

Free Home Delivery for Prescriptions

March 30, 2020

HAP's prescription home delivery service saves members time while making life safe – which is especially important during the COVID-19 crisis.

The FREE in-home medication delivery service will make sure your patients have adequate drug supply on hand.

- The delivery cost is free for members to get medications sent to their homes through Pharmacy Advantage.
- HAP members can request all their drugs from Pharmacy Advantage
- This service is available for all of our HAP members – Medicare, Medicaid, Dual Medicare/Medicaid, and Commercial population

What are Pharmacy Advantage's services?

- **Free delivery** service, including out of state
- **Same day** medication fill
- **Refill reminders** and auto-shipment
- **Assistance for medication changes** or prior authorizations
- **Assistance from health experts** about medications
