, you can contact your Care Coordinator or Customer Service.

A4. What to do if your pharmacy leaves the network

If the pharmacy you use leaves the plan's network, you will have to find a new network pharmacy.

For up-to-date information about HAP Empowered MI Health Link network pharmacies in your area, you can look in the *Provider and Pharmacy Directory*, visit our website, or call Customer Service. Your Care Coordinator can also help you find a new pharmacy.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

A5. Using a specialized pharmacy

Sometimes prescriptions must be filled at a specialized pharmacy. Specialized pharmacies include:

- Pharmacies that supply drugs for home infusion therapy.
- Pharmacies that supply drugs for residents of a long-term care facility, such as a nursing home.
 - Usually, long-term care facilities have their own pharmacies. If you are a resident of a long-term care facility, we must make sure you can get the drugs you need at the facility's pharmacy.
 - If your long-term care facility's pharmacy is not in our network or you have any difficulty accessing your drug benefits in a long-term care facility, please contact Customer Service.
- Pharmacies that serve the Indian Health Service/Tribal/Urban Indian Health Program. Except in emergencies, only Native Americans or Alaska Natives may use these pharmacies.
- Pharmacies that supply drugs requiring special handling and instructions on their use.

To find a specialized pharmacy, you can look in the *Provider and Pharmacy Directory*, visit our website, or contact your Care Coordinator or Customer Service.

A6. Using mail-order services to get your drugs

Our plan's mail-order service allows you to order up to a 90-day supply. A 90-day supply has no copay.

How do I fill my prescriptions by mail?

To get order forms and information about filling your prescriptions by mail, contact Customer Service. You can also directly contact our mail-order pharmacy, Pharmacy Advantage, via its website (www.pharmacyadvantagerx.com) or by calling them at 1-800-456-2112.

Usually, a mail-order prescription will get to you within 14 days. If your prescription is delayed, please contact Customer Service.

Mail-order processes

The mail-order service has different procedures for new prescriptions it gets from you, new prescriptions it gets directly from your provider's office, and refills on your mail-order prescriptions:

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

1. New prescriptions the pharmacy gets from you

The pharmacy will automatically fill and deliver new prescriptions it gets from you.

2. New prescriptions the pharmacy gets directly from your provider's office

The pharmacy will automatically fill and deliver new prescriptions it gets from health care providers, without checking with you first, if either:

- You used mail-order services with this plan in the past, or
- You sign up for automatic delivery of all new prescriptions you get directly from health care providers. You may ask for automatic delivery of all new prescriptions now or at any time by calling Pharmacy Advantage at 1-800-456-2112.

If you used mail-order in the past and do not want Pharmacy Advantage to automatically fill and ship each new prescription, please contact them by calling 1-800-456-2112.

If you have never used our mail-order delivery and/or decide to stop automatic fills of new prescriptions, the pharmacy will contact you each time it gets a new prescription from a health care provider to find out if you want the medication filled and shipped immediately.

- This will give you an opportunity to make sure that the pharmacy is delivering the correct drug (including strength, amount, and form) and, if necessary, allow you to cancel or delay the order before it is shipped.
- It is important that you respond each time you are contacted by the pharmacy, to let them know what to do with the new prescription and to prevent any delays in shipping.

To opt out of automatic deliveries of new prescriptions you got directly from your health care provider's office, please contact the pharmacy by sending a message through its website contact us function or by calling the pharmacy.

3. Refills on mail-order prescriptions

For refills of your drugs, you have the option to sign up for an automatic refill program with Pharmacy Advantage mail-order service. Under this program we will start to process your next refill automatically when our records show you should be close to running out of your drug.

- The pharmacy will contact you before shipping each refill to make sure you need more medication, and you can cancel scheduled refills if you have enough of your medication or if your medication has changed.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

- If you choose not to use our auto refill program, please contact your pharmacy 10 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

To opt out of our program that automatically prepares mail-order refills, please contact Pharmacy Advantage at 1-800-456-2112.

So the pharmacy can reach you to confirm your order before shipping, please make sure to let the pharmacy know the best ways to contact you. Simply call your mail-order pharmacy and let them know how you prefer to be contacted.

A7. Getting a long-term supply of drugs

You can get a long-term supply of maintenance drugs on our plan's Drug List. Maintenance drugs are drugs that you take on a regular basis, for a chronic or long-term medical condition.

Some network pharmacies allow you to get a long-term supply of maintenance drugs. A 90-day supply has no copay. The *Provider and Pharmacy Directory* tells you which pharmacies can give you a long-term supply of maintenance drugs. You can also call Customer Service for more information.

You can use the plan's network mail-order services to get a long-term supply of maintenance drugs. Refer to Section A6 of this chapter to learn about mail-order services.

A8. Using a pharmacy that is not in the plan's network

Generally, we pay for drugs filled at an out-of-network pharmacy *only* when you are not able to use a network pharmacy. We have network pharmacies outside of our service area where you can get your prescriptions filled as a member of our plan.

We will pay for prescriptions filled at an out-of-network pharmacy in the following cases:

- If the prescriptions are related to care for a medical emergency
- If the prescriptions are related to care for urgently needed care

In these cases, please check first with Customer Service to find out if there is a network pharmacy nearby.

A9. Paying you back if you pay for a prescription

If you must use an out-of-network pharmacy, you will generally have to pay the full cost when you get your prescription. You can ask us to pay you back.

To learn more about this, refer to Chapter 7, Sections A and B.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

B. The plan's Drug List

The plan has a *List of Covered Drugs*. We call it the “Drug List” for short.

The drugs on the Drug List are selected by the plan with the help of a team of doctors and pharmacists. The Drug List also tells you if there are any rules you need to follow to get your drugs.

We will generally cover a drug on the plan's Drug List as long as you follow the rules explained in this chapter.

B1. Drugs on the Drug List

The Drug List includes the drugs covered under Medicare Part D and some prescription and over-the-counter drugs covered under your Michigan Medicaid benefits.

The Drug List includes both brand name and generic drugs. Generic drugs have the same active ingredients as brand name drugs. Generally, they work just as well as brand name drugs and usually cost less.

Our plan also covers certain over-the-counter drugs and products. Some over-the-counter drugs cost less than prescription drugs and work just as well. For more information, call Customer Service.

B2. How to find a drug on the Drug List

To find out if a drug you are taking is on the Drug List, you can:

- Visit the plan's website at www.hap.org/emp/hap-empowered/mi-health-link/prescription/covered-drugs. The Drug List on the website is always the most current one.
- Call Customer Service to find out if a drug is on the plan's Drug List or to ask for a copy of the list.

B3. Drugs that are not on the Drug List

The plan does not cover all prescription drugs. Some drugs are not on the Drug List because the law does not allow the plan to cover those drugs. In other cases, we have decided not to include a drug on the Drug List.

HAP Empowered MI Health Link will not pay for the drugs listed in this section. These are called **excluded drugs**. If you get a prescription for an excluded drug, you must pay for it yourself. If you think we should pay for an excluded drug because of your case, you can file an appeal. (To learn how to file an appeal, refer to Chapter 9, Section F.)

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

Here are three general rules for excluded drugs:

1. Our plan's outpatient drug coverage (which includes Part D and Michigan Medicaid drugs) cannot pay for a drug that would already be covered under Medicare Part A or Part B. Drugs covered under Medicare Part A or Part B are covered by HAP Empowered MI Health Link for free, but they are not considered part of your outpatient prescription drug benefits.
2. Our plan cannot cover a drug purchased outside the United States and its territories.
3. The use of the drug must be either approved by the Food and Drug Administration or supported by certain medical references as a treatment for your condition. Your doctor might prescribe a certain drug to treat your condition, even though it was not approved to treat the condition. This is called off-label use. Our plan usually does not cover drugs when they are prescribed for off-label use.

Also, by law, the types of drugs listed below are not covered by Medicare or Michigan Medicaid.

- Drugs used to promote fertility
- Drugs used for the relief of cough or cold symptoms
- Drugs used for cosmetic purposes or to promote hair growth
- Drugs used for the treatment of sexual or erectile dysfunction, such as Viagra®, Cialis®, Levitra®, and Caverject®
- Drugs used for treatment of anorexia, weight loss, or weight gain
- Outpatient drugs when the company who makes the drugs says that you have to have tests or services done only by them

B4. Drug List tiers

Every drug on the plan's Drug List is in one of two tiers. A tier is a group of drugs of generally the same type (for example, brand name, generic, or over-the-counter drugs).

- Tier 1 includes generic drugs and over-the-counter drugs (lowest tier)
- Tier 2 includes brand name drugs and over-the-counter drugs (highest tier)

To find out which tier your drug is in, look for the drug in the plan's Drug List.

C. Limits on some drugs

Why do some drugs have limits?

For certain prescription drugs, special rules limit how and when the plan covers them. In general, our rules encourage you to get a drug that works for your medical condition and is safe and effective. When a safe, lower-cost drug will work just as well as a higher-cost drug, the plan expects your provider to prescribe the lower-cost drug.

If there is a special rule for your drug, it usually means that you or your provider will have to take extra steps for us to cover the drug. For example, your provider may have to tell us your diagnosis or provide results of blood tests first. If you or your provider think our rule should not apply to your situation, you should ask us to make an exception. We may or may not agree to let you use the drug without taking the extra steps.

To learn more about asking for exceptions, refer to Chapter 9, Section F.

What kinds of rules are there?

1. Limiting use of a brand name drug when a generic version is available

Generally, a generic drug works the same as a brand name drug and usually costs less. In most cases if there is a generic version of a brand name drug, our network pharmacies will give you the generic version.

- We usually will not pay for the brand name drug when there is a generic version.

However, if your provider has told us the medical reason that neither the generic drug nor other covered drugs that treat the same condition will work for you, then we will cover the brand name drug.

2. Getting plan approval in advance

For some drugs, you or your doctor must get approval from HAP Empowered MI Health Link before you fill your prescription. If you don't get approval, HAP Empowered MI Health Link may not cover the drug.

3. Trying a different drug first

In general, the plan wants you to try lower-cost drugs (that often are as effective) before the plan covers drugs that cost more. For example, if Drug A and Drug B treat the same medical condition, and Drug A costs less than Drug B, the plan may require you to try Drug A first.

If Drug A does not work for you, the plan will then cover Drug B. This is called step therapy.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

4. Quantity limits

For some drugs, we limit the amount of the drug you can have. This is called a quantity limit. For example, the plan might limit how much of a drug you can get each time you fill your prescription.

Do any of these rules apply to your drugs?

To find out if any of the rules above apply to a drug you take or want to take, check the Drug List. For the most up-to-date information, call Customer Service or check our website at www.hap.org/emp/hap-empowered/mi-health-link/prescription/covered-drugs

D. Reasons your drug might not be covered

We try to make your drug coverage work well for you, but sometimes a drug might not be covered in the way that you would like it to be. For example:

- The drug you want to take is not covered by the plan. The drug might not be on the Drug List. A generic version of the drug might be covered, but the brand name version you want to take is not. A drug might be new and we have not yet reviewed it for safety and effectiveness.
- The drug is covered, but there are special rules or limits on coverage for that drug. As explained in the section above, some of the drugs covered by the plan have rules that limit their use. In some cases, you or your prescriber may want to ask us for an exception to a rule.

There are things you can do if your drug is not covered in the way that you would like it to be.

D1. Getting a temporary supply

In some cases, the plan can give you a temporary supply of a drug when the drug is not on the Drug List or when it is limited in some way. This gives you time to talk with your provider about getting a different drug or to ask the plan to cover the drug.

To get a temporary supply of a drug, you must meet the two rules below:

1. The drug you have been taking:
 - is no longer on the plan's Drug List, **or**
 - was never on the plan's Drug List, **or**
 - is now limited in some way.
2. You must be in one of these situations:

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

For Medicare Part D Drugs:

- You were in the plan last year.
 - We will cover a temporary supply of your drug **during the first 90 days of the calendar year.**
 - This temporary supply will be for up to 30 days.
 - If your prescription is written for fewer days, we will allow multiple refills to provide up to a maximum of 30 days of medications. You must fill the prescription at a network pharmacy.
 - Long-term care pharmacies may provide your prescription drug in small amounts at a time to prevent waste.
- You are new to the plan.
 - We will cover a temporary supply of your **drug during the first 90 calendar days of your membership in the plan.**
 - This temporary supply will be for up to 30 days.
 - If your prescription is written for fewer days, we will allow multiple refills to provide up to a maximum of 30 days of medication. You must fill the prescription at a network pharmacy.
 - Long-term care pharmacies may provide your prescription drug in small amounts at a time to prevent waste.
- You have been in the plan for more than 90 days and live in a long-term care facility and need a supply right away.
 - We will cover one 31-day supply, or less if your prescription is written for fewer days. This is in addition to the above temporary supply.
 - If you experience a level of care change (for example, enter or leave a hospital or long-term care facility), you may contact Customer Service or your pharmacy may contact the Pharmacy Technical Help desk for an override. These numbers can be found on your ID card.
 - To ask for a temporary supply of a drug, call Customer Service.

For Michigan Medicaid drugs:

- You are new to the plan.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

- We will cover a supply of your Michigan Medicaid drug for up to 90 calendar days after enrollment and will not terminate it at the end of the 90 calendar days without advance notice to you and a transition to another drug, if needed.
- To ask for a temporary supply of a drug, call Customer Service.

When you get a temporary supply of a drug, you should talk with your provider to decide what to do when your supply runs out. Here are your choices:

- You can change to another drug.

There may be a different drug covered by the plan that works for you. You can call Customer Service to ask for a list of covered drugs that treat the same medical condition. The list can help your provider find a covered drug that might work for you.

OR

- You can ask for an exception.

You and your provider can ask the plan to make an exception. For example, you can ask the plan to cover a drug even though it is not on the Drug List. Or you can ask the plan to cover the drug without limits. If your provider says you have a good medical reason for an exception, they can help you ask for one.

To learn more about asking for an exception, refer Chapter 9, Section F.

If you need help asking for an exception, you can contact your Care Coordinator or Customer Service.

E. Changes in coverage for your drugs

Most changes in drug coverage happen on January 1, but HAP Empowered MI Health Link may add or remove drugs on the Drug List during the year. We may also change our rules about drugs. For example, we could:

- Decide to require or not require prior approval for a drug. (Prior approval is permission from HAP Empowered MI Health Link before you can get a drug.)
- Add or change the amount of a drug you can get (called quantity limits).
- Add or change step therapy restrictions on a drug. (Step therapy means you must try one drug before we will cover another drug.)

For more information on these drug rules, refer to Section C earlier in this chapter.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

If you are taking a drug that was covered at the **beginning** of the year, we will generally not remove or change coverage of that drug **during the rest of the year** unless:

- a new, cheaper drug comes on the market that works as well as a drug on the Drug List now, **or**
- we learn that a drug is not safe, **or**
- a drug is removed from the market.

To get more information on what happens when the Drug List changes, you can always:

- Check HAP Empowered MI Health Link’s up-to-date Drug List online at <https://www.hap.org/emp/hap-empowered/mi-health-link/prescription/covered-drugs>.
- Call Customer Service to check the current Drug List at 1-888-654-0706 (TTY: 711).

Some changes to the Drug List will happen **immediately**. For example:

- **A new generic drug becomes available.** Sometimes, a new generic drug comes on the market that works as well as a brand name drug on the Drug List now. When that happens, we may remove the brand name drug and add the new generic drug, but your cost for the new drug will stay the same.

When we add the new generic drug, we may also decide to keep the brand name drug on the list but change its coverage rules or limits.

- We may not tell you before we make this change, but we will send you information about the specific change we made once it happens.
 - You or your provider can ask for an “exception” from these changes. We will send you a notice with the steps you can take to ask for an exception. Please refer to Chapter 9, Section F of this handbook for more information on exceptions.
- **A drug is taken off the market.** If the Food and Drug Administration (FDA) says a drug you are taking is not safe or the drug’s manufacturer takes a drug off the market, we will take it off the Drug List. If you are taking the drug, we will let you know. Your prescriber will also know about this change and can work with you to find another drug for your condition.

We may make other changes that affect the drugs you take. We will tell you in advance about these other changes to the Drug List. These changes might happen if:

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

- The FDA provides new guidance or there are new clinical guidelines about a drug.
- We add a generic drug that is not new to the market **and**
 - Replace a brand name drug currently on the Drug List **or**
 - Change the coverage rules or limits for the brand name drug.

When these changes happen, we will:

- Tell you at least 30 days before we make the change to the Drug List or
- Let you know and give you a 30-day supply of the drug after you ask for a refill.

This will give you time to talk to your doctor or other prescriber. They can help you decide:

- If there is a similar drug on the Drug List, you can take instead or
- Whether to ask for an exception from these changes. To learn more about asking for exceptions, refer to Chapter 9, Section F.

We may make changes that do not affect the drugs you take now. For such changes, if you are taking a drug we covered at the **beginning** of the year, we generally will not remove or change coverage of that drug **during the rest of the year.**

For example, if we remove a drug you are taking or limit its use, then the change will not affect your use of the drug for the rest of the year.

F. Drug coverage in special cases

F1. If you are in a hospital or a skilled nursing facility for a stay that is covered by the plan

If you are admitted to a hospital or skilled nursing facility for a stay covered by the plan, we will generally cover the cost of your prescription drugs during your stay. You will not have to pay a copay. Once you leave the hospital or skilled nursing facility, the plan will cover your drugs as long as the drugs meet all of our rules for coverage.

F2. If you are in a long-term care facility

Usually, a long-term care facility, such as a nursing home, has its own pharmacy or a pharmacy that supplies drugs for all of its residents. If you are living in a long-term care facility, you may get your prescription drugs through the facility's pharmacy if it is part of our network.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

Check your *Provider and Pharmacy Directory* to find out if your long-term care facility's pharmacy is part of our network. If it is not, or if you need more information, please contact Customer Service.

F3. If you are in a Medicare-certified hospice program

Drugs are never covered by both hospice and our plan at the same time.

- If you are enrolled in a Medicare hospice and require a pain medication, anti-nausea, laxative, or antianxiety drug not covered by your hospice because it is unrelated to your terminal prognosis and related conditions, our plan must get notification from either the prescriber or your hospice provider that the drug is unrelated before our plan can cover the drug.
- To prevent delays in getting any unrelated drugs that should be covered by our plan, you can ask your hospice provider or prescriber to make sure we have the notification that the drug is unrelated before you ask a pharmacy to fill your prescription.

If you leave hospice, our plan should cover all of your drugs. To prevent any delays at a pharmacy when your Medicare hospice benefit ends, you should bring documentation to the pharmacy to verify that you have left hospice. Refer to the previous parts of this chapter that tell about the rules for getting drug coverage under Part D.

To learn more about the hospice benefit, refer to Chapter 4.

G. Programs on drug safety and managing drugs

G1. Programs to help members use drugs safely

Each time you fill a prescription, we look for possible problems, such as drug errors or drugs that:

- May not be needed because you are taking another drug that does the same thing
- May not be safe for your age or gender
- Could harm you if you take them at the same time
- Have ingredients that you are or may be allergic to
- Have unsafe amounts of opioid pain medications

If we find a possible problem in your use of prescription drugs, we will work with your provider to correct the problem.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

G2. Programs to help members manage their drugs

If you take medications for different medical conditions and/or you are in a Drug Management Program to help you use your opioid medications safely, you may be eligible to get services, at no cost to you, through a medication therapy management (MTM) program. This program helps you and your provider make sure that your medications are working to improve your health. A pharmacist or other health professional will give you a comprehensive review of all your medications and talk with you about:

- How to get the most benefit from the drugs you take
- Any concerns you have, like medication costs and drug reactions
- How best to take your medications
- Any questions or problems you have about your prescription and over-the-counter medication

You'll get a written summary of this discussion. The summary has a medication action plan that recommends what you can do to make the best use of your medications. You'll also get a personal medication list that will include all the medications you're taking and why you take them. In addition, you'll get information about safe disposal of prescription medications that are controlled substances.

It's a good idea to schedule your medication review before your yearly "Wellness" visit, so you can talk to your doctor about your action plan and medication list. Bring your action plan and medication list with you to your visit or anytime you talk with your doctors, pharmacists, and other health care providers. Also, take your medication list with you if you go to the hospital or emergency room.

Medication therapy management programs are voluntary and free to members that qualify. If we have a program that fits your needs, we will enroll you in the program and send you information. If you do not want to be in the program, please let us know, and we will take you out of the program.

If you have any questions about these programs, please contact your Care Coordinator or Customer Service.

G3. Drug management program to help members safely use their opioid medications

HAP Empowered MI Health Link has a program that can help members safely use their prescription opioid medications and other medications that are frequently misused. This program is called a Drug Management Program (DMP).

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

If you use opioid medications that you get from several doctors or pharmacies or if you had a recent opioid overdose, we may talk to your doctors to make sure your use of opioid medications is appropriate and medically necessary. Working with your doctors, if we decide your use of prescription opioid or benzodiazepine medications is not safe, we may limit how you can get those medications. Limitations may include:

- Requiring you to get all prescriptions for those medications **from a certain pharmacy and/or from a certain doctor.**
- **Limiting the amount** of those medications we will cover for you

If we think that one or more limitations should apply to you, we will send you a letter in advance. The letter will explain the limitations we think should apply.

You will have a chance to tell us which doctors or pharmacies you prefer to use and any information you think is important for us to know. If we decide to limit your coverage for these medications after you have a chance to respond, we will send you another letter that confirms the limitations.

If you think we made a mistake, you disagree that you are at risk for prescription drug misuse, or you disagree with the limitation, you and your prescriber can file an appeal. If you file an appeal, we will review your case and give you our decision. If we continue to deny any part of your appeal related to limitations to your access to these medications, we will automatically send your case to an Independent Review Entity (IRE). (To learn how to file an appeal and to find out more about the IRE, refer to Chapter 9, Section F.)

The DMP may not apply to you if you:

- have certain medical conditions, such as cancer or sickle cell disease
- are getting hospice, palliative, or end-of-life care, **or**
- live in a long-term care facility.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

Chapter 6: What you pay for your Medicare and Michigan Medicaid prescription drugs

Introduction

This chapter tells what you pay for your outpatient prescription drugs. By “drugs,” we mean:

- Medicare Part D prescription drugs, **and**
- drugs and items covered under Michigan Medicaid, **and**
- drugs and items covered by the plan as additional benefits.

Because you are eligible for Michigan Medicaid, you are getting “Extra Help” from Medicare to help pay for your Medicare Part D prescription drugs.

Extra Help is a Medicare program that helps people with limited incomes and resources reduce Medicare Part D prescription drug costs, such as premiums, deductibles, and copays. Extra Help is also called the “Low-Income Subsidy,” or “LIS.”

Other key terms and their definitions appear in alphabetical order in the last chapter of the *Member Handbook*.

To learn more about prescription drugs, you can look in these places:

- The plan’s *List of Covered Drugs*.
 - We call this the “Drug List.” It tells you:
 - Which drugs the plan pays for
 - Which of the two tiers each drug is in
 - Whether there are any limits on the drugs
 - If you need a copy of the Drug List, call Customer Service. You can also find the Drug List on our website at www.hap.org/emp/hap-empowered/mi-health-link/prescription/covered-drugs. The Drug List on the website is always the most current.
- Chapter 5 of this *Member Handbook*.
 - Chapter 5 tells how to get your outpatient prescription drugs through the plan.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

- It includes rules you need to follow. It also tells which types of prescription drugs are *not* covered by our plan.
- The plan's *Provider and Pharmacy Directory*.
 - In most cases, you must use a network pharmacy to get your covered drugs. Network pharmacies are pharmacies that have agreed to work with our plan.
 - The *Provider and Pharmacy Directory* has a list of network pharmacies. You can read more about network pharmacies in Chapter 5.

A. The Explanation of Benefits (EOB)

Our plan keeps track of your prescription drugs. We keep track of your total drug costs. This includes the amount of money the plan pays (or others on your behalf pay) for your prescriptions.

When you get prescription drugs through the plan, we send you a summary called the *Explanation of Benefits*. We call it the EOB for short. The EOB has more information about the drugs you take. The EOB includes:

- **Information for the month.** The summary tells what prescription drugs you got. It shows the total drug costs and what the plan paid, and what others paying for you paid.
- **“Year-to-date” information.** This is your total drug costs and the total payments made for you since January 1.
- **Drug price information.** This is the total price of the drug and the percentage change in the drug price since the first fill.
- **Lower cost alternatives.** When available, they appear in the summary below your current drugs. You can talk to your prescriber to find out more.

We offer coverage of drugs not covered under Medicare.

- Payments made for these drugs will not count towards your Part D total out-of-pocket costs.
- To find out which drugs our plan covers, refer to the Drug List.

B. How to keep track of your drug costs

To keep track of drug costs, we use records we get from you and from your pharmacy. Here is how you can help us:

1. Use your Member ID Card.

Show your Member ID Card every time you get a prescription filled. This will help us know what prescriptions you fill.

2. Send us information about the payments others have made for you.

Payments made by certain other people and organizations also count toward your total costs. For example, payments made by an AIDS drug assistance program, the Indian Health Service, and most charities count toward your out-of-pocket costs.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

3. Check the EOBs we send you.

When you get an EOB in the mail, please make sure it is complete and correct. If you think something is wrong or missing, or if you have any questions, please call Customer Service. Be sure to keep these EOBs. They are an important record of your drug expenses.

C. A summary of your drug coverage

As a HAP Empowered MI Health Link member, you pay nothing for covered prescription and over-the-counter (OTC) drugs as long as you follow HAP Empowered MI Health Link's rules.

C1. The plan's tiers

Tiers are groups of drugs. Every drug on the plan's Drug List is in one of two tiers. There is no cost to you for drugs on any of the tiers.

- Tier 1 drugs are generic drugs.
- Tier 2 drugs are brand name drugs.

C2. Getting a long-term supply of a drug

For some drugs, you can get a long-term supply (also called an "extended supply") when you fill your prescription. A long-term supply is up to a 30 or 90-day supply. There is no cost to you for a long-term supply.

For details on where and how to get a long-term supply of a drug, refer to Chapter 5 or the *Provider and Pharmacy Directory*.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

Tier 2 Brand Name Drugs Note: 30-day limit on Opioid*	\$0	\$0	\$0	\$0

*Note: Each new fill or refill for prescriptions for opioid medications are limited to a 30-day supply dispensed for members who received authorization for greater than a 7-day supply.

For information about which pharmacies can give you long-term supplies, refer to the plan's *Provider and Pharmacy Directory*.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

D. Vaccinations

Our plan covers Medicare Part D vaccines. You will not have to pay for vaccines if you get the vaccine through an in-network provider. There are two parts to our coverage of Medicare Part D vaccinations:

1. The first part of coverage is for the cost of **the vaccine itself**. The vaccine is a prescription drug.
2. The second part of coverage is for the cost of **giving you the vaccine**. For example, sometimes you may get the vaccine as a shot given to you by your provider.

D1. What you need to know before you get a vaccination

We recommend that you call us first at Customer Service whenever you are planning to get a vaccination.

- We can tell you about how your vaccination is covered by our plan.
- We can tell you how to keep your costs down by using network pharmacies and providers. Network pharmacies are pharmacies that have agreed to work with our plan. A network provider is a provider who works with the health plan. A network provider should work with HAP Empowered MI Health Link to ensure that you do not have any upfront costs for a Part D vaccine.
- If you are not able to use a network provider and pharmacy, we can tell you what you need to do to ask us to pay you back for our share of the cost.

Chapter 7: Asking us to pay a bill you have gotten for covered services or drugs

Introduction

This chapter tells you how and when to send us a bill to ask for payment. It also tells you how to make an appeal if you do not agree with a coverage decision. Key terms and their definitions appear in alphabetical order in the last chapter of the *Member Handbook*.

Table of Contents

A. Asking us to pay for your services or drugs.....	132
B. Sending a request for payment.....	134
C. Coverage decision.....	134
D. Appeals.....	135

A. Asking us to pay for your services or drugs

You should not get a bill for in-network services or drugs. Our network providers must bill the plan for the services and drugs you already got. A network provider is a provider who works with the health plan.

If you get a bill for health care or drugs, send the bill to us. To send us a bill, refer to page 133 of this chapter.

- If the services or drugs are covered, we will pay the provider directly.
- If the services or drugs are covered and you already paid the bill, it is your right to be paid back.
- If the services or drugs are **not** covered, we will tell you.

Contact your Care Coordinator or Customer Service if you have any questions. If you get a bill and you do not know what to do about it, we can help. You can also call if you want to tell us information about a request for payment you already sent to us.

Here are examples of times when you may need to ask our plan to pay you back or to pay a bill you got:

1. When you get emergency or urgently needed health care from an out-of-network provider

You should ask the provider to bill the plan.

- If you pay the full amount when you get the care, ask us to pay you back. Send us the bill and proof of any payment you made.
- You may get a bill from the provider asking for payment that you think you do not owe. Send us the bill and proof of any payment you made.
 - If the provider should be paid, we will pay the provider directly.
 - » If you have already paid for the service, we will pay you back.

2. When a network provider sends you a bill

Network providers must always bill the plan. Show your HAP Empowered MI Health Link Member ID Card when you get any services or prescriptions.

Improper/inappropriate billing occurs when a provider (such as a doctor or hospital) bills you more than the plan's cost sharing amount for services. **Call Customer Service if you get any bills you do not understand.**

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

- Because HAP Empowered MI Health Link pays the entire cost for your services, you are not responsible for paying any costs. Providers should not bill you anything for these services.
- Whenever you get a bill from a network provider, send us the bill. We will contact the provider directly and take care of the problem.
- If you have already paid a bill from a network provider, send us the bill and proof of any payment you made. We will pay you back for your covered services.

3. When you use an out-of-network pharmacy to get a prescription filled

If you use an out-of-network pharmacy, you will have to pay the full cost of your prescription.

- In only a few cases, we will cover prescriptions filled at out-of-network pharmacies. Send us a copy of your receipt when you ask us to pay you back.
- Please refer to Chapter 5, Section A8 to learn more about out-of-network pharmacies.

4. When you pay the full cost for a prescription because you do not have your Member ID Card with you

If you do not have your Member ID Card with you, you can ask the pharmacy to call the plan or to look up your plan enrollment information.

- If the pharmacy cannot get the information they need right away, you may have to pay the full cost of the prescription yourself.
- Send us a copy of your receipt when you ask us to pay you back.

5. When you pay the full cost for a prescription for a drug that is not covered

You may pay the full cost of the prescription because the drug is not covered.

- The drug may not be on the plan's *List of Covered Drugs* (Drug List), or it could have a requirement or restriction that you did not know about or do not think should apply to you. If you decide to get the drug, you may need to pay the full cost for it.
 - If you do not pay for the drug but think it should be covered, you can ask for a coverage decision (refer to Chapter 9, Section F4).
 - If you and your doctor or other prescriber think you need the drug right away, you can ask for a fast coverage decision (refer to Chapter 9, Section F4).

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

- Send us a copy of your receipt when you ask us to pay you back. In some situations, we may need to get more information from your doctor or other prescriber in order to pay you back for the drug.

When you send us a request for payment, we will review your request and decide whether the service or drug should be covered. This is called making a “coverage decision.” If we decide it should be covered, we will pay for the service or drug. If we deny your request for payment, you can appeal our decision.

To learn how to make an appeal, refer to Chapter 9, Section F5.

B. Sending a request for payment

Send us your bill and proof of any payment you have made. Proof of payment can be a copy of the check you wrote or a receipt from the provider. **It is a good idea to make a copy of your bill and receipts for your records.** You can ask your Care Coordinator for help.

Mail your request for payment together with any bills or receipts to us at this address:

HAP Empowered MI Health Link

PO Box 2578

Detroit, MI 48202

You may also call our plan to ask for payment. Contact Customer Service at 1-888-654-0706 (TTY: 711) seven days a week, 8 a.m. to 8 p.m.

You must submit your claim to us within 60 days of the date you got the service, item, or drug.

C. Coverage decisions

When we get your request for payment, we will make a coverage decision. This means that we will decide whether your health care or drug is covered by the plan.

We will also decide the amount, if any, you have to pay for the health care or drug.

- We will let you know if we need more information from you.
- If we decide that the health care or drug is covered and you followed all the rules for getting it, we will pay for it. If you have already paid for the service or drug, we will mail you a check for what you paid. If you have not paid for the service or drug yet, we will pay the provider directly.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

Chapter 3 explains the rules for getting your services covered. Chapter 5 explains the rules for getting your Medicare Part D prescription drugs covered.

- If we decide not to pay for the service or drug, we will send you a letter explaining why not. The letter will also explain your rights to make an appeal.
- To learn more about coverage decisions, refer to Chapter 9.

D. Appeals

If you think we made a mistake in turning down your request for payment, you can ask us to change our decision. This is called making an appeal. You can also make an appeal if you do not agree with the amount we pay.

The appeals process is a formal process with detailed procedures and important deadlines. To learn more about appeals, refer to Chapter 9.

- If you want to make an appeal about getting paid back for a health care service, refer to page 159.
- If you want to make an appeal about getting paid back for a drug, refer to page 178.

Chapter 8: Your rights and responsibilities

Introduction

In this chapter, you will find your rights and responsibilities as a member of the plan. We must honor your rights. Key terms and their definitions appear in alphabetical order in the last chapter of the *Member Handbook*.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit

www.hap.org/mihealthlink.

A. Your right to get information in a way that meets your needs

We must tell you about the plan's benefits and your rights in a way that you can understand. We must tell you about your rights each year that you are in our plan.

- To get information in a way that you can understand, call Customer Service or your Care Coordinator at 1-888-654-0706 (TTY: 711), seven days a week, 8 a.m. to 8 p.m. Our plan has people who can answer questions in any language.
- Our plan can also give you materials in languages other than English and in formats such as large print or audio. Contact the HAP Empowered MI Health Link Customer Service department to request documents in different languages, for example Arabic or Spanish.
- You may also request your materials be sent to you in your preferred language other than English and/or alternate format for future mailings.
- We will keep your preference for mailings and communications on file, so you do not need to make a separate request each time. If you ever change your mind, you can always contact Customer Service.
- A right to make recommendations regarding the organization's member rights and responsibilities policy.
- A right to receive information about the organization, its services, its practitioners, and provider and member rights and responsibilities.
- If you are having trouble getting information from our plan because of language problems or a disability and you want to file a complaint, call Medicare at 1-800-MEDICARE (1-800-633-4227). You can call 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. You may also file a complaint with Michigan Medicaid. Please refer to Chapter 9 for more information.

B. Our responsibility to treat you with respect, fairness, and dignity at all times

Our plan must obey laws that protect you from discrimination or unfair treatment. **We do not discriminate** against members because of any of the following:

- Age
- Appeals
- Behavior
- Claims experience
- Ethnicity
- Evidence of insurability
- Gender identity
- Genetic information

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

- Geographic location within the service area
- Health status
- Medical history
- Mental ability
- Mental or physical disability
- National origin
- Race
- Receipt of health care
- Religion
- Sex
- Sexual orientation
- Use of services

Under the rules of the plan, you have the right to be free of any form of physical restraint or seclusion that would be used as a means of coercion, force, discipline, convenience, or retaliation.

We cannot deny services to you or punish you for exercising your rights.

- For more information, or if you have concerns about discrimination or unfair treatment, call the Department of Health and Human Services' **Office for Civil Rights** at 1-800-368-1019 (TTY 1-800-537-7697). You can also visit www.hhs.gov/ocr for more information.
- You can also call the Michigan Department of Civil Rights at 1-800-482-3604. The office nearest to our service area is located in Detroit. They can be reached at 1-313-456-3700 or toll free at 1-800-482-3604. TTY users dial 1-877-878-8464.
- If you have a disability and need help accessing care or a provider, call Customer Service. If you have a complaint, such as a problem with wheelchair access, Customer Service can help.

C. Our responsibility to ensure that you get timely access to covered services and drugs

As a member of our plan:

- You have the right to choose a primary care provider (PCP) in the plan's network. A network provider is a provider who works with the health plan. You also have the right to change the PCP within your health plan. You can find more information about choosing a PCP in Chapter 3.
 - Call Customer Service or look in the *Provider and Pharmacy Directory* to learn more about network providers and which doctors are accepting new patients.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

- You have the right to use a women’s health specialist without getting a referral. A referral is approval from your PCP to use someone that is not your PCP.
- You have the right to get covered services from network providers within a reasonable amount of time.
 - This includes the right to get timely services from specialists.
 - If you cannot get services within a reasonable amount of time, we have to pay for out-of-network care.
- You have the right to get emergency services or care that is urgently needed without prior approval.
- You have the right to get your prescriptions filled at any of our network pharmacies without long delays.
- You have the right to know when you can use an out-of-network provider. To learn about out-of-network providers, refer to Chapter 3.

Chapter 9 tells what you can do if you think you are not getting your services or drugs within a reasonable amount of time. Chapter 9 also tells what you can do if we have denied coverage for your services or drugs and you do not agree with our decision.

D. Our responsibility to protect your personal health information (PHI)

We protect your personal health information (PHI) as required by federal and state laws.

- Your PHI includes the information you gave us when you enrolled in this plan. It also includes your medical records and other medical and health information.
- You have rights to get information and to control how your PHI is used. We give you a written notice that tells about these rights. The notice is called the “Notice of Privacy Practice.” The notice also explains how we protect the privacy of your PHI.

D1. How we protect your PHI

- We make sure that unauthorized people do not look at or change your records.
- In most situations, we do not give your PHI to anyone who is not providing your care or paying for your care. If we do, we are required to get written permission from you first. Written permission can be given by you or by someone who has the legal power to make decisions for you.
- There are certain cases when we do not have to get your written permission first. These exceptions are allowed or required by law.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

- We are required to release PHI to government agencies that are checking on our quality of care.
- We are required to give Medicare and Michigan Medicaid your PHI. If Medicare or Michigan Medicaid releases your information for research or other uses, it will be done according to Federal and State laws.

D2. You have a right to look at your medical records

You have the right to look at your medical records and to get a copy of your records.

- We provide the first copy of your medical records free of charge.
- We are allowed to charge you a reasonable fee for making additional copies of your medical records.

You have the right to amend or correct information in your medical records. The correction will become part of your record.

You have the right to know if and how your PHI has been shared with others.

If you have questions or concerns about the privacy of your PHI, call Customer Service at 1-888-654-0706 or HAP's Compliance Hotline at 1-877-746-2501 (TTY: 711). You can remain anonymous.

E. Our responsibility to give you information about the plan, its network providers, and your covered services

As a member of HAP Empowered MI Health Link, you have the right to get information from us. If you do not speak English, we have free interpreter services to answer any questions you may have about our health plan. To get an interpreter, just call us at 1-888-654-0706 (TTY: 711), seven days a week, 8 a.m. to 8 p.m. This is a free service. We can also give you information in large print, audio, or different languages, for example Arabic or Spanish.

If you want information about any of the following, call Customer Service:

- How to choose or change plans
- Our plan, including:
 - Financial information
 - How the plan has been rated by plan members
 - The number of appeals made by members

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

- How to leave the plan
- Our network providers and our network pharmacies, including:
 - How to choose or change primary care providers
 - Qualifications of our network providers and pharmacies
 - How we pay providers in our network
 - For a list of providers and pharmacies in the plan's network, refer to the *Provider and Pharmacy Directory*. For more detailed information about our providers or pharmacies, call Customer Service, or visit our website at www.hap.org/mihealthlink.
- Covered services and drugs and about rules you must follow, including:
 - Services and drugs covered by the plan
 - Limits to your coverage and drugs
 - Rules you must follow to get covered services and drugs
- Why something is not covered and what you can do about it, including asking us to:
 - Put in writing why something is not covered
 - Change a decision we made
 - Pay for a bill you got

F. Inability of network providers to bill you directly

Doctors, hospitals, and other providers in our network cannot make you pay for covered services. They also cannot charge you if we pay for less than the provider charged us. To learn what to do if a network provider tries to charge you for covered services, refer to Chapter 7.

G. Your right to leave the plan

No one can make you stay in our plan if you do not want to.

- You have the right to get most of your health care services through Original Medicare or a Medicare Advantage plan.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

- You can get your Medicare Part D prescription drug benefits from a prescription drug plan or from a Medicare Advantage plan.
- Refer to Chapter 10 for more information about when you can join a new Medicare Advantage or prescription drug benefit plan.
- If there is another MI Health Link plan in your service area, you may also change to a different MI Health Link plan and continue to get coordinated Medicare and Michigan Medicaid benefits.
- You can get your Michigan Medicaid benefits through Michigan’s original (fee-for-service) Medicaid.

H. Your right to make decisions about your health care

H1. Your right to know your treatment options and make decisions about your health care

You have the right to get full information from your doctors and other health care providers when you get services. Your providers must explain your condition and your treatment choices in a way that you can understand. You have the right to:

- A candid discussion of appropriate or medically necessary treatment options for your health conditions, regardless of cost or benefit coverage.
- Participate with practitioners in making decisions about your health care.
- **Know your choices.** You have the right to be told about all the kinds of treatment.
- **Know the risks.** You have the right to be told about any risks involved. You must be told in advance if any service or treatment is part of a research experiment. You have the right to refuse experimental treatments.
- **Get a second opinion.** You have the right to go to another doctor before deciding on treatment.
- **Say “no.”** You have the right to refuse any treatment. This includes the right to leave a hospital or other medical facility, even if your doctor advises you not to. You also have the right to stop taking a drug. If you refuse treatment or stop taking a drug, you will not be dropped from the plan. However, if you refuse treatment or stop taking a drug, you accept full responsibility for what happens to you.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

- **Ask us to explain why a provider denied care.** You have the right to get an explanation from us if a provider has denied care that you believe you should get.
- **Ask us to cover a service or drug that was denied or is usually not covered.** This is called a coverage decision. Chapter 9 tells how to ask the plan for a coverage decision.

H2. Your right to say what you want to happen if you are unable to make health care decisions for yourself

Sometimes people are unable to make health care decisions for themselves. Before that happens to you, you can:

- Fill out a written form to **give someone the right to make health care decisions for you.**
- **Give your doctors written instructions** about how you want them to handle your health care if you become unable to make decisions for yourself.

The legal document that you can use to give your directions is called an advance directive. There are different types of advance directives and different names for them. Examples are a psychiatric advance directive and a durable power of attorney for health care.

Now is a good time to write down your advance directives because you can make your wishes known while you are healthy. Your doctor's office has an advance directive you fill out to tell your doctor what you want done. Your advance directive often includes a do-not-resuscitate order. Some people do this after talking to their doctor about their health status. It gives written notice to health care workers who may be treating you should you stop breathing or your heart stops. Your doctor can help you with this if you are interested.

You do not have to use an advance directive, but you can if you want to. Here is what to do:

- **Get the form.** You can get a form from your doctor, a lawyer, a legal services agency, or a social worker. Organizations that give people information about Medicare or Michigan Medicaid, such as the Medicare/Medicaid Assistance Program (MMAAP) may also have advance directive forms. You can also contact Customer Service to ask for the forms.
- **Fill it out and sign the form.** The form is a legal document. You should consider having a lawyer help you prepare it.
- **Give copies to people who need to know about it.** You should give a copy of the form to your doctor. You should also give a copy to the person you name as the one to make decisions for you. You may also want to give copies to close friends or family members. Be sure to keep a copy at home.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

- If you are going to be hospitalized and you have signed an advance directive, **take a copy of it to the hospital.**

The hospital will ask you whether you have signed an advance directive form and whether you have it with you.

If you have not signed an advance directive form, the hospital has forms available and will ask if you want to sign one.

Remember, it is your choice to fill out an advance directive or not.

H3. What to do if your instructions are not followed

In Michigan, your advance directive has binding effect on doctors and hospitals. However, if you believe that a doctor or a hospital did not follow the instructions in your advance directive, you may file a complaint with the Michigan Department of Licensing and Regulatory Affairs, Bureau of Health Care Services at 1-800-882-6006.

I. Your right to make complaints and to ask us to reconsider decisions we have made

Chapter 9 tells what you can do if you have any problems or concerns about your covered services or care. For example, you could ask us to make a coverage decision, make an appeal to us to change a coverage decision, or make a complaint.

You have the right to get information about appeals and complaints that other members have filed against our plan. To get this information, call Customer Service.

I1. What to do if you believe you are being treated unfairly or you would like more information about your rights

If you believe you have been treated unfairly—and it is **not** about discrimination for the reasons listed in Chapter 11, or you would like more information about your rights, you can get help by calling:

- Customer Service.
- The State Health Insurance Assistance Program (SHIP). In Michigan, the SHIP is called the Medicare/Medicaid Assistance Program (MMAAP). For details about this organization and how to contact it, refer to Chapter 2.
- Medicare at 1-800-MEDICARE 1-800-633-4227, 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. (You can also read or download

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

“Medicare Rights & Protections,” found on the Medicare website at www.medicare.gov/Pubs/pdf/11534-Medicare-Rights-and-Protections.pdf.)

- The MI Health Link Ombudsman program. For details about this organization and how to contact it. Call toll-free 1-888-746-6456 or email help@MHLO.org.

J. Your responsibilities as a member of the plan

As a member of the plan, you have a responsibility to do the things that are listed below. If you have any questions, call Customer Service.

- **Read the *Member Handbook*** to learn what is covered and what rules you need to follow to get covered services and drugs. For details about your:
 - Covered services, refer to Chapters 3 and 4. Those chapters tell you what is covered, what is not covered, what rules you need to follow, and what you pay.
 - Covered drugs, refer to Chapters 5 and 6.
- **Tell us about any other health or prescription drug coverage** you have. We are required to make sure you are using all of your coverage options when you get health care. Please call Customer Service if you have other coverage.
- **Tell your doctor and other health care providers** that you are enrolled in our plan. Show your Member ID Card whenever you get services or drugs.
- **Help your doctors** and other health care providers give you the best care.
 - Give them the information they need about you and your health. Learn as much as you can about your health problems. Follow the treatment plans and instructions that you and your providers agree on.
 - A responsibility to understand your health problems and participate in developing mutually agreed-upon treatment goals, to the degree possible.
 - Make sure your doctors and other providers know about all of the drugs you are taking. This includes prescription drugs, over-the-counter drugs, vitamins, and supplements.
 - If you have any questions, be sure to ask. Your doctors and other providers must explain things in a way you can understand. If you ask a question and you do not understand the answer, ask again.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

- **Be considerate.** We expect all our members to respect the rights of other patients. We also expect you to act with respect in your doctor's office, hospitals, and other providers' offices.
- **Pay what you owe.** As a plan member, you are responsible for these payments:
 - Medicare Part A and Medicare Part B premiums. For almost all HAP Empowered MI Health Link members, Michigan Medicaid pays for your Part A premium and for your Part B premium.
 - The amount of money you may be asked to pay for the time you stay in a nursing home is based on your income and determined by the State of Michigan. Chapter 4 provides additional information about the Patient Pay Amount (PPA) for nursing facility services.
 - Any Freedom to Work program premium you have. If you have questions about the Freedom to Work program, contact your local Michigan Department of Health & Human Services (MDHHS) office. You can find contact information for your local MDHHS office by visiting www.michigan.gov/mdhhs/0,5885,7-339-73970_5461---,00.html.
 - **If you get any services or drugs that are not covered by our plan, you must pay the full cost.**
 - If you disagree with our decision to not cover a service or drug, you can make an appeal. Please refer to Chapter 9 to learn how to make an appeal.
- **Tell us if you move.** If you are going to move, it is important to tell us right away. Call Customer Service.
 - **If you move outside of our service area, you cannot stay in this plan.** Only people who live in our service area can get HAP Empowered MI Health Link. Chapter 1 tells about our service area.
 - We can help you figure out whether you are moving outside our service area. During a special enrollment period, you can switch to Original Medicare or enroll in a Medicare health or prescription drug plan in your new location. We can let you know if we have a plan in your new area.
 - Also, be sure to let Medicare and Michigan Medicaid know your new address when you move. Refer to Chapter 2 for phone numbers for Medicare and Michigan Medicaid.
 - **If you move within our service area, we still need to know.** We need to keep your membership record up to date and know how to contact you.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

- Call Customer Service for help if you have questions or concerns.
- Enrollees age 55 and older who are getting long-term care services may be subject to estate recovery upon their death. For more information, you may:
 - Contact your Care Coordinator, **or**
 - Call the Beneficiary Helpline at 1-800-642-3195, **or**
 - Visit the website at www.michigan.gov/estaterecovery, **or**
 - Email questions to MDHHS-EstateRecovery@michigan.gov

K. Information about our quality program

How HAP ensures quality service and care

HAP's quality program ensures all our members get the highest quality health care. This means that medical and behavioral health services are safe and effective, based on patients' needs and delivered efficiently, fairly, and when they're needed. We constantly assess the program to find out what's working well and where we need to improve. Here are some of the questions we study:

- Are our members getting the right kind of care, in the right place and at the right time?
- Are they satisfied with their care?
- Are our members up to date on screenings, vaccinations, and other services needed to keep them healthy?
- How well are our members managing chronic diseases like diabetes and heart failure?
- Do our members and providers understand important guidelines that are based on medical research and evidence?
- How well do our hospitals perform on certain quality and safety measures?
- What else can we do to make sure that our members have access to the highest quality health care, programs, and services to keep them healthy and safe?

Our Quality Plan includes goals such as:

1. Improving clinical data and processes. Evaluation to ensure that data collection is timely, accurate, and relevant to our members, and that processes are in place to

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

meet National Committee for Quality Assurance (NCQA), State of Michigan, and Federal regulatory compliance standards.

2. Improving quality and safety of services and health outcomes for members. Evaluation of members' health care against national or evidence-based standards. This allows us to identify gaps in care and services that directly affect safety and health outcomes. Examples of services that are evaluation are flu shots, medication adherence, screening tests, and preventive care visits.
3. Assuring appropriate utilization of health care services. Evaluation of medical necessity and cost effectiveness of health care services delivered to members, using accepted and standardized utilization criteria to screen for benefit coverage medical necessity.
4. Improving member and provider satisfaction. Evaluation of members' and providers' satisfaction with care through surveys and by tracking complaints and grievances. One type of survey is called CAHPS (Consumer Assessment of Healthcare Providers and Systems). This tells HAP if you are happy with your care and your provider. It also tells us what we can make better for you.

Read the annual Quality Program report

Each year, we show HAP's ongoing commitment to improved performance by conducting an extensive analysis that you can use to identify trends and make informed choices about health care. We summarize our objectives and progress in our quality program report, go to www.hap.org/mihealthlink and then click on *Member Resources* and select Rights and Responsibilities/Safe and Quality Care. Members can also contact the Customer Service department at 1-888-654-0706 and request to speak with the Quality Management department for copies of the materials.

Chapter 9: What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Introduction

This chapter has information about your rights. Read this chapter to find out what to do if:

- You have a problem with or complaint about your plan.
- You need a service, item, or medication that your plan has said it will not pay for.
- You disagree with a decision that your plan has made about your care.
- You think your covered services are ending too soon.

If you have a problem or concern, you only need to read the parts of this chapter that apply to your situation. This chapter is broken into different sections to help you easily find what you are looking for.

If you are facing a problem with your health or long term supports and services

1. You should get the health care, drugs, and other supports and services that your doctor and other providers determine are necessary for your care as a part of your care plan. You should try to work with your providers and HAP Empowered MI Health Link first. **If you are still having a problem with your care or our plan, you can call the MI Health Link Ombudsman at 1-888-746-6456.** This chapter explains the different options you have for different problems and complaints, but you can always call the MI Health Link Ombudsman to help guide you through your problem. For additional resources to address your concerns and ways to contact them, refer to Chapter 2 for more information on ombudsman programs.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit

A. What to do if you have a problem

This chapter tells you what to do if you have a problem with your plan or with your services or payment. Medicare and Michigan Medicaid approved these processes. Each process has a set of rules, procedures, and deadlines that must be followed by us and by you.

A1. About the legal terms

There are difficult legal terms for some of the rules and deadlines in this chapter. Many of these terms can be hard to understand, so we have used simpler words in place of certain legal terms. We use abbreviations as little as possible.

For example, we will say:

- “Making a complaint” rather than “filing a grievance”
- “Coverage decision” rather than “organization determination,” “benefit determination,” “at-risk determination,” or “coverage determination”

- “Fast coverage decision” rather than “expedited determination”

Knowing the proper legal terms may help you communicate more clearly, so we provide those too.

B. Where to call for help

B1. Where to get more information and help

Sometimes it can be confusing to start or follow the process for dealing with a problem. This can be especially true if you do not feel well or have limited energy. Other times, you may not have the knowledge you need to take the next step.

You can get help from the MI Health Link Ombudsman

If you need help getting answers to your questions or understanding what to do to handle your problem, you can call the MI Health Link Ombudsman. The MI Health Link Ombudsman is not connected with us or with any insurance company. They can help you understand which process to use. The phone number for the MI Health Link Ombudsman is 1-888-746-6456. The services are free. Refer to Chapter 2 for more information on ombudsman programs.

You can get help from the State Health Insurance Assistance Program (SHIP)

You can also call your State Health Insurance Assistance Program (SHIP). In Michigan the SHIP is called the Michigan Medicare/Medicaid Assistance Program (MMAP). MMAP counselors can answer your questions and help you understand what to do to handle your problem. MMAP is not connected with us or with any insurance company or health plan. MMAP has trained counselors and their services are free. The MMAP phone number is 1-800-803-7174. You can also find information on MMAP’s website at mmapinc.org.

Getting help from Medicare

You can call Medicare directly for help with problems. Here are two ways to get help from Medicare:

- Call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY: 1-877-486-2048. The call is free.
- Visit the Medicare website (www.medicare.gov).

Getting help from Michigan Medicaid

You can also call Michigan Medicaid for help with problems. Call the Beneficiary Help Line Monday through Friday from 8:00 a.m. to 7:00 p.m. at 1-800-642-3195 (TTY: 1-866-501-5656), or 1-800-975-7630 if calling from an internet-based phone service. You can also email beneficiarysupport@michigan.gov.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

C. Which process to use to help with your problem

C1. Using the process for coverage decisions and appeals or for making a complaint

If you have a problem or concern, you only need to read the parts of this chapter that apply to your situation. The chart below will help you find the right section of this chapter for problems or complaints.

<p>Is your problem or concern about your benefits or coverage?</p> <p>(This includes problems about whether particular medical care, long term supports and services, or prescription drugs are covered or not, the way in which they are covered, and problems related to payment for medical care, long term supports and services, or prescription drugs.)</p>	
<p>Yes.</p> <p>My problem is about benefits or coverage.</p> <p>Refer to Section D: “Coverage decisions and appeals” on page 152.</p>	<p>No.</p> <p>My problem is not about benefits or coverage.</p> <p>Skip ahead to Section J: “How to make a complaint” on page 196.</p>

D. Coverage decisions and appeals

D1. Overview of coverage decisions and appeals

The process for asking for coverage decisions and making appeals deals with problems related to your benefits and coverage. It also includes problems with payment.

NOTE: Behavioral health services are covered by your Prepaid Inpatient Health Plan (PIHP). This includes mental health, intellectual/developmental disability, and substance use disorder services and supports. Contact your PIHP for information about coverage decisions and appeals on behavioral health services.

- Detroit Wayne Mental Health Authority 1-800-241-4949, TTY: 1-800-630-1044, 24 hours a day, seven days a week
- Macomb County Community Mental Health 1-855-966-2264, TTY: 711, 24 hours a day, seven days a week

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

What is a coverage decision?

A coverage decision is an initial decision we make about your benefits and coverage or about the amount we will pay for your medical services, items, or drugs. We are making a coverage decision whenever we decide what is covered for you and how much we pay. We are also making a coverage decision whenever you ask us to increase or change the amount of a service, item, or drug that you are already receiving.

If you or your providers are not sure if a service, item, or drug is covered by Medicare or Michigan Medicaid, either of you can ask for a coverage decision before you get the service, item, or drug.

What is an appeal?

An appeal is a formal way of asking us to review our coverage decision and change it if you think we made a mistake. For example, we might decide that a service, item, or drug that you want is not covered or is not medically necessary for you. If you or your provider disagree with our decision, you can appeal.

D2. Getting help with coverage decisions and appeals

Who can I call for help asking for coverage decisions or making an appeal?

You can ask any of these people for help:

- Call your **Care Coordinator** at 1-888-654-0706.
- Call **Customer Service** at 1-888-654-0706.
- Talk to **your doctor or other provider**. Your doctor or other provider can ask for a coverage decision or appeal on your behalf.
- Call the **MI Health Link Ombudsman** for free help. The MI Health Link Ombudsman can help you with questions about or problems with MI Health Link or our plan. The MI Health Link Ombudsman is an independent program and is not connected with this plan. The phone number is 1-888-746-6456.
- Call the **Michigan Medicare/Medicaid Assistance Program (MMAP)** for free help. MMAP is an independent organization. It is not connected with this plan. The phone number is 1-800-803-7174.
- Talk to a **friend or family member** and ask them to act for you. You can name another person to act for you as your “representative” to ask for a coverage decision or make an appeal. Your designated representative will have the same rights as you do in asking for a coverage decision or making an appeal.
 - If you want a friend, relative, or other person to be your representative, call Customer Service and ask for the “Appointment of Representative” form.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

- You can also get the form by visiting www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf. The form gives the person permission to act for you. You must give us a copy of the signed form.
- **You also have the right to ask a lawyer** to act for you. You may call your own lawyer or get the name of a lawyer from the local bar association or other referral service. If you choose to have a lawyer, you must pay for those legal services. However, some legal groups will give you free legal services if you qualify. If you want a lawyer to represent you, you will need to fill out the Appointment of Representative form.
 - However, you do not need a lawyer to ask for any kind of coverage decision or to make an appeal.

D3. Using the section of this chapter that will help you

There are four different types of situations that involve coverage decisions and appeals. Each situation has different rules and deadlines. We separate this chapter into different sections to help you find the rules you need to follow. **You only need to read the section that applies to your problem:**

- **Section E on page 155** gives you information if you have problems about services, items, and certain drugs (**not** Part D drugs). For example, use this section if:
 - You are not getting medical care or other supports and services that you want, and you believe our plan covers this care.
 - We did not approve services, items, or drugs that your doctor wants to give you, and you believe this care should be covered and is medically necessary.
 - **NOTE:** Only use Section E if these are drugs **not** covered by Part D. Drugs in the *List of Covered Drugs*, also known as the Drug list, with an “ADD” are **not** covered by Part D. Refer to Section F on page 178 for Part D drug appeals.
 - You got medical care or other supports and services you think should be covered, but we are not paying for this care.
 - You got and paid for medical care or other supports and services you thought were covered, and you want to ask us to pay you back.
 - You are being told that coverage for care you have been getting will be reduced or stopped, and you disagree with our decision.
 - **NOTE:** If the coverage that will be stopped is for hospital care, home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services, you need to read a separate section of this chapter

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

because special rules apply to these types of care. Refer to Section H on page 188.

- **Section F on page 170** gives you information about Part D drugs. For example, use this section if:
 - You want to ask us to make an exception to cover a Part D drug that is not on our Drug List.
 - You want to ask us to waive limits on the amount of the drug you can get.
 - You want to ask us to cover a drug that requires prior approval.
 - We did not approve your request or exception, and you or your doctor or other prescriber thinks we should have.
 - You want to ask us to pay for a prescription drug you already bought. (This is asking for a coverage decision about payment.)
- **Section G on page 182** gives you information on how to ask us to cover a longer inpatient hospital stay if you think the doctor is discharging you too soon. Use this section if:
 - You are in the hospital and think the doctor asked you to leave the hospital too soon.
- **Section H on page 188** gives you information if you think your home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services are ending too soon.

If you're not sure which section you should use, please call your Care Coordinator at 1-888-654-0706 or Customer Service at 1-888-654-0706.

If you need other help or information, please call the MI Health Link Ombudsman at 1-888-746-6456.

E. Problems about services, items, and drugs (not Part D drugs)

E1. When to use this section

This section is about what to do if you have problems with your benefits for your medical care or other supports and services. You can also use this section for problems with drugs that are **not** covered by Part D, including Medicare Part B drugs. Drugs in the Drug List with an "ADD" are **not** covered by Part D. Use Section F for Part D drug appeals.

This section tells what you can do if you are in any of the five following situations:

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

1. You think we cover a medical service or other supports and services you need but are not getting.

What you can do: You can ask us to make a coverage decision. Refer to Section E2 on page 156 for information on asking for a coverage decision.

2. We did not approve care your provider wants to give you, and you think we should have.

What you can do: You can appeal our decision to not approve the care. Refer to Section E3 on page 159 for information on making an appeal.

3. You got services or items that you think we cover, but we will not pay.

What you can do: You can appeal our decision not to pay. Refer to Section E3 on page 159 for information on making an appeal.

4. You got and paid for services or items you thought were covered, and you want us to reimburse you for the services or items.

What you can do: You can ask us to pay you back. Refer to Section E5 on page 169 for information on asking us for payment.

5. We reduced or stopped your coverage for a certain service, and you disagree with our decision.

What you can do: You can appeal our decision to reduce or stop the service. Refer to Section E3 on page 159 for information on making an appeal.

NOTE: If the coverage that will be stopped is for hospital care, home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services, special rules apply. Read Sections G or H on pages 182 and 188 to find out more.

E2. Asking for a coverage decision

How to ask for a coverage decision to get medical care or long term supports and services (LTSS)

To ask for a coverage decision, call or write us, or ask your representative or doctor to ask us for a decision.

- You can call us at: 1-888-654-0706, TTY: 711
- You can write to us at: HAP Empowered MI Health Link

- Macomb County Community Mental Health 1-855-996-2264, TTY: 711, 24 hours a day, seven days a week.

How long does it take to get a coverage decision?

It usually takes up to 14 calendar days after you, your representative, or your provider asked unless your request is for a Medicare Part B prescription drug. If your request is for a Medicare Part B prescription drug, we will give you a decision no more than 72 hours after we receive your request. If we don't give you our decision within 14 calendar days (or 72 hours for a Medicare Part B prescription drug), you can appeal.

Sometimes we need more time, and we will send you a letter telling you that we need to take up to 14 more calendar days. The letter will explain why more time is needed. We can't take extra time to give you a decision if your request is for a Medicare Part B prescription drug.

Can I get a coverage decision faster?

Yes. If you need a response faster because of your health, ask us to make a "fast coverage decision." If we approve the request, we will notify you of our decision within 72 hours (or within 24 hours for a Medicare Part B prescription drug).

However, sometimes we need more time, and we will send you a letter telling you that we need to take up to 14 more calendar days. The letter will explain why more time is needed. We can't take extra time to give you a decision if your request is for a Medicare Part B prescription drug.

The legal term for "fast coverage decision" is "expedited determination."

Asking for a fast coverage decision:

- If you request a fast coverage decision, start by calling or faxing our plan to ask us to cover the care you want.
- You can call us at 1-888-654-0706 or fax us at 1-248-663-3771. For details on how to contact us, refer to Chapter 2.
- You can also have your doctor or your representative call us.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

Here are the rules for asking for a fast coverage decision:

You must meet the following two requirements to get a fast coverage decision:

1. You can get a fast coverage decision only if you are asking about coverage for services or items you have not yet received. (You cannot ask for a fast coverage decision if your request is about payment for medical care or an item you already got.)
2. You can get a fast coverage decision only if the standard 14 calendar day deadline (or the 72-hour deadline for Medicare Part B prescription drugs) could cause serious harm to your health or hurt your ability to function.
 - If your provider says that you need a fast coverage decision, we will automatically give you one.
 - If you ask for a fast coverage decision without your provider's support, we will decide if you get a fast coverage decision.
 - If we decide that your condition does not meet the requirements for a fast coverage decision, we will send you a letter. We will also use the standard 14 calendar day deadline (or the 72-hour deadline for Medicare Part B prescription drugs) instead.
 - This letter will tell you that if your provider asks for the fast coverage decision, we will automatically give a fast coverage decision.
 - The letter will also tell how you can file a "fast complaint" about our decision to give you a standard coverage decision instead of a fast coverage decision. For more information about the process for making complaints, including fast complaints, refer to Section J on page 196.

How will I find out the plan's answer about my coverage decision?

We will send you a letter telling you whether or not we approved coverage.

If the coverage decision is No, how will I find out?

If the answer is **No**, we will send you a letter telling you our reasons for saying **No**.

- If we say **No**, you have the right to ask us to change this decision by making an appeal. Making an appeal means asking us to review our decision to deny coverage.
- If you decide to make an appeal, it means you are going on to the Internal Appeals process (read the next section for more information).

E3. Internal Appeal for services, items, and drugs (not Part D drugs)

What is an appeal?

An appeal is a formal way of asking us to review a coverage decision (denial) or any adverse action that we took. If you or your provider disagree with our decision, you can appeal.

NOTE: Your Prepaid Inpatient Health Plan (PIHP) handles appeals about behavioral health, intellectual/developmental disability, and substance use disorder services and supports. Contact your PIHP for more information.

- Detroit Wayne Mental Health Authority 1-800-241-4949, TTY: 1-800-630-1044, 24 hours a day, seven days a week.
- Macomb County Community Mental Health 1-855-996-2264, TTY: 711, 24 hours a day, seven days a week.

If you need help during the appeals process, you can call the MI Health Link Ombudsman at 1-888-746-6456. The MI Health Link Ombudsman is not connected with us or with any insurance company or health plan.

What is an adverse action?

An adverse action is an action, or lack of action, by our plan that you can appeal. This includes:

- We denied or limited a service or item your provider requested;
- We reduced, suspended, or ended coverage that was already approved;
- We did not pay for a service or item that you think is covered;
- We did not resolve your authorization request within the required timeframes;
- You could not get a covered service or item from a provider in our network within a reasonable amount of time; **or**
- We did not act within the timeframes for reviewing a coverage decision and giving you a decision.

What is an Internal Appeal?

An Internal Appeal (also called a Level 1 Appeal) is the first appeal to our plan. We will review your coverage decision to find out if it is correct. The reviewer will be someone who did not make the original coverage decision. When we complete the review, we will give you our decision in writing and tell you what you can do next if you disagree with the decision.

You must ask for an Internal Appeal before you can ask for an External Appeal under Section E4 below.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

You can ask for a “standard appeal” or a “fast appeal.”

How do I make an Internal Appeal?

- To start your appeal, you, your representative, or your provider must contact us. You can call us at 1-888-654-0706. For additional details on how to reach us for appeals, refer to Chapter 2.
- You can ask us for a “standard appeal” or a “fast appeal.”
- If you are asking for a standard appeal or fast appeal, make your appeal in writing or call us.
 - You can submit a request to the following address:

HAP Empowered MI Health Link
PO Box 2578
Detroit, MI 48202
 - You may also ask for an appeal by calling us at 1-888-654-0706.

At a glance: How to make an Internal Appeal

You, your doctor, or your representative may put your request in writing and mail or fax it to us. You may also ask for an appeal by calling us.

- Ask **within 60 calendar days** of the decision you are appealing. If you miss the deadline for a good reason, you may still appeal.
- If you appeal because we told you that a service you currently get will be changed or stopped, you have fewer days to appeal if you want to keep getting that service while your appeal is processing.
- Keep reading this section to learn about what deadline applies to your appeal.

The legal term for “fast appeal” is “**expedited reconsideration.**”

Can someone else make the appeal for me?

Yes. Your doctor or other provider can make the appeal for you. Also, someone besides your doctor or other provider can make the appeal for you. First, you must complete an Appointment of Representative form. The form gives the other person permission to act for you.

To get an Appointment of Representative form, call Customer Service and ask for one, or visit www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

We must get the completed Appointment of Representative form before we can review the appeal.

How much time do I have to make an Internal Appeal?

You must ask for an Internal Appeal **within 60 calendar days** from the date on the letter we sent to tell you our decision.

If you miss this deadline and have a good reason for missing it, we may give you more time to make your appeal. Examples of a good reason are: you were in the hospital, or we gave you the wrong information about the deadline for requesting an appeal. You should explain the reason your appeal is late when you make your appeal.

NOTE: If you appeal because we told you that a service you currently get will be changed or stopped, **you have fewer days to appeal** if you want to keep getting that service while your appeal is processing. Read “Will my benefits continue during Internal Appeals” on page 163 for more information.

Can I get a copy of my case file?

Yes. Ask us for a free copy by calling Customer Service at 1-888-654-0706.

Can my provider give you more information about my appeal?

Yes. Both you and your provider may give us more information to support your appeal.

How will we make the appeal decision?

We take a careful look at all of the information about your request for coverage of medical care or other supports and services. Then, we check if we were following all the rules when we said **No** to your request. The reviewer will be someone who did not make the original decision.

If we need more information, we may ask you or your doctor for it.

When will I hear about a “standard” appeal decision?

We must give you our answer within 30 calendar days after we get your appeal (or within 7 calendar days after we get your appeal for a Medicare Part B prescription drug). We will give you our decision sooner if your condition requires us to.

- However, if you ask for more time or if we need to gather more information, we can take up to 14 more calendar days. If we decide to take extra days to make the decision, we will send you a letter that explains why we need more time. We can't take extra time to make a decision if your appeal is for a Medicare Part B prescription drug.
- If you believe we should not take extra days, you can file a “fast complaint” about our decision to take extra days. When you file a fast complaint, we will give you an

answer to your complaint within 24 hours. For more information about the process for making complaints, including fast complaints, refer to Section J on page 196.

- If we do not give you an answer to your appeal within 30 calendar days (or within 7 calendar days after we get your appeal for a Medicare Part B prescription drug) or by the end of the extra days (if we took them), we will automatically send your case for an External Appeal if your problem is about coverage of a Medicare service or item. You will be notified when this happens. If your problem is about coverage of a Michigan Medicaid service or item, you can file an External Appeal yourself. For more information about the External Appeal process, refer to Section E4 on page 163.

If our answer is Yes to part or all of what you asked for, we must approve or give the coverage within 30 calendar days after we get your appeal (or within 7 calendar days after we get your appeal for a Medicare Part B prescription drug).

If our answer is No to part or all of what you asked for, we will send you a letter. If your problem is about coverage of a Medicare service or item, the letter will tell you that we automatically sent your case to the Independent Review Entity for an External Appeal. If your problem is about coverage of a Michigan Medicaid service or item, the letter will tell you how to file an External Appeal yourself. For more information about the External Appeal process, refer to Section E4 on page 163.

When will I hear about a “fast” appeal decision?

If you ask for a fast appeal, we will give you our answer within 72 hours after we get your appeal. We will give you our answer sooner if your condition requires us to do so.

- However, if you ask for more time or if we need to gather more information, we can take up to 14 more calendar days. If we decide to take extra days to make the decision, we will send you a letter that explains why we need more time. We can't take extra time to make a decision if your request is for a Medicare Part B prescription drug.
- If you believe we should not take extra days, you can file a “fast complaint” about our decision to take extra days. When you file a fast complaint, we will give you an answer to your complaint within 24 hours. For more information about the process for making complaints, including fast complaints, refer to Section J on page 196.
- If we do not give you an answer to your appeal within 72 hours or by the end of the extra days (if we took them), we will automatically send your case for an External Appeal if your problem is about coverage of a Medicare service or item. You will be notified when this happens. If your problem is about coverage of a Michigan Medicaid service or item, you can file an External Appeal yourself. For more information about the External Appeal process, refer to Section E4 on page 163.

If our answer is Yes to part or all of what you asked for, we must authorize or provide the coverage within 72 hours after we get your appeal.

If our answer is No to part or all of what you asked for, we will send you a letter. If your problem is about coverage of a Medicare service or item, the letter will tell you that we sent your case to the Independent Review Entity for an External Appeal. If your problem is about coverage of a Michigan Medicaid service or item, the letter will tell you how to file an External Appeal yourself. For more information about the External Appeal process, refer to Section E4 on page 163.

Will my benefits continue during Internal Appeals?

If we decide to change or stop coverage for a service that was previously approved, we will send you a notice before taking the proposed action. If you file your Internal Appeal within 10 calendar days of the date on our notice or prior to the intended effective date of the action, we will continue your benefits for the service while the Internal Appeal is pending.

If you are appealing to get a new service from our plan, then you would not get that service unless your appeal is finished and the decision is that the service is covered.

E4. External Appeal for services, items, and drugs (not Part D drugs)

If the plan says No to the Internal Appeal, what happens next?

You must ask for an Internal Appeal and get a decision from us before you can ask for an External Appeal.

If we say No to part or all of your Internal Appeal, we will send you an appeal denial notice. This notice is called the Notice of Appeal Decision. This notice will tell you if the service or item is usually covered by Medicare and/or Michigan Medicaid.

- If your problem is about a Medicare service or item, you will automatically get an External Appeal with the Independent Review Entity (IRE) as soon as the Internal Appeal is complete.
- If your problem is about a Michigan Medicaid service or item, you can file an External Appeal yourself with the Michigan Office of Administrative Hearings and Rules (MOAHR) and/or a request for an External Review with the Michigan Department of Insurance and Financial Services (DIFS). The Notice of Appeal Decision will tell you how to do this. Information is also on page 164.
- If your problem is about a service or item that could be covered by both Medicare and Michigan Medicaid, you will automatically get an External Appeal with the IRE. You can also ask for an External Appeal with MOAHR and/or External Review with DIFS.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

What is an External Appeal?

An External Appeal (also called a Level 2 Appeal) is the second appeal, which is done by an independent organization that is not connected to the plan. Medicare's External Appeal organization is called the Independent Review Entity (IRE). Michigan Medicaid's External Appeal is a Fair Hearing through the Michigan Office of Administrative Hearing and Rules (MOAHR). You also have the right to request an External Review of Michigan Medicaid service denials through the Michigan Department of Insurance and Financial Services (DIFS).

My problem is about a Michigan Medicaid covered service or item. How can I make an External Appeal?

There are two ways to make an External Appeal for Michigan Medicaid services and items: (1) Fair Hearing and/or (2) External Review.

1. Fair Hearing

You have the right to ask for a Fair Hearing from the Michigan Office of Administrative Hearings and Rules (MOAHR). A Fair Hearing is an impartial review of a decision made by our plan. You may ask for a Fair Hearing after the Internal Appeal with our plan. In addition, if you do not receive a notice about your appeal, or a decision on your appeal within the time frame the plan has to respond on your appeal, you may ask for a Michigan Medicaid Fair Hearing.

You must ask for a Fair Hearing **within 120 calendar days** from the date on the Notice of Appeal Decision.

NOTE: If you ask for a Fair Hearing because we told you that a service you currently get will be changed or stopped, **you have fewer days to file your request** if you want to keep getting that service while your Fair Hearing is pending. Read "Will my benefits continue during External Appeals" on page 168 for more information.

To ask for a Fair Hearing from MOAHR, you must complete a Request for Hearing form. We will send you a Request for Hearing form with the Notice of Appeal Decision. You can also get the form by calling the Michigan Medicaid Beneficiary Help Line at 1-800-642-3195 (TTY: 1-866-501-5656), or 1-800-975-7630 if calling from an internet-based phone service, Monday through Friday from 8:00 a.m. to 7:00 p.m. Complete the form and send it to:

Michigan Office of Administrative Hearings and Rules (MOAHR)
PO Box 30763
Lansing, MI 48909
FAX: 517-763-0146

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

You can also ask for an expedited (fast) Fair Hearing by writing to the address or faxing to the number listed above.

After MOAHR gets your Fair Hearing request, you will get a letter telling you the date, time, and place of your hearing. Hearings are usually conducted over the phone, but you can ask that your hearing be conducted in person.

MOAHR must give you an answer in writing within 90 calendar days of when it gets your request for a Fair Hearing. If you qualify for an expedited Fair Hearing, MOAHR must give you an answer within 72 hours. However, if MOAHR needs to gather more information that may help you, it can take up to 14 more calendar days.

After you get the MOAHR final decision, you have 30 calendar days from the date of the decision to file a request for rehearing/reconsideration and/or to file an appeal with the Circuit Court.

2. External Review

You also have the right to ask for an External Review through the Michigan Department of Insurance and Financial Services (DIFS). You must complete our Internal Appeals process first before you can ask for this type of External Appeal.

Your request for an External Review must be submitted **within 127 calendar days** of your receipt of our Internal Appeal decision.

NOTE: If you qualified for continuation of benefits during the Internal Appeal and you ask for an External Review **within 10 calendar days** from the date of the Internal Appeal decision, you can continue to get the disputed service during the review. Read “Will my benefits continue during External Appeals” on page 167 for more information.

To ask for an External Review from DIFS, you must complete the Health Care Request for External Review form. We will send you this form with our Notice of Appeal Decision. You can also get a copy of the form by calling DIFS at 517-284-8800. Complete the form and send it with all supporting documentation to:

DIFS - Office Research, Rules, and Appeals
Appeals Section
PO Box 30220
Lansing, MI 48909-7720
FAX: 517-284-8837

Email: DIFS-HealthAppeal@Michigan.gov

DIFS Consumer Hotline: 1-877-999-6442

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

If your request does not involve reviewing medical records, the External Review will be conducted by the Director of DIFS. If your request involves issues of medical necessity or clinical review criteria, it will be sent to a separate Independent Review Organization (IRO).

If the review is conducted by the Director and does not require review by an IRO, the Director will issue a decision within 14 calendar days after your request is accepted. If the review is referred to an IRO, the IRO will give its recommendation to DIFS within 14 calendar days after it is assigned the review. The Director will then issue a decision within 7 business days after it receives the IRO's recommendation.

If the standard timeframe for review would jeopardize your life or health, you may be able to qualify for an expedited (fast) review. An expedited review is completed within 72 hours after your request. To qualify for an expedited review, you must have your doctor verify that the timeframe for a standard review would jeopardize your life or health.

If you disagree with the External Review decision, you have the right to appeal to Circuit Court in the county where you live or the Michigan Court of Claims within 60 days from the date of the decision.

My problem is about a Medicare covered service or item. What will happen at the External Appeal?

An Independent Review Entity (IRE) will carefully review the Internal Appeal decision and decide whether it should be changed.

- You do not need to ask for the External Appeal. We will automatically send any denials (in whole or in part) to the IRE. You will be told when this happens.
- The IRE is hired by Medicare and is not connected with this plan.
- You may ask for a copy of your file by calling Customer Service at 1-888-654-0706.

The IRE must give you an answer to your External Appeal within 30 calendar days of when it gets your appeal (or within 7 calendar days of when it gets your appeal for a Medicare Part B prescription drug). This rule applies if you sent your appeal before getting medical services or items.

- However, if the IRE needs to gather more information that may benefit you, it can take up to 14 more calendar days. If the IRE needs extra days to make a decision, it will tell you by letter. The IRE can't take extra time to make a decision if your appeal is for a Medicare Part B prescription drug.

If you had a "fast appeal" at the Internal Appeal, you will automatically have a fast appeal at the External Appeal. The IRE must give you an answer within 72 hours of when it gets your appeal.

- However, if the IRE needs to gather more information that may benefit you, it can take up to 14 more calendar days. If the IRE needs extra days to make a decision, it

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

will tell you by letter. The IRE can't take extra time to make a decision if your appeal is for a Medicare Part B prescription drug.

What if my service or item is covered by both Medicare and Michigan Medicaid?

If your problem is about a service or item that could be covered by both Medicare and Michigan Medicaid, we will automatically send your External Appeal to the Independent Review Entity. You can also submit an External Appeal to the Michigan Office of Administrative Hearings and Rules (MOAHR) and/or an External Review to the Michigan Department of Insurance and Financial Services (DIFS). Follow the instructions on page 164.

Will my benefits continue during External Appeals?

If we previously approved coverage for a service but then decided to change or stop the service before the authorization expired, you can continue your benefits during External Appeals in some cases.

- If the service is covered by Medicare and you qualified for continuation of benefits during the Internal Appeal, your benefits for that service will automatically continue during the External Appeal process with the Independent Review Entity (IRE).
- If the service is covered by Michigan Medicaid, your benefits for that service will continue if you qualified for continuation of benefits during your Internal Appeal and you ask for a Fair Hearing from MOAHR or an External Review from DIFS within 10 calendar days from the date of the Notice of Appeal Decision.
- If the service could be covered by both Medicare and Michigan Medicaid and you qualified for continuation of benefits during the Internal Appeal, your benefits for that service will automatically continue during the IRE review. You may also qualify for continuation of benefits during MOAHR and/or DIFS review if you submit your request within the timeframes listed above.

If your benefits are continued, you can keep getting the service until one of the following happens: (1) you withdraw the appeal; or (2) all entities that got your appeal (the IRE, MOAHR, and/or DIFS) decide "no" to your request. If any of the entities decide "yes" to your request, your services will continue.

How will I find out about the decision?

If your External Appeal went to the Michigan Office of Administrative Hearings and Rules (MOAHR) for a Fair Hearing, MOAHR will send you a letter explaining its decision.

- If MOAHR says **Yes** to part or all of what you asked for, we must approve the service for you as quickly as your condition requires, but no later than 72 hours from the date we receive MOAHR's decision.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

- If MOAHR says **No** to part or all of what you asked for, it means they agree with the Internal Appeal decision. This is called “upholding the decision” or “turning down your appeal.”

If your External Appeal went to the Michigan Department of Insurance and Financial Services (DIFS) for an External Review, DIFS will send you a letter explaining the Director’s decision.

- If DIFS says **Yes** to part or all of what you asked for, we must approve the service for you as quickly as your condition requires.
- If DIFS says **No** to part or all of what you asked for, it means they agree with the Internal Appeal decision. This is called “upholding the decision” or “turning down your appeal.”

If your External Appeal went to the Independent Review Entity (IRE), it will send you a letter explaining its decision.

- If the IRE says **Yes** to part or all of what you asked for, we must authorize the coverage as quickly as your condition requires, but no later than 72 hours from the date we get the IRE’s decision.
- If the IRE says **Yes** to part or all of what you asked for in your standard appeal for a Medicare Part B prescription drug, we must authorize or provide the Medicare Part B prescription drug within 72 hours after we get the IRE’s decision. If you had a fast appeal, we must authorize or provide the Medicare Part B prescription drug within 24 hours from the date we get the IRE’s decision.
- If the IRE says **No** to part or all of what you asked for, it means they agree with the Internal Appeal decision. This is called “upholding the decision.” It is also called “turning down your appeal.”

What if I had different types of External Appeals and they have different decisions?

If any of the External Appeal organizations (MOAHR, DIFS, and/or the IRE) decide **Yes** for all or part of what you asked for, we will give you the approved service or item that is closest to what you asked for in your appeal.

If the decision is No for all or part of what I asked for, can I make another appeal?

If your External Appeal went to the Michigan Office of Administrative Hearings and Rules (MOAHR) for a Fair Hearing, you can appeal the decision within 30 days to the Circuit Court. You may also request a rehearing or reconsideration by MOAHR within 30 days.

If your External Appeal went to the Michigan Department of Insurance and Financial Services (DIFS) for an External Review, you can appeal to the Circuit Court in the county where you live or the Michigan Court of Claims within 60 days from the date of the decision.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

If your External Appeal went to the Independent Review Entity (IRE), you can appeal again only if the dollar value of the service or item you want meets a certain minimum amount.

The letter you get from the MOAHR, DIFS, or IRE will explain additional appeal rights you may have. Refer to Section I on page 195 for more information on additional levels of appeal.

NOTE: Your benefits for the disputed service will not continue during the additional levels of appeal.

E5. Payment problems

We do not allow our network providers to bill you for covered services and items. This is true even if we pay the provider less than the provider charges for a covered service or item. You are never required to pay the balance of any bill. The only amount you should be asked to pay is any required Patient Pay Amount (PPA) for nursing home care.

If you get a bill for covered services and items, send the bill to us. **You should not pay the bill yourself.** We will contact the provider directly and take care of the problem.

For more information, start by reading Chapter 7: “Asking us to pay a bill you have gotten for covered services or drugs.” Chapter 7 describes the situations in which you may need to ask for reimbursement or to pay a bill you got from a provider. It also tells how to send us the paperwork that asks us for payment.

Can I ask you to pay me back for a service or item I paid for?

Remember, if you get a bill for covered services and items, you should not pay the bill yourself. But if you do pay the bill, you can get a refund if you followed the rules for getting services and items.

If you are asking to be paid back, you are asking for a coverage decision. We will find out if the service or item you paid for is a covered service or item, and we will check if you followed all the rules for using your coverage.

- If the service or item you paid for is covered and you followed all the rules, we will send you the payment for the service or item within 60 calendar days after we get your request. If you haven't paid for the service or item yet, we will send the payment directly to the provider. When we send the payment, it's the same as saying **Yes** to your request for a coverage decision.
- If the service or item is not covered, or you did not follow all the rules, we will send you a letter telling you we will not pay for the service or item, and explaining why.

What if we say we will not pay?

If you do not agree with our decision, **you can make an appeal.** Follow the appeals process described in Section E3 on page 159. When you follow these instructions, please note:

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

- If you make an appeal for reimbursement, we must give you our answer within 60 calendar days after we get your appeal.
- If you are asking us to pay you back for a service or item you already got and paid for yourself, you cannot ask for a fast appeal.

If we answer **No** to your appeal and the service or item is usually covered by Medicare, we will automatically send your case to the Independent Review Entity (IRE). We will notify you by letter if this happens.

- If the IRE reverses our decision and says we should pay you, we must send the payment to you or to the provider within 30 calendar days. If the answer to your appeal is **Yes** at any stage of the appeals process after review by the IRE, we must send the payment you asked for to you or to the provider within 60 calendar days.
- If the IRE says **No** to your appeal, it means they agree with our decision not to approve your request. (This is called “upholding the decision.” It is also called “turning down your appeal.”) The letter you get will explain additional appeal rights you may have. You can appeal again only if the dollar value of the service or item you want meets a certain minimum amount. Refer to Section I on page 195 for more information on additional levels of appeal.

If we answer **No** to your appeal and the service or item is usually covered by Michigan Medicaid, you can ask for a Fair Hearing from the Michigan Office of Administrative Hearings and Rules (MOAHR) or an External Review from the Michigan Department of Insurance and Financial Services (refer to Section E4 on page 164).

F. Part D drugs

F1. What to do if you have problems getting a Part D drug or you want us to pay you back for a Part D drug

Your benefits as a member of our plan include coverage for many prescription drugs. Most of these drugs are “Part D drugs.” There are a few drugs that Medicare Part D does not cover but that Michigan Medicaid may cover. **This section only applies to Part D drug appeals.**

The Drug List includes some drugs with an “ADD.” These drugs are **not** Part D drugs. Appeals or coverage decisions about drugs with an “ADD” symbol follow the process in Section E on page 155.

Can I ask for a coverage decision or make an appeal about Part D prescription drugs?

Yes. Here are examples of coverage decisions you can ask us to make about your Part D drugs:

- You ask us to make an exception such as:

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

- Asking us to cover a Part D drug that is not on the plan's Drug List
- Asking us to waive a restriction on the plan's coverage for a drug (such as limits on the amount of the drug you can get)
- You ask us if a drug is covered for you (for example, when your drug is on the plan's Drug List but we require you to get approval from us before we will cover it for you).

NOTE: If your pharmacy tells you that your prescription cannot be filled, you will get a notice explaining how to contact us to ask for a coverage decision.

- You ask us to pay for a prescription drug you already bought. This is asking for a coverage decision about payment.

The legal term for a coverage decision about your Part D drugs is “**coverage determination.**”

If you disagree with a coverage decision we have made, you can appeal our decision. This section tells you how to ask for coverage decisions **and** how to request an appeal.

Use the chart below to help you decide which section has information for your situation:

Which of these situations are you in?			
<p>Do you need a drug that isn't on our Drug List or need us to waive a rule or restriction on a drug we cover?</p> <p>You can ask us to make an exception. (This is a type of coverage decision.)</p> <p>Start with Section F2 on page 173. Also refer to Sections F3 and F4 on pages 173 and 175.</p>	<p>Do you want us to cover a drug on our Drug List and you believe you meet any plan rules or restrictions (such as getting approval in advance) for the drug you need?</p> <p>You can ask us for a coverage decision.</p> <p>Skip ahead to Section F4 on page 175.</p>	<p>Do you want to ask us to pay you back for a drug you already got and paid for?</p> <p>You can ask us to pay you back. (This is a type of coverage decision.)</p> <p>Skip ahead to Section F4 on page 175.</p>	<p>Have we already told you that we will not cover or pay for a drug in the way that you want it to be covered or paid for?</p> <p>You can make an appeal. (This means you are asking us to reconsider.)</p> <p>Skip ahead to Section F5 on page 178.</p>

F2. What an exception is

An exception is permission to get coverage for a drug that is not normally on our Drug List or to use the drug without certain rules and limitations. If a drug is not on our Drug List or is not covered in the way you would like, you can ask us to make an “exception.”

When you ask for an exception, your doctor or other prescriber will need to explain the medical reasons why you need the exception.

Here are examples of exceptions that you or your doctor or another prescriber can ask us to make:

1. Covering a Part D drug that is not on our Drug List.
 - If we agree to make an exception and cover a drug that is not on the Drug List, you will not be charged.
2. Removing a restriction on our coverage. There are extra rules or restrictions that apply to certain drugs on our Drug List (for more information, refer to Chapter 5, Section C).
 - The extra rules and restrictions on coverage for certain drugs include:
 - Being required to use the generic version of a drug instead of the brand name drug.
 - Getting plan approval before we will agree to cover the drug for you. (This is sometimes called “prior authorization.”)
 - Being required to try a different drug first before we will agree to cover the drug you are asking for. (This is sometimes called “step therapy.”)
 - Quantity limits. For some drugs, we limit the amount of the drug you can have.

The legal term for asking for removal of a restriction on coverage for a drug is sometimes called asking for a **“formulary exception.”**

F3. Important things to know about asking for exceptions

Your doctor or other prescriber must tell us the medical reasons

Your doctor or other prescriber must give us a statement explaining the medical reasons for requesting an exception. Our decision about the exception will be faster if you include this information from your doctor or other prescriber when you ask for the exception.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

Typically, our Drug List includes more than one drug for treating a particular condition. These are called “alternative” drugs. If an alternative drug would be just as effective as the drug you are asking for and would not cause more side effects or other health problems, we will generally not approve your request for an exception.

We will say Yes or No to your request for an exception

- If we say **Yes** to your request for an exception, the exception usually lasts until the end of the calendar year. This is true as long as your doctor continues to prescribe the drug for you and that drug continues to be safe and effective for treating your condition.
- If we say **No** to your request for an exception, you can ask for a review of our decision by making an appeal. Section F5 on page 178 tells how to make an appeal if we say **No**.

The next section tells you how to ask for a coverage decision, including an exception.

F4. How to ask for a coverage decision about a Part D drug or reimbursement for a Part D drug, including an exception

What to do

- Ask for the type of coverage decision you want. Call, write, or fax us to make your request. You, your representative, or your doctor (or other prescriber) can do this. You can call us at 1-888-654-0706 or fax us at 1-313-664-8045.
- You or your doctor (or other prescriber) or someone else who is acting on your behalf can ask for a coverage decision. You can also have a lawyer act on your behalf.
- Read Section D on page 152 to find out how to give permission to someone else to act as your representative.

You do not need to give your doctor or other prescriber written permission to ask us for a coverage decision on your behalf.

- If you want to ask us to pay you back for a drug, read Chapter 7 of this handbook. Chapter 7 describes times when you may need to ask for reimbursement. It also tells how to send us the paperwork that asks us to pay you back for our share of the cost of a drug you have paid for.
- If you are asking for an exception, provide the “supporting statement.” Your doctor or other prescriber must give us the medical reasons for the drug exception. We call this the “supporting statement.”
- Your doctor or other prescriber can fax or mail the statement to us. Or your doctor or other prescriber can tell us on the phone, and then fax or mail a statement.

If your health requires it, ask us to give you a “fast coverage decision”

We will use the “standard deadlines” unless we have agreed to use the “fast deadlines.”

At a glance: How to ask for a coverage decision about a drug or payment

Call, write, or fax us to ask, or ask your representative or doctor or other prescriber to ask. We will give you an answer on a standard coverage decision within 72 hours. We will give you an answer on reimbursing you for a Part D drug you already paid for within 14 calendar days.

- If you are asking for an exception, include the supporting statement from your doctor or other prescriber.
- You or your doctor or other prescriber may ask for a fast decision. (Fast decisions usually come within 24 hours.)
- Read this section to make sure you qualify for a fast decision! Read it also to find information about decision deadlines.

- A **standard coverage decision** means we will give you an answer within 72 hours after we get your doctor's statement.
- A **fast coverage decision** means we will give you an answer within 24 hours after we get your doctor's statement.

The legal term for “fast coverage decision” is “expedited coverage determination.”

You can get a fast coverage decision only if you are asking for a drug you have not yet received. (You cannot get a fast coverage decision if you are asking us to pay you back for a drug you already bought.)

You can get a fast coverage decision **only if using the standard deadlines could cause serious harm to your health or hurt your ability to function.**

If your doctor or other prescriber tells us that your health requires a “fast coverage decision,” we will automatically agree to give you a fast coverage decision, and the letter will tell you that.

- If you ask for a fast coverage decision on your own (without your doctor's or other prescriber's support), we will decide whether you get a fast coverage decision.
- If we decide that your medical condition does not meet the requirements for a fast coverage decision, we will use the standard deadlines instead.
 - We will send you a letter telling you that. The letter will tell you how to make a complaint about our decision to give you a standard decision.
 - You can file a “fast complaint” and get a response to your complaint within 24 hours. For more information about the process for making complaints, including fast complaints, refer to Section J on page 196.

Deadlines for a “fast coverage decision”

- If we are using the fast deadlines, we must give you our answer within 24 hours. This means within 24 hours after we get your request. Or, if you are asking for an exception, this means within 24 hours after we get your doctor's or prescriber's statement supporting your request. We will give you our answer sooner if your health requires it.
- If we do not meet this deadline, we will send your request to Level 2 of the appeals process. At Level 2, an Independent Review Entity will review your request.

- **If our answer is Yes** to part or all of what you asked for, we must give you the coverage within 24 hours after we get your request or your doctor's or prescriber's statement supporting your request.
- **If our answer is No** to part or all of what you asked for, we will send you a letter that explains why we said **No**. The letter will also explain how you can appeal our decision.

Deadlines for a “standard coverage decision” about a drug you have not yet received

- If we are using the standard deadlines, we must give you our answer within 72 hours after we get your request. Or, if you are asking for an exception, this means within 72 hours after we get your doctor's or prescriber's supporting statement. We will give you our answer sooner if your health requires it.
- If we do not meet this deadline, we will send your request on to Level 2 of the appeals process. At Level 2, an Independent Review Entity will review your request.
- **If our answer is Yes** to part or all of what you asked for, we must approve or give the coverage within 72 hours after we get your request or, if you are asking for an exception, your doctor's or prescriber's supporting statement.
- **If our answer is No** to part or all of what you asked for, we will send you a letter that explains why we said **No**. The letter will also explain how you can appeal our decision.

Deadlines for a “standard coverage decision” about payment for a drug you already bought

- We must give you our answer within 14 calendar days after we get your request.
- If we do not meet this deadline, we will send your request to Level 2 of the appeals process. At Level 2, an Independent Review Entity will review your request.
- **If our answer is Yes** to part or all of what you asked for, we will make payment to you within 14 calendar days.
- **If our answer is No** to part or all of what you asked for, we will send you a letter that explains why we said **No**. The letter will also explain how you can appeal our decision.

F5. Level 1 Appeal for Part D drugs

- To start your appeal, you, your doctor or other prescriber, or your representative must contact us.
- If you are asking for a standard appeal, you can make your appeal by sending a request in writing. You may also ask for an appeal by calling us at 1-888-654-0706.
- If you want a fast appeal, you may make your appeal in writing or you may call us.
- Make your appeal request **within 60 calendar days** from the date on the notice we sent to tell you our decision. If you miss this deadline and have a good reason for missing it, we may give you more time to make your appeal. For example, good reasons for missing the deadline would be if you have a serious illness that kept you from contacting us or if we gave you incorrect or incomplete information about the deadline for requesting an appeal.
- You have the right to ask us for a copy of the information about your appeal. To ask for a copy, call Customer Service at 1-888-654-0706 (TTY: 711).

At a glance: How to make a Level 1 Appeal

You, your doctor or prescriber, or your representative may put your request in writing and mail or fax it to us. You may also ask for an appeal by calling us.

- Ask **within 60 calendar days** of the decision you are appealing. If you miss the deadline for a good reason, you may still appeal.
- You, your doctor or prescriber, or your representative can call us to ask for a fast appeal.
- Read this section to make sure you qualify for a fast decision! Read it also to find information about decision deadlines.

The legal term for an appeal to the plan about a Part D drug coverage decision is plan **“redetermination.”**

If you wish, you and your doctor or other prescriber may give us additional information to support your appeal.

If your health requires it, ask for a “fast appeal”

- If you are appealing a decision our plan made about a drug you have not yet received, you and your doctor or other prescriber will need to decide if you need a “fast appeal.”

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

- The requirements for getting a “fast appeal” are the same as those for getting a “fast coverage decision” in Section F4 on page 175.

The legal term for “fast appeal” is “expedited redetermination.”

Our plan will review your appeal and give you our decision

- We take another careful look at all of the information about your coverage request. We check if we were following all the rules when we said **No** to your request. We may contact you or your doctor or other prescriber to get more information. The reviewer will be someone who did not make the original coverage decision.

Deadlines for a “fast appeal”

- If we are using the fast deadlines, we will give you our answer within 72 hours after we get your appeal, or sooner if your health requires it.
- If we do not give you an answer within 72 hours, we will send your request to Level 2 of the appeals process. At Level 2, an Independent Review Entity will review your request.
- **If our answer is Yes** to part or all of what you asked for, we must give the coverage within 72 hours after we get your appeal.
- **If our answer is No** to part or all of what you asked for, we will send you a letter that explains why we said **No** and how to appeal our decision.

Deadlines for a “standard appeal”

- If we are using the standard deadlines, we must give you our answer within 7 calendar days after we get your appeal, or sooner if your health requires it, except if you are asking us to pay you back for a drug you already bought. If you are asking us to pay you back for a drug you already bought, we must give you our answer within 14 calendar days after we get your appeal. If you think your health requires it, you should ask for a “fast appeal.”
- If we do not give you a decision within 7 calendar days, or 14 calendar days if you asked us to pay you back for a drug you already bought, we will send your request to Level 2 of the appeals process. At Level 2, an Independent Review Entity will review your request.
- **If our answer is Yes** to part or all of what you asked for:

- If we approve a request for coverage, we must give you the coverage as quickly as your health requires, but no later than 7 calendar days after we get your appeal or 14 calendar days if you asked us to pay you back for a drug you already bought.
- If we approve a request to pay you back for a drug you already bought, we will send payment to you within 30 calendar days after we get your appeal request.
- **If our answer is No** to part or all of what you asked for, we will send you a letter that explains why we said **No** and tells how to appeal our decision.

F6. Level 2 Appeal for Part D drugs

If we say **No** to part or all of your appeal, you can choose whether to accept this decision or make another appeal. If you decide to go on to a Level 2 Appeal, the Independent Review Entity (IRE) will review our decision.

- If you want the IRE to review your case, your appeal request must be in writing. The letter we send about our decision in the Level 1 Appeal will explain how to request the Level 2 Appeal.
- When you make an appeal to the IRE, we will send them your case file. You have the right to ask us for a copy of your case file by calling Customer Service at 1-888-654-0706 (TTY: 711).
- You have a right to give the IRE other information to support your appeal.
- The IRE is an independent organization that is hired by Medicare. It is not connected with this plan and it is not a government agency.

At a glance: How to make a Level 2 Appeal

If you want the Independent Review Entity to review your case, your appeal request must be in writing.

- Ask **within 60 calendar days** of the decision you are appealing. If you miss the deadline for a good reason, you may still appeal.
- You, your doctor or other prescriber, or your representative can request the Level 2 Appeal.
- Read this section to make sure you qualify for a fast decision! Read it also to find information about decision deadlines.

- Reviewers at the IRE will take a careful look at all of the information related to your appeal. The organization will send you a letter explaining its decision.

The legal term for an appeal to the IRE about a Part D drug is “reconsideration.”

Deadlines for “fast appeal” at Level 2

- If your health requires it, ask the Independent Review Entity (IRE) for a “fast appeal.”
- If the IRE agrees to give you a “fast appeal,” it must give you an answer to your Level 2 Appeal within 72 hours after getting your appeal request.
- If the IRE says **Yes** to part or all of what you asked for, we must authorize or give you the drug coverage within 24 hours after we get the decision.

Deadlines for “standard appeal” at Level 2

- If you have a standard appeal at Level 2, the Independent Review Entity (IRE) must give you an answer to your Level 2 Appeal within 7 calendar days after it gets your appeal, or 14 calendar days if you asked us to pay you back for a drug you already bought.
- If the IRE says **Yes** to part or all of what you asked for, we must authorize or give you the drug coverage within 72 hours after we get the decision.
- If the IRE approves a request to pay you back for a drug you already bought, we will send payment to you within 30 calendar days after we get the decision.

What if the Independent Review Entity says No to your Level 2 Appeal?

No means the Independent Review Entity (IRE) agrees with our decision not to approve your request. This is called “upholding the decision.” It is also called “turning down your appeal.”

If you want to go to Level 3 of the appeals process, the drugs you are requesting must meet a minimum dollar value. If the dollar value is less than the minimum, you cannot appeal any further. If the dollar value is high enough, you can ask for a Level 3 appeal. The letter you get from the IRE will tell you the dollar value needed to continue with the appeal process.

G. Asking us to cover a longer hospital stay

When you are admitted to a hospital, you have the right to get all hospital services that we cover that are necessary to diagnose and treat your illness or injury.

During your covered hospital stay, your doctor and the hospital staff will work with you to prepare for the day when you leave the hospital. They will also help arrange for any care you may need after you leave.

- The day you leave the hospital is called your “discharge date.”
- Your doctor or the hospital staff will tell you what your discharge date is.

If you think you are being asked to leave the hospital too soon, you can ask for a longer hospital stay. This section tells you how to ask.

G1. Learning about your Medicare rights

Within two days after you are admitted to the hospital, a caseworker or nurse will give you a notice called “An Important Message from Medicare about Your Rights”. If you do not get this notice, ask any hospital employee for it. If you need help, please call Customer Service at 1-888-654-0706 (TTY: 711). You can also call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

Read this notice carefully and ask questions if you don’t understand. The “Important Message” tells you about your rights as a hospital patient, including your rights to:

- Get Medicare-covered services during and after your hospital stay. You have the right to know what these services are, who will pay for them, and where you can get them.
- Be a part of any decisions about the length of your hospital stay.
- Know where to report any concerns you have about the quality of your hospital care.
- Appeal if you think you are being discharged from the hospital too soon.

You should sign the Medicare notice to show that you got it and understand your rights. Signing the notice does **not** mean you agree to the discharge date that may have been told to you by your doctor or hospital staff.

Keep your copy of the signed notice so you will have the information in it if you need it.

- To look at a copy of this notice in advance, you can call Customer Service at 1-888-654-0706 (TTY: 711). You can also call 1-800 MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. The call is free.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

- You can also find the notice online at www.cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeAppealNotices.html.
- If you need help, please call Customer Service or Medicare at the numbers listed above.

G2. Level 1 Appeal to change your hospital discharge date

If you want us to cover your inpatient hospital services for a longer time, you must request an appeal. A Quality Improvement Organization will do the Level 1 Appeal review to find out if your planned discharge date is medically appropriate for you.

In Michigan, the Quality Improvement Organization is called Livanta. To make an appeal to change your discharge date, call Livanta at: 1-888-524-9900 (TTY: 1-888-985-8775).

Call right away!

Call the Quality Improvement Organization **before** you leave the hospital and no later than your planned discharge date. “An Important Message from Medicare about Your Rights” contains information on how to reach the Quality Improvement Organization.

- **If you call before you leave**, you are allowed to stay in the hospital after your planned discharge date without paying for it while you wait to get the decision on your appeal from the Quality Improvement Organization.
- **If you do not call to appeal**, and you decide to stay in the hospital after your planned discharge date, you may have to pay all of the costs for hospital care you get after your planned discharge date.
- **If you miss the deadline** for contacting the Quality Improvement Organization about your appeal, you can make your appeal directly to our plan instead. For details, refer to Section G4 on page 186.

At a glance: How to make a Level 1 Appeal to change your discharge date

Call the Quality Improvement Organization for your state at 1-888-524-9900 and ask for a “fast review”.

Call before you leave the hospital and before your planned discharge date.

We want to make sure you understand what you need to do and what the deadlines are.

- **Ask for help if you need it.** If you have questions or need help at any time, please call Customer Service at 1-888-654-0706 (TTY: 711). You can also call the Michigan

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

Medicare/Medicaid Assistance Program (MMAP) at 1-800-803-7174. You can also get help from the MI Health Link Ombudsman by calling 1-888-746-6456.

What is a Quality Improvement Organization?

It is a group of doctors and other health care professionals who are paid by the federal government. These experts are not part of our plan. They are paid by Medicare to check on and help improve the quality of care for people with Medicare.

Ask for a “fast review”

You must ask the Quality Improvement Organization for a “**fast review**” of your discharge. Asking for a “fast review” means you are asking the organization to use the fast deadlines for an appeal instead of using the standard deadlines.

The legal term for “fast review” is “immediate review.”

What happens during the fast review?

- The reviewers at the Quality Improvement Organization will ask you or your representative why you think coverage should continue after the planned discharge date. You don't have to prepare anything in writing, but you may do so if you wish.
- The reviewers will look at your medical record, talk with your doctor, and review all of the information related to your hospital stay.
- By noon of the day after the reviewers tell us about your appeal, you will get a letter that gives your planned discharge date. The letter explains the reasons why your doctor, the hospital, and we think it is right for you to be discharged on that date.

The legal term for this written explanation is called the “**Detailed Notice of Discharge.**” You can get a sample by calling Customer Service at 1-888-654-0706 (TTY: 711). You can also call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. The call is free. Or you can find a sample notice online at www.cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeAppealNotices.html

What if the answer is Yes?

- If the Quality Improvement Organization says **Yes** to your appeal, we must keep covering your hospital services for as long as they are medically necessary.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

What if the answer is No?

- If the Quality Improvement Organization says **No** to your appeal, they are saying that your planned discharge date is medically appropriate. If this happens, our coverage for your inpatient hospital services will end at noon on the day *after* the Quality Improvement Organization gives you its answer.
- If the Quality Improvement Organization says **No** and you decide to stay in the hospital, then you may have to pay for your continued stay at the hospital. The cost of the hospital care that you may have to pay begins at noon on the day after the Quality Improvement Organization gives you its answer.
- If the Quality Improvement Organization turns down your appeal and you stay in the hospital after your planned discharge date, then you can make a Level 2 Appeal.

G3. Level 2 Appeal to change your hospital discharge date

If the Quality Improvement Organization has turned down your appeal and you stay in the hospital after your planned discharge date, then you can make a Level 2 Appeal. You will need to contact the Quality Improvement Organization again and ask for another review.

Ask for the Level 2 review **within 60 calendar days** after the day when the Quality Improvement Organization said **No** to your Level 1 Appeal. You can ask for this review only if you stayed in the hospital after the date that your coverage for the care ended.

In Michigan, the Quality Improvement Organization is called Livanta. You can reach Livanta at: 1-888-524-9900 (TTY: 1-888-985-8775).

- Reviewers at the Quality Improvement Organization will take another careful look at all of the information related to your appeal.
- Within 14 calendar days of receipt of your request for a second review, the Quality Improvement Organization reviewers will make a decision.

At a glance: How to make a Level 2 Appeal to change your discharge date

Call the Quality Improvement Organization for your state at 1-888-524-9900 and ask for another review.

What happens if the answer is Yes?

- We must pay you back for our share of the costs of hospital care you got since noon on the day after the date of your first appeal decision. We must continue providing coverage for your inpatient hospital care for as long as it is medically necessary.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

- You must continue to pay your share of the costs and coverage limitations may apply.

What happens if the answer is No?

It means the Quality Improvement Organization agrees with the Level 1 decision and will not change it. The letter you get will tell you what you can do if you wish to continue with the appeal process.

If the Quality Improvement Organization turns down your Level 2 Appeal, you may have to pay the full cost for your stay after your planned discharge date.

G4. What happens if you miss an appeal deadline

You can appeal to us instead

If you miss appeal deadlines, there is another way to make Level 1 and Level 2 Appeals, called Alternate Appeals. But the first two levels of appeal are different.

NOTE: Your Prepaid Inpatient Health Plan (PIHP) handles appeals about behavioral health, intellectual/developmental disability, and substance use disorder services and supports. This includes Alternate Appeals for inpatient mental health care. Contact your PIHP for more information.

- Detroit Wayne Mental Health Authority 1-800-241-4949, TTY: 1-800-630-1044, 24 hours a day, seven days a week.
- Macomb County Community Mental Health 1-855-966-2264, TTY: 711, 24 hours a day, seven days a week.

Level 1 Alternate Appeal to change your hospital discharge date

If you miss the deadline for contacting the Quality Improvement Organization (which is within 60 days or no later than your planned discharge date, whichever comes first), you can make an appeal to us, asking for a “fast review.” A fast review is an appeal that uses the fast deadlines instead of the standard deadlines.

- During this review, we take a look at all of the information about your hospital stay. We check if the decision about when you should leave the hospital was fair and followed all the rules.
- We will use the fast deadlines rather than the standard deadlines for giving you the answer to this review. This means we will give you our decision within 72 hours after you ask for a “fast review.”
- **If we say Yes to your fast review**, it means we agree that you still need to be in the hospital after the discharge date. We will keep covering hospital services for as long as it is medically necessary. It also means that we agree to pay you back for our share of the costs of care you got since the date when we said your coverage would end.
- **If we say No to your fast review**, we are saying that your planned discharge date was medically appropriate. Our coverage for your inpatient hospital services ends on the day we said coverage would end.
 - If you stayed in the hospital after your planned discharge date, then you may have to pay the full cost of hospital care you got after the planned discharge date.
 - To make sure we were following all the rules when we said **No** to your fast appeal, we will send your appeal to the “Independent Review Entity.” When we do this, it means that your case is automatically going to Level 2 of the appeals process.

At a glance: How to make a Level 1 Alternate Appeal

Call our Customer Service number and ask for a “fast review” of your hospital discharge date.

We will give you our decision within 72 hours.

The legal term for “fast review” or “fast appeal” is “**expedited appeal.**”

Level 2 Alternate Appeal to change your hospital discharge date

We will send the information for your Level 2 Appeal to the Independent Review Entity (IRE) within 24 hours of when we give you our Level 1 decision. If you think we are not meeting this deadline or other deadlines, you can make a complaint. Section J on page 196 tells how to make a complaint.

During the Level 2 Appeal, the IRE reviews the decision we made when we said **No** to your “fast review.” This organization decides whether the decision we made should be changed.

- The IRE does a “fast review” of your appeal. The reviewers usually give you an answer within 72 hours.
- The IRE is an independent organization that is hired by Medicare. This organization is not connected with our plan and it is not a government agency.
- Reviewers at the IRE will take a careful look at all of the information related to your appeal of your hospital discharge.
- If the IRE says **Yes** to your appeal, then we must pay you back for our share of the costs of hospital care you got since the date of your planned discharge. We must also continue our coverage of your hospital services for as long as it is medically necessary.
- If the IRE says **No** to your appeal, it means they agree with us that your planned hospital discharge date was medically appropriate.

At a glance: How to make a Level 2 Alternate Appeal

You do not have to do anything. The plan will automatically send your appeal to the Independent Review Entity.

The letter you get from the IRE will tell you what you can do if you wish to continue with the review process. It will give you the details about how to go on to a Level 3 Appeal, which is handled by a judge.

H. What to do if you think your home health care, skilled nursing care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services are ending too soon

This section is about the following types of care only:

- Home health care services.
- Skilled nursing care in a skilled nursing facility.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

- Rehabilitation care you are getting as an outpatient at a Medicare-approved Comprehensive Outpatient Rehabilitation Facility (CORF). Usually, this means you are getting treatment for an illness or accident, or you are recovering from a major operation.
 - With any of these three types of care, you have the right to keep getting covered services for as long as the doctor says you need it.
 - When we decide to stop covering any of these, we must tell you before your services end. When your coverage for that care ends, we will stop paying for your care.

If you think we are ending the coverage of your care too soon, **you can appeal our decision**. This section tells you how to ask for an appeal.

H1. We will tell you in advance when your coverage will be ending

You will get a notice at least two calendar days before we stop paying for your care. This is called the Notice of Medicare Non-Coverage. The written notice tells you the date we will stop covering your care and how to appeal this decision.

You or your representative should sign the written notice to show that you got it. Signing it does **not** mean you agree with the plan that it is time to stop getting the care.

When your coverage ends, we will stop paying for your care.

H2. Level 1 Appeal to continue your care

If you think we are ending coverage of your care too soon, you can appeal our decision. This section tells you how to ask for an appeal.

Before you start your appeal, understand what you need to do and what the deadlines are.

- **Meet the deadlines.** The deadlines are important. Be sure that you understand and follow the deadlines that apply to things you must do. There are also deadlines our plan must follow. (If you think we are not meeting our deadlines, you can file a complaint. Section J on page 196 tells you how to file a complaint.)
- **Ask for help if you need it.** If you have questions or need help at any time, please call Customer Service at 1-888-654-0706 (TTY: 711). Or call the Michigan Medicare/Medicaid Assistance Program (MMAP) at 1-800-803-7174.

During a Level 1 Appeal, a Quality Improvement Organization will review your appeal and decide whether to change the decision we made. In Michigan, the Quality Improvement Organization is called Livanta. You can reach Livanta at: 1-888-524-9900 (TTY: 1-888-985-8775). Information about appealing to the Quality Improvement Organization is also in the Notice of Medicare Non-Coverage. This is the notice you got when you were told we would stop covering your care.

What is a Quality Improvement Organization?

It is a group of doctors and other health care professionals who are paid by the federal government. These experts are not part of our plan. They are paid by Medicare to check on and help improve the quality of care for people with Medicare.

What should you ask for?

Ask them for a “fast-track appeal.” This is an independent review of whether it is medically appropriate for us to end coverage for your services.

What is your deadline for contacting this organization?

- You must contact the Quality Improvement Organization no later than noon of the day after you got the written notice telling you when we will stop covering your care.
- If you miss the deadline for contacting the Quality Improvement Organization about your appeal, you can make your appeal directly to us instead. For details about this other way to make your appeal, refer to Section H4 on page 192.

The legal term for the written notice is “Notice of Medicare Non-Coverage.”

To get a sample copy, call Customer Service at 1-888-654-0706 (TTY: 711) or 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. The call is free. Or find a copy online at www.cms.gov/Medicare/Medicare-General-Information/BNI/MAEDNotices.html

At a glance: How to make a Level 1 Appeal to ask the plan to continue your care

Call the Quality Improvement Organization for your state at 1-888-524-9900 and ask for a “fast-track appeal.”

Call before you leave the agency or facility that is providing your care and before your planned discharge date.

What happens during the Quality Improvement Organization's review?

The reviewers at the Quality Improvement Organization will ask you or your representative why you think coverage for the services should continue. You don't have to prepare anything in writing, but you may do so if you wish.

- When you ask for an appeal, the plan must write a letter to you and the Quality Improvement Organization explaining why your services should end.
- The reviewers will also look at your medical records, talk with your doctor, and review information that our plan has given to them.
- Within one full day after reviewers have all the information they need, they will tell you their decision. You will get a letter explaining the decision.

The legal term for the letter explaining why your services should end is “**Detailed Explanation of Non-Coverage.**”

What happens if the reviewers say Yes?

- If the reviewers say **Yes** to your appeal, then we must keep providing your covered services for as long as they are medically necessary.

What happens if the reviewers say No?

- If the reviewers say **No** to your appeal, then your coverage will end on the date we told you. We will stop paying our share of the costs of this care.
- If you decide to keep getting the home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services after the date your coverage ends, then you will have to pay the full cost of this care yourself.

H3. Level 2 Appeal to continue your care

If the Quality Improvement Organization said **No** to the appeal **and** you choose to continue getting care after your coverage for the care has ended, you can make a Level 2 Appeal.

During the Level 2 Appeal, the Quality Improvement Organization will take another look at the decision they made at Level 1. If they say they agree with the Level 1 decision, you may have to pay the full cost for your home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services after the date when we said your coverage would end.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

In Michigan, the Quality Improvement Organization is called Livanta. You can reach Livanta at: 1-888-524-9900 (TTY: 1-888-985-8775). Ask for the Level 2 review **within 60 calendar days** after the day when the Quality Improvement Organization said **No** to your Level 1 Appeal. You can ask for this review only if you continued getting care after the date that your coverage for the care ended.

- Reviewers at the Quality Improvement Organization will take another careful look at all of the information related to your appeal.
- The Quality Improvement Organization will make its decision within 14 calendar days of receipt of your appeal request.

At a glance: How to make a Level 2 Appeal to require that the plan cover your care for longer

Call the Quality Improvement Organization for your state at 1-888-524-9900 and ask for another review.

Call before you leave the agency or facility that is providing your care and before your planned discharge date.

What happens if the review organization says Yes?

- We must pay you back for our share of the costs of care you got since the date when we said your coverage would end. We must continue providing coverage for the care for as long as it is medically necessary.

What happens if the review organization says No?

- It means they agree with the decision they made on the Level 1 Appeal and will not change it.
- The letter you get will tell you what to do if you wish to continue with the review process. It will give you the details about how to go on to the next level of appeal, which is handled by a judge.

H4. What happens if you miss the deadline for making your Level 1 Appeal

You can appeal to us instead

If you miss appeal deadlines, there is another way to make Level 1 and Level 2 Appeals, called Alternate Appeals. But the first two levels of appeal are different.

Level 1 Alternate Appeal to continue your care for longer

If you miss the deadline for contacting the Quality Improvement Organization, you can make an appeal to us, asking for a “fast review.” A fast review is an appeal that uses the fast deadlines instead of the standard deadlines.

- During this review, we take a look at all of the information about your home health care, skilled nursing facility care, or care you are getting at a Comprehensive Outpatient Rehabilitation Facility (CORF). We check if the decision about when your services should end was fair and followed all the rules.
- We will use the fast deadlines rather than the standard deadlines for giving you the answer to this review. We will give you our decision within 72 hours after you ask for a “fast review.”
- **If we say Yes** to your fast review, it means we agree that we will keep covering your services for as long as it is medically necessary. It also means that we agree to pay you back for our share of the costs of care you got since the date when we said your coverage would end.
- **If we say No** to your fast review, we are saying that stopping your services was medically appropriate. Our coverage ends as of the day we said coverage would end.

At a glance: How to make a Level 1 Alternate Appeal

Call our Customer Service number and ask for a “fast review.”

We will give you our decision within 72 hours.

If you continue getting services after the day we said they would stop, **you may have to pay the full cost** of the services.

To make sure we were following all the rules when we said No to your fast appeal, we will send your appeal to the “Independent Review Entity.” When we do this, it means that your case is automatically going to Level 2 of the appeals process.

The legal term for “fast review” or “fast appeal” is “**expedited appeal.**”

Level 2 Alternate Appeal to continue your care for longer

We will send the information for your Level 2 Appeal to the Independent Review Entity (IRE) within 24 hours of when we give you our Level 1 decision. If you think we are not meeting this deadline or other deadlines, you can make a complaint. Section J on page 196 tells how to make a complaint.

During the Level 2 Appeal, the IRE reviews the decision we made when we said **No** to your “fast review.” This organization decides whether the decision we made should be changed.

- The IRE does a “fast review” of your appeal. The reviewers usually give you an answer within 72 hours.

- **If the IRE says Yes** to your appeal, then we must pay you back for our share of the costs of care. We must also continue our coverage of your services for as long as it is medically necessary.
- **If the IRE says No** to your appeal, it means they agree with us that stopping coverage of services was medically appropriate.

At a glance: How to make a Level 2 Alternate Appeal to require that the plan continue your care

You do not have to do anything. The plan will automatically send your appeal to the Independent Review Entity.

The letter you get from the IRE will tell you what you can do if you wish to continue with the review process. It will give you details about how to go on to a Level 3 Appeal, which is handled by a judge.

I. Appeal options after Level 2 or External Appeals

I1. Next steps for Medicare services and items

If you made a Level 1 or Internal Appeal and a Level 2 or External Appeal for Medicare services or items, and both your appeals have been turned down, you may have the right to additional levels of appeal. The letter you get from the Independent Review Entity will tell you what to do if you wish to continue the appeals process.

Level 3 of the appeals process is an Administrative Law Judge (ALJ) hearing. The person who makes the decision in a Level 3 appeal is an ALJ or an attorney adjudicator. If you want an ALJ or attorney adjudicator to review your case, the item or medical service you are requesting must meet a minimum dollar amount. If the dollar value is less than the minimum level, you cannot appeal any further. If the dollar value is high enough, you can ask an ALJ or attorney adjudicator to hear your appeal.

If you do not agree with the ALJ or attorney adjudicator's decision, you can go to the Medicare Appeals Council. After that, you may have the right to ask a federal court to look at your appeal.

If you need assistance at any stage of the appeals process, you can contact the MI Health Link Ombudsman. The phone number is 1-888-746-6456.

I2. Next steps for Michigan Medicaid services and items

You also have more appeal rights if your appeal is about services or items that might be covered by Michigan Medicaid.

If your appeal went to the Michigan Office of Administrative Hearings and Rules (MOAHR) for a Fair Hearing, MOAHR will send you a letter explaining its decision. If you disagree with the MOAHR final decision, you have 30 calendar days from the date of the decision to file a request for rehearing/reconsideration and/or to file an appeal with the Circuit Court. Please call MOAHR at 1-877-833-0870 for information about requirements you must meet to qualify for a rehearing/reconsideration.

If your appeal went to the Michigan Department of Insurance and Financial Services (DIFS) for an External Review, DIFS will send you a letter explaining the Director's decision. If you disagree with the decision, you have the right to appeal to Circuit Court in the county where you live or the Michigan Court of Claims within 60 calendar days from the date of the decision.

If you need help at any stage of the appeals process, you can contact the MI Health Link Ombudsman. The phone number is 1-888-746-6456.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

J. How to make a complaint

J1. What kinds of problems should be complaints

The complaint process is used for certain types of problems only, such as problems related to quality of care, waiting times, and customer service. Here are examples of the kinds of problems handled by the complaint process.

Complaints about quality

- You are unhappy with the quality of care, such as the care you got in the hospital.

Complaints about privacy

- You think that someone did not respect your right to privacy, or shared information about you that is confidential.

Complaints about poor customer service

- A health care provider or staff was rude or disrespectful to you.
- HAP Empowered MI Health Link staff treated you poorly.
- You think you are being pushed out of the plan.

Complaints about accessibility

- You cannot physically access the health care services and facilities in a doctor or provider's office.
- Your provider does not give you a reasonable accommodation you need such as an American Sign Language interpreter.

Complaints about waiting times

- You are having trouble getting an appointment or waiting too long to get it.
- You have been kept waiting too long by doctors, pharmacists, or other health professionals or by Customer Service or other plan staff.

Complaints about cleanliness

- You think the clinic, hospital, or doctor's office is not clean.

At a glance: How to make a complaint

You can make an internal complaint with our plan and/or an external complaint with an organization that is not connected to our plan.

To make an internal complaint, call Customer Service or send us a letter.

There are different organizations that handle external complaints. For more information, read Section J2 on page 198.

Complaints about language access

- Your doctor or provider does not provide you with an interpreter during your appointment.

Complaints about communications from us

- You think we failed to give you a notice or letter that you should have received.
- You think the written information we sent you is too difficult to understand.

Complaints about the timeliness of our actions related to coverage decisions or appeals

- You believe that we are not meeting our deadlines for making a coverage decision or answering your appeal.
- You believe that, after getting a coverage or appeal decision in your favor, we are not meeting the deadlines for approving or giving you the service or paying you back for certain medical services.
- You believe we did not forward your case to the Independent Review Entity on time.

The legal term for a “complaint” is a “grievance.”

The legal term for “making a complaint” is “filing a grievance.”

Are there different types of complaints?

Yes. You can make an internal complaint and/or an external complaint. An internal complaint is filed with and reviewed by our plan. An external complaint is filed with and reviewed by an organization that is not affiliated with our plan. If you need help making an internal and/or external complaint, you can call the MI Health Link Ombudsman at 1-888-746-6456.

NOTE: Behavioral health services are covered by your Prepaid Inpatient Health Plan (PIHP). This includes mental health, intellectual/developmental disability, and substance use disorder services and supports. Contact your PIHP for information about internal complaints on behavioral health services.

- Detroit Wayne Mental Health Authority 1-800-241-4949, TTY: 1-800-630-1044, 24 hours a day, seven days a week.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

- Macomb County Community Mental Health 1-855-966-2264, TTY: 711, 24 hours a day, seven days a week.

J2. Internal complaints

To make an internal complaint, call Customer Service at 1-888-654-0706 (TTY: 711). You can make the complaint at any time unless it is about a Part D drug. If the complaint is about a Part D drug, you must make it **within 60 calendar days** after you had the problem you want to complain about.

- If there is anything else you need to do, Customer Service will tell you.
- You can also write your complaint and send it to us. If you put your complaint in writing, we will respond to your complaint in writing.
- You may file a grievance within 60 calendar days of the date of the circumstance giving rise to the grievance. There is no filing limit for complaints concerning quality of care. Note: The 60-day limit may be extended for good cause. Include in your written request the reason why you could not file within the 60-day timeframe.

The legal term for “fast complaint” is “expedited grievance.”

If possible, we will answer you right away. If you call us with a complaint, we may be able to give you an answer on the same phone call. If your health condition requires us to answer quickly, we will do that.

- We answer most complaints within 30 calendar days. If we need more information and the delay is in your best interest, or if you ask for more time, we can take up to 14 more calendar days (44 calendar days total) to answer your complaint. We will tell you in writing why we need more time.
- If you are making a complaint because we denied your request for a “fast coverage decision” or a “fast appeal,” we will automatically give you a “fast complaint” and respond to your complaint within 24 hours.
- If you are making a complaint because we took extra time to make a coverage decision or appeal, we will automatically give you a “fast complaint” and respond to your complaint within 24 hours.

If we do not agree with some or all of your complaint, **we will tell you** and give you our reasons. We will respond whether we agree with the complaint or not.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

J3. External complaints

You can tell Medicare about your complaint

You can send your complaint to Medicare. The Medicare Complaint Form is available at: www.medicare.gov/MedicareComplaintForm/home.aspx.

Medicare takes your complaints seriously and will use this information to help improve the quality of the Medicare program.

If you have any other feedback or concerns, or if you feel the plan is not addressing your problem, please call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, seven days a week. TTY users can call 1-877-486-2048. The call is free.

You can tell Michigan Medicaid about your complaint

You can also send your complaint to Michigan Medicaid. You can call the Beneficiary Help Line Monday through Friday from 8:00 a.m. to 7:00 p.m. at 1-800-642-3195 (TTY: 1-866-501-5656), or 1-800-975-7630 if calling from an internet-based phone service.

You can file a complaint with the Office for Civil Rights

You can make a complaint to the Department of Health and Human Services' Office for Civil Rights if you think you have not been treated fairly. For example, you can make a complaint about disability access or language assistance. The phone number for the Office for Civil Rights is 1-800-368-1019. TTY users should call 1-800-537-7697. You can also visit www.hhs.gov/ocr for more information.

You may also contact the local Office for Civil Rights office at:

Chicago, IL 60601
Phone: 1-800-368-1019
Fax: 1-202-619-3818
TTY: 1-800-537-7697

You can also contact the Michigan Department of Civil Rights at by phone at 1-800-482-3604 or online at www.michigan.gov/mdcr/0,4613,7-138--272072--,00. TTY users should call 1-517-241-1965. You can also email MDCRServiceCenter@michigan.gov or fax 1-517-241-0546.

You may also have rights under the Americans with Disability Act and under Michigan's Persons with Disabilities and Elliott-Larsen Civil Rights Act. You can contact the MI Health Link Ombudsman for assistance. The phone number is 1-888-746-6456.

You can file a complaint with the Quality Improvement Organization

When your complaint is about quality of care, you also have two choices:

- If you prefer, you can make your complaint about the quality of care directly to the Quality Improvement Organization (without making the complaint to us).
- Or you can make your complaint to us and to the Quality Improvement Organization. If you make a complaint to this organization, we will work with them to resolve your complaint.

The Quality Improvement Organization is a group of practicing doctors and other health care experts paid by the federal government to check and improve the care given to Medicare patients. To learn more about the Quality Improvement Organization, refer to Chapter 2.

In Michigan, the Quality Improvement Organization is called Livanta. The phone number for Livanta is 1-888-524-9900 (TTY: 1-888-985-8775).

You can tell the MI Health Link Ombudsman about your complaint

The MI Health Link Ombudsman also helps solve problems from a neutral standpoint to make sure that our members get all the covered services that we are required to provide. The MI Health Link Ombudsman is not connected with us or with any insurance company or health plan. The phone number is 1-888-746-6456. The services are free.

You can tell the State of Michigan about your complaint

If you have a problem with HAP Empowered MI Health Link, you can contact the Michigan Department of Insurance and Financial Services (DIFS) at 1-877-999-6442, Monday through Friday from 8:00 a.m. to 5:00 p.m. The call is free. You can email difs-HICAP@michigan.gov. You can also write to:

I. How to get more information about ending your plan membership	209

A. When can you end your membership in our Medicare-Medicaid Plan

You can end your membership in HAP Empowered MI Health Link Medicare-Medicaid Plan at any time during the year by enrolling in another Medicare Advantage Plan, enrolling in another Medicare-Medicaid Plan, or moving to Original Medicare.

The change will be effective the first day of the next month after we get your request. If you leave our plan, you can get information about your:

- Medicare options, see the table on pages 205 and 206.
- Michigan Medicaid services, see page 206.

You can get more information about when you can end your membership by calling:

- Michigan ENROLLS at 1-800-975-7630 Monday through Friday, 8 a.m. to 7 p.m. TTY users should call 1-888-263-5897.
- The State Health Insurance Assistance Program (SHIP). In Michigan, the SHIP is called the Michigan Medicare/Medicaid Assistance Program (MMAP). MMAP can be reached at 1-800-803-7174.
- Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

NOTE: If you're in a drug management program, you may not be able to change plans. See Chapter 5 for information about drug management programs.

B. How to end your membership in our plan

If you decide to end your membership, tell Michigan Medicaid or Medicare that you want to leave HAP Empowered MI Health Link.

- Call Michigan ENROLLS at 1-800-975-7630 Monday through Friday, 8 a.m. to 7 p.m. TTY users should call 1-888-263-5897; OR
- Call Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users (people who have difficulty hearing or speaking) should call 1-877-486-2048. When you call 1-800-MEDICARE, you can also enroll in another Medicare health or drug plan. More information on getting your Medicare services when you leave our plan is in the chart on page 206.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

C. How to join a different Medicare-Medicaid Plan

If you want to keep getting your Medicare and Michigan Medicaid benefits together from a single plan, you can join a different Medicare-Medicaid Plan.

To enroll in a different Medicare-Medicaid Plan:

- Call Michigan ENROLLS at 1-800-975-7630 Monday through Friday, 8 a.m. to 7 p.m. TTY users should call 1-888-263-5897. Tell them you want to leave HAP Empowered MI Health Link and join a different Medicare-Medicaid Plan. If you are not sure what plan you want to join, they can tell you about other plans in your area.
- Your coverage with HAP Empowered MI Health Link will end the last day of the month that we get your request.

D. How to get Medicare and Michigan Medicaid services separately

If you do not want to enroll in a different Medicare-Medicaid Plan after you leave HAP Empowered MI Health Link, you will go back to getting your Medicare and Michigan Medicaid services separately.

D1. Ways to get your Medicare services

You will have a choice about how you get your Medicare benefits.

You have three options for getting your Medicare services. By choosing one of these options, you will automatically end your membership in our plan.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

Office hours are Monday through Friday, 8 a.m. to 5 p.m. In Michigan, the SHIP is called the Michigan Medicare/Medicaid Assistance Program (MMAP).

You will automatically be disenrolled from HAP Empowered MI Health Link when your Original Medicare coverage begins.

D2. How to get your Michigan Medicaid services

If you leave the Medicare-Medicaid Plan, you will get your Michigan Medicaid services through fee-for-service.

Your Michigan Medicaid services include most long term supports and services and behavioral health care. If you leave the Medicare-Medicaid Plan, you can use any provider that accepts Michigan Medicaid.

E. Keep getting your medical services and drugs through our plan until your membership ends

If you leave HAP Empowered MI Health Link, it may take time before your membership ends and your new Medicare and Michigan Medicaid coverage begins. See page 206 for more information. During this time, you will keep getting your health care and drugs through our plan.

- **You should use our network pharmacies to get your prescriptions filled.** Usually, your prescription drugs are covered only if they are filled at a network pharmacy

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

- **If you are hospitalized on the day that your membership ends, your hospital stay will usually be covered by our plan until you are discharged.** This will happen even if your new health coverage begins before you are discharged.

F. Other situations when your membership ends

These are the cases when HAP Empowered MI Health Link must end your membership in the plan:

- If there is a break in your Medicare Part A and Part B coverage.
- If you no longer qualify for Michigan Medicaid. Our plan is for people who qualify for both Medicare and Michigan Medicaid. If you are no longer eligible for Medicaid, you can continue to get your Medicare and Medicaid health and prescription drug benefits from HAP Empowered MI Health Link for up to three months. To keep HAP Empowered MI Health Link after three months, you must get full Medicaid back before the end of three months.
- If you move out of our service area.
- If you are away from our service area for more than six months.
 - If you move or take a long trip, you need to call Customer Service to find out if the place you are moving or traveling to is in our plan's service area.
- If you go to jail or prison for a criminal offense.
- If you lie about or withhold information about other insurance you have for prescription drugs.
- If you are not a United States citizen or are not lawfully present in the United States.

You must be a United States citizen or lawfully present in the United States to be a member of our plan. The Centers for Medicare & Medicaid Services will notify us if you aren't eligible to remain a member on this basis. We must disenroll you if you don't meet this requirement.

We can make you leave our plan for the following reasons only if we get permission from Medicare and Michigan Medicaid first:

- If you intentionally give us incorrect information when you are enrolling in our plan and that information affects your eligibility for our plan.
- If you continuously behave in a way that is disruptive and makes it difficult for us to provide medical care for you and other members of our plan.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

- If you let someone else use your Member ID Card to get medical care.
 - If we end your membership because of this reason, Medicare may have your case investigated by the Inspector General.

G. Rules against asking you to leave our plan for any health-related reason

If you feel that you are being asked to leave our plan for a health-related reason, you should call Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048. You may call 24 hours a day, 7 days a week.

You can also call the Beneficiary Help Line at 1-800-642-3195 or 1-866-501-5656 for TTY users Monday through Friday, 8 a.m. to 7 p.m. You should also call the MI Health Link Ombudsman program at 1-888-746-MHLO (1-888-746-6456) Monday through Friday, 8 a.m. to 5 p.m. TTY users can call 711. Or, you can send an email to help@MHLO.org.

H. Your right to make a complaint if we end your membership in our plan

If we end your membership in our plan, we must tell you our reasons in writing for ending your membership. We must also explain how you can file a grievance or make a complaint about our decision to end your membership. You can also see Chapter 9 for information about how to make a complaint.

I. How to get more information about ending your plan membership

If you have questions or would like more information on when we can end your membership, you can call Customer Service at 1-888-654-0706 (TTY: 711). We are available seven days a week, 8 a.m. to 8 p.m.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

Chapter 11: Legal notices

Introduction

This chapter includes legal notices that apply to your membership in HAP Empowered MI Health Link. Key terms and their definitions appear in alphabetical order in the last chapter of the *Member Handbook*.

Table of Contents

A. Notice about laws	211
B. Notice about nondiscrimination.....	211
HAP Empowered MI Health Link Nondiscrimination Notice - See back of this Handbook	
C. Notice about Medicare as a second payer	211

A. Notice about laws

Many laws apply to this *Member Handbook*. These laws may affect your rights and responsibilities even if the laws are not included or explained in this handbook. The main laws that apply to this handbook are federal laws about the Medicare and Medicaid programs. Other federal and state laws may apply too.

B. Notice about nondiscrimination

Every company or agency that works with Medicare and Michigan Medicaid must obey laws that protect you from discrimination or unfair treatment. We don't discriminate or treat you differently because of your age, claims experience, color, ethnicity, evidence of insurability, gender, genetic information, geographic location within the service area, health status, medical history, mental or physical disability, national origin, race, religion, or sex.

If you want more information or have concerns about discrimination or unfair treatment:

- Call the Department of Health and Human Services, Office for Civil Rights at 1-800-368-1019. TTY users can call 1-800-537-7697. You can also visit www.hhs.gov/ocr for more information.
- You can also call the Michigan Department of Civil Rights at 1-800-482-3604.

If you have a disability and need help accessing health care services or a provider, call Customer Service. If you have a complaint, such as a problem with wheelchair access, Customer Service can help.

C. Notice about Medicare as a second payer

Sometimes someone else has to pay first for the services we provide you. For example, if you are in a car accident or if you are injured at work, insurance or Workers Compensation has to pay first.

We have the right and responsibility to collect for covered Medicare services for which Medicare is not the first payer.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

Chapter 12: Definitions of important words

Introduction

This chapter includes key terms used throughout the *Member Handbook* with their definitions. The terms are listed in alphabetical order. If you can't find a term you're looking for or if you need more information than a definition includes, contact Customer Service.

Activities of daily living: The things people do on a normal day, such as eating, using the toilet, getting dressed, bathing, or brushing the teeth.

Aid paid pending: You can continue getting your benefits while you are waiting for a decision about an appeal or fair hearing. This continued coverage is called "aid paid pending".

Ambulatory surgical center: A facility that provides outpatient surgery to patients who do not need hospital care and who are not expected to need more than 24 hours of care.

Appeal: A way for you to challenge our action if you think we made a mistake. You can ask us to change a coverage decision by filing an appeal. Chapter 9 explains appeals, including how to make an appeal.

Brand name drug: A prescription drug that is made and sold by the company that originally made the drug. Brand name drugs have the same ingredients as the generic versions of the drugs. Generic drugs are made and sold by other drug companies.

Care Coordinator: One main person who works with you, with the health plan, and with your care providers to make sure you get the care you need.

Care plan: A plan for what supports and services you will get and how you will get them.

Care team: A care team may include doctors, nurses, counselors, or other health professionals who are there to help you get the care you need. Your care team will also help you make a care plan.

Centers for Medicare & Medicaid Services (CMS): The federal agency in charge of Medicare. Chapter 2 explains how to contact CMS.

Complaint: A written or spoken statement saying that you have a problem or concern about your covered services or care. This includes any concerns about the quality of your care, network providers, or network pharmacies. The formal name for "making a complaint" is "filing a grievance".

Comprehensive outpatient rehabilitation facility (CORF): A facility that mainly provides rehabilitation services after an illness, accident, or major operation. It provides a variety of services, including physical therapy, social or psychological services, respiratory therapy, occupational therapy, speech therapy, and home environment evaluation services.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

Coverage decision: A decision about what benefits we cover. This includes decisions about covered drugs and services or the amount we will pay for your health services. Chapter 9 explains how to ask us for a coverage decision.

Covered drugs: The term we use to mean all of the prescription drugs covered by our plan.

Covered services: The general term we use to mean all of the health care, long term supports and services, supplies, prescription and over-the-counter drugs, equipment, and other services covered by our plan.

Cultural Competence training: Training that provides additional instruction for our health care providers that helps them better understand your background, values, and beliefs to adapt services to meet your social, cultural, and language needs.

Customer Service: A department within our plan responsible for answering your questions about your membership, benefits, grievances, and appeals. Refer to Chapter 2 for information about how to contact Customer Service.

Disenrollment: The process of ending your membership in our plan. Disenrollment may be voluntary (your own choice) or involuntary (not your own choice).

Drug Tiers: Groups of drugs on our Drug List. Generic, brand, or over-the-counter (OTC) drugs are examples of drug tiers. Every drug on the Drug List is in one of two tiers.

Durable medical equipment (DME): Certain items your doctor or other health care provider orders for use in your home. Examples of these items are wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, IV infusion pumps, speech generating devices, oxygen equipment and supplies, nebulizers, and walkers.

Emergency: A medical emergency is when you, or any other person with an average knowledge of health and medicine, believe that you have medical symptoms that need immediate medical attention to prevent death, loss of a body part, or loss of function of a body part. The medical symptoms may be a serious injury or severe pain.

Emergency care: Covered services that are given by a provider trained to give emergency services and needed to treat a medical emergency

Exception: Permission to get coverage for a drug that is not normally covered or to use the drug without certain rules and limitations.

Extra Help: Medicare program that helps people with limited incomes and resources reduce Medicare Part D drug costs, such as premiums, deductibles, and copays. Extra Help is also called the “Low-Income Subsidy,” or “LIS.”

Fair hearing: A chance for you to tell your problem in a formal hearing and show that a decision we made is wrong.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

Freedom to Work: A program that provides health coverage to working people with disabilities in Michigan who are not otherwise eligible for Medicaid. People in the Freedom to Work program get full Medicaid coverage in exchange for a monthly premium. If you have questions about the Freedom to Work program, contact your local Michigan Department of Health & Human Services (MDHHS) office. You can find contact information for your local MDHHS office by visiting www.michigan.gov/mdhhs/0,5885,7-339-73970_5461---,00.

Generic drug: A prescription drug that is approved by the federal government to use in place of a brand name drug. A generic drug has the same active ingredients as a brand name drug. It is usually cheaper and works just as well as the brand name drug.

Grievance: A complaint you make about us or one of our network providers or pharmacies. This includes a complaint about the quality of your care.

Health plan: An organization made up of doctors, hospitals, pharmacies, providers of long term supports and services, and other providers. It also has Care Coordinators to help you manage all your providers and services. They all work together to provide the care you need.

Health risk assessment: A review of a patient's medical history and current condition. It is used to figure out the patient's health and how it might change in the future.

Home and community-based services (HBCS): Home and Community Based Services are person centered care delivery service options which are provided within the patient's home or residence. This includes a variety of programs which address the needs of patients with multiple diagnoses, functional limitations who need assistance with everyday activities.

Home health aide: A person who provides services that do not need the skills of a licensed nurse or therapist, such as help with personal care (like bathing, using the toilet, dressing, or carrying out the prescribed exercises). Home health aides do not have a nursing license or provide therapy.

Hospice: A program of care and support to help people who have a terminal prognosis live comfortably. A terminal prognosis means that a person has a terminal illness and is expected to have six months or less to live.

- An enrollee who has a terminal prognosis has the right to elect hospice.
- A specially trained team of professionals and caregivers provide care for the whole person, including physical, emotional, social, and spiritual needs.
- HAP Empowered MI Health Link must give you a list of hospice providers in your geographic area.

Improper/inappropriate billing: A situation when a provider (such as a doctor or hospital) bills you more than the plan's cost sharing amount for services. Show your HAP Empowered MI Health

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

Link Member ID Card when you get any services or prescriptions. Call Customer Service if you get any bills you do not understand. Because HAP Empowered MI Health Link pays the entire cost for your services, you do not owe any cost sharing. Providers should not bill you anything for these services.

Inpatient: A term used when you have been formally admitted to the hospital for skilled medical services. If you were not formally admitted, you might still be considered an outpatient instead of an inpatient even if you stay overnight.

List of Covered Drugs (Drug List): A list of prescription drugs covered by the plan. The plan chooses the drugs on this list with the help of doctors and pharmacists. The Drug List tells you if there are any rules you need to follow to get your drugs. The Drug List is sometimes called a “formulary.”

Long term supports and services (LTSS): Long term supports and services are services that help improve a long term condition. LTSS includes nursing home services as well as home and community-based services. The home and community-based services help you stay in your home so you don't have to go to a nursing home or hospital.

Low-income subsidy (LIS): Refer to “Extra Help.”

Medically necessary: This describes services, supplies, or drugs you need to prevent, diagnose, or treat a medical condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing home. It also means the services, supplies, or drugs must meet accepted standards of medical practice. A specific service is determined medically (clinically) appropriate, necessary to meet needs, consistent with your diagnosis or health issue, is the most cost-effective option in the least restrictive environment, and is consistent with clinical standards of care. Medical necessity includes those supports and services designed to assist you to attain or maintain a sufficient level of functioning to enable you to live in your community.

Medicare: The federal health insurance program for people 65 years of age or older, some people under age 65 with certain disabilities, and people with end-stage renal disease (generally those with permanent kidney failure who need dialysis or a kidney transplant). People with Medicare can get their Medicare health coverage through Original Medicare or a managed care plan (refer to “Health plan”).

Medicare Advantage Plan: A Medicare program, also known as “Medicare Part C” or “MA Plans,” that offers plans through private companies. Medicare pays these companies to cover your Medicare benefits.

Medicare-covered services: Services covered by Medicare Part A and Part B. All Medicare health plans, including our plan, must cover all of the services that are covered by Medicare Part A and Part B.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

Medicare-Medicaid enrollee: A person who qualifies for Medicare and Medicaid coverage. A Medicare-Medicaid enrollee is also called a “dually eligible individual.”

Medicare Part A: The Medicare program that covers most medically necessary hospital, skilled nursing facility, home health and hospice care.

Medicare Part B: The Medicare program that covers services (like lab tests, surgeries, and doctor visits) and supplies (like wheelchairs and walkers) that are medically necessary to treat a disease or condition. Medicare Part B also covers many preventive and screening services.

Medicare Part C: The Medicare program that lets private health insurance companies provide Medicare benefits through a Medicare Advantage Plan.

Medicare Part D: The Medicare prescription drug benefit program. (We call this program “Part D” for short.) Part D covers outpatient prescription drugs, vaccines, and some supplies not covered by Medicare Part A or Part B or Medicaid. HAP Empowered MI Health Link includes Medicare Part D.

Medicare Part D drugs: Drugs that can be covered under Medicare Part D. Congress specifically excluded certain categories of drugs from coverage as Part D drugs. Medicaid may cover some of these drugs.

Member (member of our plan, or plan member): A person with Medicare and Medicaid who qualifies to get covered services, who has enrolled in our plan, and whose enrollment has been confirmed by the Centers for Medicare & Medicaid Services (CMS) and the state.

Member Handbook and Disclosure Information: This document, along with your enrollment form and any other attachments or riders, which explains your coverage, what we must do, your rights, and what you must do as a member of our plan.

Michigan Medicaid (or Medical Assistance): A program run by the federal government and the state that helps people with limited incomes and resources pay for long term supports and services and medical costs. It covers extra services and drugs not covered by Medicare. Medicaid programs vary from state to state, but most health care costs are covered if you qualify for both Medicare and Michigan Medicaid. Refer to Chapter 2 for information about how to contact Michigan Medicaid.

Network pharmacy: A pharmacy (drug store) that has agreed to fill prescriptions for our plan members. We call them “network pharmacies” because they have agreed to work with our plan. In most cases, your prescriptions are covered only if they are filled at one of our network pharmacies.

Network provider: “Provider” is the general term we use for health care professionals and support providers such as doctors, nurse practitioners, psychologists, hearing, dental, or vision specialists, nurses, pharmacists, therapists, and other people who give you services and care. The term also includes hospitals, home health agencies, clinics, and other places

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

that give you health care services; medical equipment; behavioral health, substance use disorder, intellectual/developmental disability, and long term supports and services.

- They are licensed or certified by Medicare and by the state to provide health care services.
- We call them “network providers” when they agree to work with the health plan and accept our payment and not charge our members an extra amount.
- While you are a member of our plan, you must use network providers to get covered services. Network providers are also called “plan providers.”

Nursing home or facility: A place that provides care for people who cannot get their services at home but who do not need to be in the hospital.

Ombudsman: An office in your state that works as an advocate on your behalf. They can answer questions if you have a problem or complaint and can help you understand what to do. The ombudsman’s services are free. You can find more information about the ombudsman in Chapters 2 and 9 of this handbook.

Organization determination: The plan has made an organization determination when it, or one of its providers, makes a decision about whether services are covered or how much you have to pay for covered services. Organization determinations are called “coverage decisions” in this handbook. Chapter 9 explains how to ask us for a coverage decision.

Original Medicare (traditional Medicare or fee-for-service Medicare): Original Medicare is offered by the government. Under Original Medicare, Medicare services are covered by paying doctors, hospitals, and other health care providers amounts that are set by Congress.

- You can use any doctor, hospital, or other health care provider that accepts Medicare. Original Medicare has two parts: Part A (hospital insurance) and Part B (medical insurance).
- Original Medicare is available everywhere in the United States.
- If you do not want to be in our plan, you can choose Original Medicare.

Out-of-network pharmacy: A pharmacy that has not agreed to work with our plan to coordinate or provide covered drugs to members of our plan. Most drugs you get from out-of-network pharmacies are not covered by our plan unless certain conditions apply.

Out-of-network provider or Out-of-network facility: A provider or facility that is not employed, owned, or operated by our plan and is not under contract to provide covered services to members of our plan. Chapter 3 explains out-of-network providers or facilities.

Over-the-counter (OTC) drugs: Over-the-counter drugs refers to any drug or medicine that a person can buy without a prescription from a healthcare professional.

Part A: See “Medicare Part A.”

Part B: See “Medicare Part B.”

Part C: See “Medicare Part C.”

Part D: See “Medicare Part D.”

Part D drugs: See “Medicare Part D drugs.”

Patient Pay Amount (PPA): The amount of money you may be asked to pay for the time you stay in a nursing home. This amount is based on your income and set by the State.

Personal health information (also called Protected health information) (PHI): Information about you and your health, such as your name, address, social security number, physician visits and medical history. See HAP Empowered MI Health Link’s Notice of Privacy Practices for more information about how HAP Empowered MI Health Link protects, uses, and discloses your PHI, as well as your rights with respect to your PHI.

Person-centered Planning Process: A process for planning and supporting a person getting services. The process builds on the individual’s desire to engage in activities that promote community life and that honor the individual’s preferences, choices, and abilities. The individual leads the person-centered planning process, and it involves families, friends, legal representatives, and professionals as the individual desires or requires.

Primary care provider (PCP): Your primary care provider is the doctor or other provider you use first for most health problems.

- They make sure you get the care you need to stay healthy. They also may talk with other doctors and health care providers about your care and refer you to them.
- In many Medicare health plans, you must use your primary care provider before you use any other health care provider.
- Refer to Chapter 3 for information about getting care from primary care providers.

Prior authorization: An approval from HAP Empowered MI Health Link you must get before you can get a specific service or drug or use an out-of-network provider. HAP Empowered MI Health Link may not cover the service or drug if you don’t get approval.

Some network medical services are covered only if your doctor or other network provider gets prior authorization from our plan.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

- Covered services that need our plan's prior authorization are marked in the Benefits Chart in Chapter 4.

Some drugs are covered only if you get prior authorization from us.

- Covered drugs that need our plan's prior authorization are marked in the *List of Covered Drugs*.

Prosthetics and Orthotics: These are medical devices ordered by your doctor or other health care provider. Covered items include, but are not limited to, arm, back, and neck braces; artificial limbs; artificial eyes; and devices needed to replace an internal body part or function, including ostomy supplies and enteral and parenteral nutrition therapy.

Quality improvement organization (QIO): A group of doctors and other health care experts who help improve the quality of care for people with Medicare. They are paid by the federal government to check and improve the care given to patients. Refer to Chapter 2 for information about how to contact the QIO for your state.

Quantity limits: A limit on the amount of a drug you can have. Limits may be on the amount of the drug that we cover per prescription.

Referral: A referral means that your primary care provider (PCP) must give you approval before you can use someone that is not your PCP. If you don't get approval, HAP Empowered MI Health Link may not cover the services. You don't need a referral to use certain specialists, such as women's health specialists. You can find more information about referrals in Chapter 3 and about services that require referrals in Chapter 4.

Rehabilitation services: Treatment you get to help you recover from an illness, accident, or major operation. Refer to Chapter 4 to learn more about rehabilitation services.

Self-Determination: Self-determination is an option available to enrollees getting services through the MI Health Link HCBS home and community-based waiver program. It is a process that allows you to design and exercise control over your own life. This includes managing a fixed amount of dollars to cover your authorized supports and services. Often, this is referred to as an "individual budget". If you choose to do so, you would also have control over the hiring and management of providers.

Service area: A geographic area where a health plan accepts members if it limits membership based on where people live. For plans that limit which doctors and hospitals you may use, it is also generally the area where you can get routine (non-emergency) services. Only people who live in our service area can get HAP Empowered MI Health Link.

Skilled nursing facility (SNF): A nursing facility with the staff and equipment to give skilled nursing care and, in most cases, skilled rehabilitative services and other related health services.

If you have questions, please call HAP Empowered MI Health Link at 1-888-654-0706, seven days a week, 8 a.m. to 8 p.m. TTY users dial 711. The call is free. **For more information**, visit www.hap.org/mihealthlink.

Skilled nursing facility (SNF) care: Skilled nursing care and rehabilitation services provided on a continuous, daily basis, in a skilled nursing facility. Examples of skilled nursing facility care include physical therapy or intravenous (IV) injections that a registered nurse or a doctor can give.

Specialist: A doctor who provides health care for a specific disease or part of the body.

State Medicaid agency: The Michigan Department of Health and Human Services. This is the agency that runs Michigan's Medicaid program, helping people with limited incomes and resources pay for medical care and long term supports and services.

Step therapy: A coverage rule that requires you to first try another drug before we will cover the drug you are asking for.

Supplemental Security Income (SSI): A monthly benefit paid by Social Security to people with limited incomes and resources who are disabled, blind, or age 65 and older. SSI benefits are not the same as Social Security benefits.

Urgently needed care: Care you get for a sudden illness, injury, or condition that is not an emergency but needs care right away. You can get urgently needed care from out-of-network providers when network providers are unavailable or you cannot get to them.
